District K Highlights

Valentine's Day Senior Luncheon

Thank you all for coming out to celebrate Valentine’s Day in District K with us. Valentine's Day is one of my favorite days and we enjoyed celebrating with our seniors and seeing their smiles, excitement and dance moves. The entire event was pure joy. Thank you Mayor Turner, Titu Alam, Flo-Motion, Southern Konnection, AARP, American Heart Association, Signature ER, Kroger, the District K staff and every person who helped to make this day extra special for our District K residents.

Tentative 2020 Schedule

Saturday, June 6, 2020

Saturday, September 12, 2020

District K Capital Improvement Plan Annual Meeting

Thursday, March 26, 2020
6:30pm -8:00pm
Fountain Life Center
14065 South Main, Houston
(77035)

We will hear from representatives with the Mayor's Office and each City of Houston Department. Come with questions and any out-sanding service request numbers you have. We look forward to seeing you there.

Keep District K Beautiful Day

Join the #CleanStateOfMind campaign and begin planning your neighborhood clean-up today!
Keep Houston and District K Beautiful Day is **Saturday, April 25th**. This is a one-day community wide clean-up.

Register your event with the District K office via email at districtk@houstontx.gov or by contacting Joe Gatson at 832.393.3016 so that your event is recognized by Vice Mayor Pro Tem Castex-Tatum.

KHB, in partnership with the Houston Community ToolBank, will provide tools and supplies on a first requested basis as available. For more information, please email **info@houstonbeautiful.org.**

2020 Census
Fort Bend Houston
Complete Count Committee

Census 2020: Reasons to Say YES!

As we move into 2020, its time to start spreading the word about the upcoming census – and we are hoping we can rely on your help!

The census counts our population and households across the nation. Federal funds, grants and support to states, counties and communities are based on population totals and breakdowns by sex, age, race and other factors.

People in your community use census data in all kinds of ways:

• Residents use the census to support community initiatives involving legislation, quality-of-life and consumer advocacy.
• Businesses use Census Bureau data to decide where to build factories, offices and stores, and these create jobs.
• Real estate developers and city planners use the census to plan new homes and improve neighborhoods.
• Local government officials use the census to ensure public safety and plan new schools and hospitals.

Completing a census form is the most important civic duty a Houstonian has this spring. A complete count is critical to programs as wide-ranging from more school lunches, better roads and highways, or more housing assistance. Every

Houstonian will benefit from a complete count.

Experts estimate that more than $10,000 is lost every year for each person not counted!

The City of Houston and Harris County have partnered, along with Houston in Action to have a unified Complete Count Committee to make sure everyone is counted.

Visit **www.harrishoustoncounts.com** to get more information about the 2020 Census campaign. You can also sign up to collaborate with local groups and receive training to educate and promote the Census.
