The Digital Automated Red Light Enforcement Program (DARLEP) Fund was created to properly account for funds according to Senate Bill 1119, which requires the City to share, with the State of Texas, 50/50 the net proceeds collected from violations captured by the red light cameras installed throughout the City occurring on or after September 1, 2007.

Effective September 1, 2007, the City's share of the monies collected from these violations may be used only to fund traffic safety programs, including pedestrian safety programs, public safety programs, intersection improvements, and traffic enforcement.
