

# CONVENTION AND ENTERTAINMENT FACILITIES DEPARTMENT

## Description and Mission

The Convention & Entertainment Facilities Department operates the following funds:

- Facilities Operating Fund, Fund 8601
- Parking Management Operating Fund, Fund 8700

Using the Facilities Operating Fund, the Conventions & Entertainment Facilities Department operates and maintains the City's multi-purpose convention and entertainment venues. Showcasing these facilities is critical to attracting important conventions and cultural events to Houston. The Department takes pride in providing first-class services to our patrons in superior, well-maintained and operated facilities.

Near the end of FY2005, the department undertook the management and operation of the Miller Outdoor Theater, an open-air theater dedicated to presenting a wide variety of quality performances at no charge to the public. Revenues from the General Fund support the maintenance and operation of this property.

The Parking Management Division is the City's agency responsible for managing and providing on-street parking alternatives in the greater Houston area. It is the Division's goal to provide safe and sufficient parking to residents, businesses and guests. The Parking Management Operating Fund will begin fiscal year 2008 as an Enterprise Fund, 8700. A portion of the revenues generated in this new fund will be contributed to the General Fund.
