Significant Budget Changes and Highlights	<ul style="list-style-type: none"> o In FY2009 City Council instituted the Drainage Supplemental Debt Service Fund for the purpose of funding additional long-term drainage initiatives. The program calls for an annual set aside of a pre-determined portion of ad valorem tax receipts, as approved by Council annually. With the passage of Proposition 1 on November 2, 2010 (Rebuild Houston) this set aside is being discontinued since the proposition requires the City to establish a dedicated pay-as-you-go drainage and street renewal fund. o Historically about two-thirds of the City's public improvement bonds, excluding annexed water district debt, have been issued for drainage and street projects. As a result of the passage of Proposition 1 (Rebuild Houston) the City expects to greatly reduce or eliminate the issuance of public improvement bonds for drainage and streets purposes starting on or about Fiscal Year 2012.
