

Houston Emergency Center (Fund 2205)

The City of Houston's Neutral Public Safety Answering Point is one of the thirty-seven answering stations in the appropriate emergency agency, such as police, fire, and ambulance services. Calls are also referred to Harris county agencies such as Juvenile Crisis Hotline., Poison Control and Emergency Management Operations. The City of Houston is reimbursed from the special district for salaries, fringe benefits and other operating expenses for the answering station.

Houston Transtar Center (Fund 2402)

Houston TranStar Center formerly known as the Greater Houston Transportation & Emergency Management Center. The Houston TranStar Center was built through a cooperative effort among the City of Houston, Harris County, Metropolitan Transit Authority (METRO) and the Texas Department of Transportation (TxDOT). The center houses personnel responsible for and/or involved with transportation and emergency management planning and operations in the Houston/Harris County area. Funding for the center is received from each member agency and is prorated based on occupancy and use of center facilities.

Juvenile Case Manager Fund (2211)

The Juvenile Case Manager Fund was established under Article 45.056 of the Texas Code of Criminal procedure to assess a juvenile case manager fee for each defendant convicted of a fine-only misdemeanor offense and may only be used to finance the salary and benefits of the juvenile case manager. This is also a new budgeted fund in FY2009.

Mobility Response Team Fund (Fund 2304)

The mission of the Mobility Response Team will be responding to and mitigating significant traffic congestion resulting from malfunctioning traffic signals, accidents, and other mobility issues throughout the City. The team is a partnership between the Police and Public Works and Engineering (PWE) Departments. Dedicated resources will be deployed 5:00 AM - 9:00 PM. They will specifically 1) respond to and mitigate acute traffic congestion throughout the City, 2) be dispatched via personnel at TranStar to identified areas, 3) Traffic Engineering staff will diagnose and provide solutions to operational and design problems, and 4) work together with PWE engineers to develop long term traffic management solutions.
