\*The 2011 Budget provides for the Rainy Day Fund to be included with the General Fund, resulting in a \$20 million increase in the General Fund's Budget. The 2012 Estimates includes Ordinance 2012-98 which designates \$2.72 million out of the General Fund fund balance as restricted in the event that DARLEP collections are not sufficient. This also includes the redesignation of \$5 million to the Rainy Day Fund.

\*\*A negative number in the Controller or Finance projections represents a gap between sources and uses of funds that was not included in the adopted budget. If this gap was not addressed by decreasing uses or increasing the sources of funds, it would require a drawdown of fund balance in order to balance the budget. A positive number represents a projected increase in fund balance.
