Mayor Turner stated that he wanted to review some of the procedures for conducting the Virtual Public Session. He is requesting for Council Members to speak slowly and clearly because this

will help the City Secretary, the Closed Captioner and the General Public. After roll call, they established there was a quorum. If by chance, for example, they have to leave, just let them know on the chat screen if they are leaving temporarily or if they are leaving for the duration because otherwise, they will assume that Council Members are present. If they are making the motion or seconding a motion, they will need to state their name and their action clearly so they can have it down for the record. The Agenda Director will be monitoring the chat and will provide him their names. Please don't use the chat room just for chatting. Please mute themselves when they are not speaking and unmute themselves when they are recognized to speak. For the general public, in order to be recognized as a public speaker, they have to sign up for the meeting on Monday by 3:00 p.m. in the Office of the City Secretary and then they will call the speakers name in the order that they have signed up. When their name is called, press \*6 to unmute themselves. ### **MAYOR'S REPORT**

Mayor Turner stated that there are a lot of things that are happening this week. He wanted to speak about the incident that happened yesterday at the Marriott Marquis. To be very clear, that was not random. That was a relationship between those two and there seemed to be a history of domestic violence cases in that situation. The percentage of domestic violence cases has gone up. It's close to about 40%. He wants to encourage people to reach out for help. There is a record number of pediatric COVID cases in Texas hospitals and that's a serious situation. Then we had an employee from the Fire Department, Engineer Operator Tanner G. Reed, who succumbed to COVID complications. He worked out of Station 10 and he had been with the Fire Department since 2003. He is the fourth line of duty death due to COVID. Then also over the weekend, we had another person in the Permitting Center who died with COVID complications. As of yesterday, we have 342 City employees with COVID-19; 161 municipal employees, HPD had 129 and the Houston Fire Department had 52. With seeing these numbers, we have been above 300 for quite some time and simply continuing to move forward and reporting the numbers is not enough. As of today, he will be signing an executive order. What that executive order will say is that on a bi-monthly basis (1<sup>st</sup> and the 15<sup>th</sup> of every month), all employees must report on their testing. There are certain exemptions. If it's for religious or medical reasons or if you are fully vaccinated, they need not go through this bi-monthly testing. HR will be working out the protocols and this policy will take in effect 30 days from today. It does not apply to elected officials or appointed officials of Council, Boards or Commission but everybody else, it does cover. Failure to adhere to the policy will result in disciplinary action and could even cost you your job. The first reporting will be October 15, 2021. Later today, the Houston Public Library, the Library

Foundation and members of the Bush Family will hold a ribbon cutting for the new Barbara Bush Literacy Plaza and he hopes that Council Members will be able to attend. Mrs. Bush dedicates her life to public service after nearly three decades focused on the cause of literacy. Before she passed away, Mrs. Bush accepted naming the Downtown Houston Library Plaza in her honor in November 2016. Tomorrow from 7:00 a.m. to 1:00 p.m., the City of Houston will hold a food and supply donation drive for the people in Louisiana. There is still a tremendous need. We were asked by the New Orleans Emergency Management Office to send non-perishable food, diapers, baby food, water, pet food, hygiene items, roofing supplies and cleaning materials. This drive will take place on McKinney Street, next to City Hall. You don't even have to get out of your vehicles. You can drive by and drop the items off. He wanted to thank A-Rocket Moving. They will be providing the trucks and will be taking the items to Louisiana on Friday and Saturday. The 20<sup>th</sup> anniversary of 9/11 will be Saturday and the City of Houston will join with the Houston Downtown Management District and the Lauren Kotuzi Grandcolas Foundation to hold a commemoration ceremony on Saturday in Market Square Park. The City of Houston will never forget the tragic circumstances of September 11<sup>th</sup> and we continue to mourn the 2,983 people killed inside the World Trade Center, the Pennsylvania Field and the Pentagon.

**At 9:34 a.m., Mayor Turner requested the City Secretary to call the list of speakers**

ROSA ALVARADO – 151 Northline Dr. – 77060 – 281-704-6626 – Union Recognition at the Airport – **(Teleconference). NOT PRESENT**

**#1** - DONNA BROWN – 6507 Laura Koppe – 77016 – 713-249-4334 – Construction in front of property/Driveway/Right-of-way – **(Teleconference)**.

**#2** - CALVIN MILLER – 12911 Fenland Field Ln. – 77047 – 713-303-4539 – Sunnyside Park – **(In Person)**.

Mayor Turner stated to Mr. Miller that he knows that there are some things that are playing out at Sunnyside Park, in terms of the field and even some things as it relates to the facility. He knows that there are others who are out there interested in working to make some improvements at Sunnyside Park. It's certainly on our radar. A lot will be limited because of the finances. Initially we were planning on putting that Multi-service Center at Sunnyside Park, but people didn't want that. So, the \$25 or \$26 million is being spent right down the street for the Sunnyside Multi-service Center. Initially there was a plan to refurbish that whole area but the community didn't want the Multi-service Center to be right there at the Sunnyside Park. He knows that there are plans, like CenterPoint Energy and some others, in the complete communities. So, there are some things that will be done in Sunnyside Park but in terms of the bigger, overall improvements that Mr. Miller was speaking about, that is a big ticket item.

Members of Council commented on Mr. Miller's statement.

MIKE FLEIFEL – 1308 W. Webster St. – 77019 – 832-706-0273 – In favor of RPP#011121-24-345/Parking – **(Teleconference). NOT PRESENT**

**#3** - KAREN ALLEN – Post Office Box 1222 – Missouri City, TX – 77459 – 832-883-9482 – Evictions – **(Teleconference)**.

Mayor Turner stated to Ms. Allen that Lone Star Legal Aid would be one of the resources that people can turn to, if they feel like they have been wrongly evicted or are in the process of being evicted.

ANNIE STOKES – 326 S. Jensen Dr., Apt. B2 – 77003 – 713-614-1569 – Elder abuse and homelessness – **(In Person). NOT PRESENT**

**#4** - JERALD BROUSSARD – 707 Masters Way – Humble, TX – 77339 – 281-433-8886 – Denying bail for use of a firearm – **(In Person).**

Mayor Turner stated to Mr. Broussard that would be the Texas Legislature. The City can't do anything and even the County can't do anything. In terms of denying someone's bail outright for possession of a weapon, that would be something that would have to be taken up with the Texas Legislature. Mr. Broussard asked that the recent changes to the bail system was changed on a local basis. Mayor Turner told him that it depends. There were changes made to the misdemeanor bail reform and that was done locally and approved by the Federal courts. With respect to the laws that was just recently passed dealing with placing restrictions on who could get bail and necessary information that needed to be provided to judges when they are assessing what bond to impose, that was the Texas Legislature.

Members of Council commented on Mr. Broussard's statement.
