Historic Preservation Fund, which is administered by Planning & Development (P&D) Department, was established to utilize funds set aside from the sale of historic fire stations by the City to promote historic preservation of residential and commercial programs. The program utilizes City funds as seed money to encourage private investment, attract grant funds, and support educational programs that will further preservation efforts in Houston.

This fund, administered by Houston Public Library (HPL), also provides future funding for the maintenance needs of the historic Julia Ideson Building. The building was re-opened to the public on December 5, 2011 after a four-year expansion and restoration project, made possible by a successful \$32 million capital campaign conducted by the non-profit Julia Ideson Library Preservation Partners.

The Fund was created to help ensure a high level of care for investment on restoration made by taxpayers, private contributors and a grant from National Park Service United States Department of the Interior. Rental revenues will be deposited into this fund and related expenses paid out of it. The net revenues will be available for the maintenance needs of the building. The Julia Ideson Building rental program was launched in November 2011 with the Julia Ideson Library Preservation as Partners. A special events manager was hired to work closely with the Houston Public Library and the Mayor's Office of Special Events.
