

Brownfields Redevelopment Program
Public Works and Engineering Department

Application for Land Redevelopment Committee Member

General Information

The Land Redevelopment Committee (LRC) serves as an advisory body to the City's Brownfield Redevelopment Program. The LRC includes senior-level professionals with expertise in various disciplines related to property redevelopment and environmental matters.

The LRC typically meets bi-monthly on odd numbered months at 5:30 P.M. on the second floor of the Houston Permit Center, 1002 Washington Avenue. LRC meetings are open to the public and the participation of interested parties is encouraged.

Please included a current resume with this application form
