Cable TV (Fund 2401)

Operation of the Municipal Access Channel and its facilities is the responsibility of the Cable Communications Division of the Mayor's Office. The mission of the division is to effectively communicate to the public relevant information concerning municipal and related governmental and community services. The Cable Television Fund is supported through contributions of the cable television companies in Houston. The contributions are based upon a rate per subscriber and support public, educational, and municipal programming Houston.

Child Safety Fund (Fund 2209)

The Child Safety Fund was established to account for monies collected for public, parochial, and private school crossing guard programs. Revenues to the fund come from an assessment of a Municipal Court fee of \$5.00 on non-criminal municipal violations and an additional \$1.50 fee for each vehicle registration authorized by Harris County. If there is a surplus of funds, the City is allowed to keep 10% of the funds received for administrative fees. If a surplus exists after the payment of all covered contract expenses, the excess can be used to pay for programs designed to enhance child safety, health, or nutrition and administration costs of these programs.

Digital Houston Fund (2422)

EarthLink has been chosen by the City of Houston to build a citywide wireless broadband network, pending contract negotiations. The Wi-Fi mesh network will provide affordable high-speed Internet access for residents of and visitors to Houston. It will also enable municipal employees to work in the field without having to return to the office to use traditional landlines to complete their task. The fund will be necessary to receive payments from EarthLink and to allow the City to fund inclusion programs for low income and other individuals.

Houston Emergency Center (Fund 2205)

The City of Houston's Neutral Public Safety Answering Point is one of the thirty-seven answering stations in the appropriate emergency agency, such as police, fire, and ambulance services. Calls are also referred to Harris county agencies such as Juvenile Crisis Hotline., Poison Control and Emergency Management Operations. The City of Houston is reimbursed from the special district for salaries, fringe benefits and other operating expenses for the answering station.

Houston Transtar Center (Fund 2402)

Houston TranStar Center formerly known as the Greater Houston Transportation & Emergency Management Center. The Houston TranStar Center was built through a cooperative effort among the City of Houston, Harris County, Metropolitan Transit Authority (METRO) and the Texas Department of Transportation (TxDOT). The center houses personnel responsible for and/or involved with transportation and emergency management planning and operations in the Houston/Harris County area. Funding for the center is received from each member agency and is prorated based on occupancy and use of center facilities.

Mobility Response Team Fund (Fund 2304)

The mission of the Mobility Response Team will be responding to and mitigating significant traffic congestion resulting from malfunctioning traffic signals, accidents, and other mobility issues throughout the City. The team is a partnership between the Police and Public Works and Engineering (PWE) Departments. Dedicated resources will be deployed 5:00 AM - 9:00 PM. They will specifically 1) respond to and mitigate acute traffic congestion throughout the City, 2) be dispatched via personnel at TranStar to identified areas, 3) Traffic Engineering staff will diagnose and provide solutions to operational and design problems, and 4) work together with PWE engineers to develop long term traffic management solutions.
