

PLANNING AND DEVELOPMENT

Department Description and Mission

The mission of the Planning and Development Department is to work with tools to provide community sustainability, development and the City's Geographical Information System (GIS).

Department Short Term Goals:

- o Continue to amend ordinances and polices as a result of the Planning Commission.
- o Develop a multi-model mobility plan.
- o Conduct community toolbox conference and related ordinances.

Department Long Term Goals:

- o Initiate/implement a regional addressing data sharing/exchange protocol/services.
- o Create seamless link between Development Review Coordination (DRC) and the Integrated Land Management System (ILMS) to better monitor development projects and provide improved public information.
- o Integrate popular mapping team data requests into My City web services and tools.

The following briefly describes the function of each Section in the Planning and Development Department:

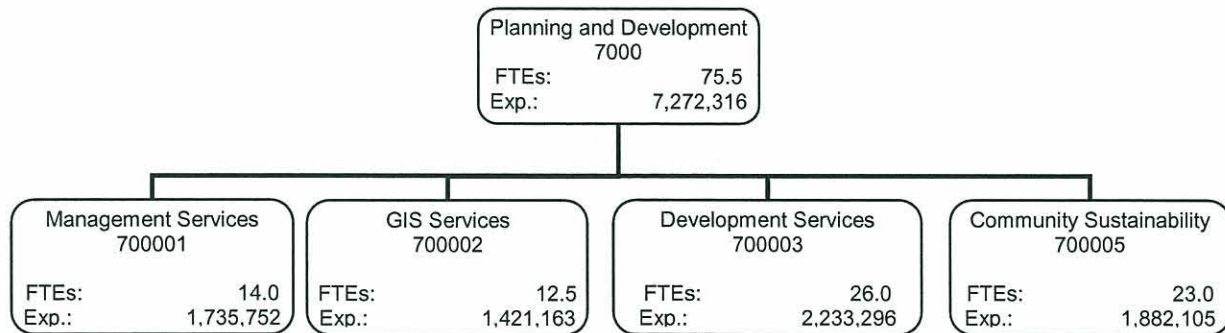

The Management Services Section support core functions of the Planning Department by providing internal administrative, financial and management support.

The Geographical Information Systems Services (GIS) Section serves the geospatial needs of the City of Houston across departments and among all staff and citizens.

The Development Services Section reviews development proposals for compliance with Houston's land development codes, (Chapter 42, towers, parking, landscaping, etc.) provides analysis, forecasting and the development of alternatives for moving people and goods through transportation planning.

The Community Sustainability Section facilitates the long term sustainability of Houston through community maintenance and development tools.
