

## 2012 CIP Public Meetings Schedule

The City of Houston will conduct combined public meetings on the City's FY2012 Annual Operating Budget Capital Improvement Plan (CIP) and 2012 Annual Consolidated Plan. Since 1984, the City has held public meetings to obtain citizen input before preparation of the operating budget and capital improvement plan. These meetings provide citizens the opportunity to participate in the budget process by contributing comments and suggestions about needed services and improvements. The City of Houston will provide reasonable accommodations to citizens with disabilities/special needs upon request. Citizens are encouraged to call the Citizens' Assistance Office at 832.393.0955 for arrangements.
