Section 44-91 of the City of Houston Code of Ordinances: "Nothing contained in this division shall be construed or have the effect to license, permit, authorize or legalize any machine, device, table or coin-operated machine, the keeping, exhibition, operation, displaying or maintenance of which is illegal or in violation of any article of the Penal Code of this state, or the constitution of this state."

It is unlawful for an owner to display or exhibit for commercial use any coin-operated machine which does not have properly attached thereto a decal evidencing payment of the applicable occupation tax; is located at any address or location other than the location listed for such machine as shown in the records of the city; has affixed to it a decal other than the decal issued for such machine as shown in the records of the city. the decal. After January 1st of each year, the director or any officer of the police department shall seal, in a manner that will prevent further operation, any coin-operated machine upon which the tax required has not been paid or upon which the decal is not properly displayed . Any owner subject to this division shall be required to pay a fee equal to the maximum amount permitted under § 2153.453 of the Texas Occupations Code for the release of any machine sealed as provided herein for nonpayment of the tax or for failure to properly display the decal evidencing the payment of the tax. Upon proof of payment of the occupation tax, the penalties and the release fee, the director will remove the seal. If decals are being replaced as a result of theft or destruction, a police report must accompany your application to receive a prorated rate.

The sole owner or partner or officer or agent and record keeper must sign. An agent must submit a written power of attorney.

REGISTRATION FOR AMUSEMENT REDEMPTION MACHINES ONLY

Amusement Redemption machine means a recreational machine that provides the user with an opportunity to receive something of value other than a right to replay and in which credits, or the equivalent therof, are accumulated when: a particular configuration of like symbols is displayed in a random fashion by the machine; symbols or numbers are matched to a randomly selected symbol or number determined by the machine; a combination of cards is arrived at and valued in a traditional hierarchy for purposes of poker; or a combination of cards is arrived at and points assigned for purposes of blackjack. Note: A building, facility, or other place that contains one or more amusement redemption machines is considered a "game room". Game Rooms are required to have a license, issued by the City of Houston.
