For additional information contact: Daniel Pederson, 713-865-4507

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary): An ordinance setting a public hearing in accordance with Chapter 26, Texas Parks and Wildlife Code, authorizing and directing that notice of such hearing be given; stating in substance the form of such notice; finding and stating other matters relating thereto; and declaring an emergency.

Amount and Source of Funding: Not Applicable

SPECIFIC EXPLANATION: Kingwood Park (Parcel BY3-001) was acquired by the City of Houston in 2004 by purchase and consists of approximately 9.1206 acres. The City of Houston proposes to construct a new 2-story Public Library containing approximately 30,000 square foot of building space as well as several parking lots. After the City's construction of the library building, by a separate future City Council Action, the City will enter into an Inter-local Agreement with Harris County, Texas to operate the facility. The proposed library site (Parcel GY9-001) will utilize approximately 4.845 acres of the existing Kingwood Park and is the best location available to serve the citizens of the City of Houston and the residents of Harris County, Texas.

The Parks and Recreation Department has reviewed the proposed project and believes the construction of this library facility would benefit the public and will not negatively impact the users of Kingwood Park but will complement the park amenities.

Therefore, it is recommended City Council approve an ordinance setting a public hearing pursuant to the provisions of Chapter 26, Texas Parks and Wildlife Code, regarding the proposed construction of a Public Library in Kingwood Park.

LOCATION: The library will be located at the intersection of Bens Branch Drive and Bens View Lane. The project is located in Key Map Grid 337F.

SUGGESTED FORMAT FOR CITY COUNCIL PUBLIC HEARING

9:00 a.m., Wednesday, October 29, 2008

**City Council Chambers
City Hall, 901 Bagby, 2nd Floor, Houston, Texas**

Mayor: Call to order the Public Hearing on the proposed use of a portion of Kingwood Park ("Park") by the Houston Public Library Department (Library") to construct a new 2-story public library containing approximately 30,000 square feet and associated parking, which improvements require use of 4.845 acres of the 9.1206 acres of the Park.

Park Location in City Council District E, Mike Sullivan, Council Member

Legal Department: **John H. Liles, Jr.**, Senior Assistant City Attorney will present an overview of the Project and discuss the necessity for the public hearing. Written information will also be provided to assist the City Council in making the findings required by Chapter 26, Texas Parks and Wildlife Code, and representatives of the Harris County Public Library and the Houston Parks and Recreation Department will also offer comments on the Project.

THE FOLLOWING DEPARTMENTAL REPRESENTATIVES WILL
OFFER COMMENTS ON RELATED ISSUES AND BE AVAILABLE FOR QUESTIONS

HARRIS COUNTY PUBLIC LIBRARY

Rhoda Goldberg, Interim Director, Harris County Public Library, will describe the proposed library facility Project and the lack of any feasible or prudent alternative to the proposed partial use of the Park for the Library. Harris County Public Library will operate the library on behalf of the City of Houston.

HOUSTON PARKS & RECREATION DEPARTMENT

Joe Turner, Director, will describe the current state of development of the Park, the benefit of the enhanced use and enjoyment of the proposed library on the Park, and the efforts by the Parks & Recreation Department to minimize any potential harm on the use of the Park by the partial use for a library.

Public Speakers: Limited to three (3) minutes each.

Council Members: May ask questions or seek further explanation of the proposal.

Mayor: Close the Public Hearing.

SUMMARY OF THE PROPOSAL AND NECESSITY FOR PUBLIC HEARING

John H. Liles, Jr., Senior Assistant City Attorney, Legal Department, Real Estate Division

Joe Turner, Director, Houston Parks and Recreation Department and Rhoda Goldberg, Interim Director, Harris County Public Library, have requested the City of Houston construct a new 2-story public library on a portion of Kingwood Park.

Kingwood Park, a public park, consists of 9.1206 acres located within the City of Houston at 4404 Ben's View Lane(Key Map 337F), in Restrictive Reserve "B" of Kingwood Town Center, Section Three, John W. Asbury Survey, A-91, Harris County, Texas. The Park was acquired on January 12, 2004.

The parcel to be used for the new library consists of 4.845 acres to be used for the construction of a 2-story library containing approximately 30,000 square feet along with associated parking spaces.

This public hearing is being conducted as required under Chapter 26 of the Texas Parks & Wildlife Code (V.T.C.A. Parks & Wildlife §§ 26.001 *es seq*), which requires that the City Council, before approving such change of use of a portion of the Kingwood Park tract, hold a public hearing to determine:

1. Whether there is any feasible or prudent alternative to the proposed use or taking of a portion of Kingwood Park for the Project; and,
2. Whether the Project includes all reasonable planning to minimize harm to Kingwood Park as a park, recreation area, scientific area, wildlife refuge or historic site resulting from the proposed use or taking of a portion of said park for the proposed library.

Exhibit A - Texas Parks & Wildlife Code § 26.001

Joe Turner, Director, Houston Parks and Recreation Department

Although the site located at Ben's Branch Drive and Ben's View Lane is designated for use as a park, the Kingwood community is better served if the City develops a portion of the site for library services. The new 30,000 square feet library will replace an existing 12,000 square feet facility.

There is no surplus City land available in the Kingwood development to construct a larger library for services increasingly in demand by Kingwood and surrounding communities. The existing library located approximately 0.8 miles north of the proposed library will be converted into a community center to complement the services provided by the proposed library.

A leading architectural firm in Houston, Kirksey Architecture, has designed the new facility. Kirksey has designed several projects, locally and nationally, where environmental impact, energy efficiency and sustainability were major considerations in the design program. Kirksey will bring their green building expertise to the Kingwood Library design. The City plans to seek Silver Level LEED certification by United States Green Building Council.

The proposed library building is designed with a goal of minimizing the potential harm to the Park as a park and recreational area. Some of the points to be considered:

- The parkland is approximately 9.12 acres.
- The building footprint and paving for parking occupy 51,422 square feet or 1.52 acres. Approximately 3.33 acres is left open for future parking expansion, storm water detention pond, landscape preserve and for cultivation by the Kingwood Garden Club. Remaining 4.27 acres will be left undisturbed in the current natural state.
- Of the total site, approximately 75% is wooded and we will clear less than 5% for the building, thereby preserving 95% of the trees on the site.
- Most of the new development is in the existing cleared area.

As part of the LEED strategies, we will limit the construction area to 30 feet from the building footprint. Approximately 4.27 acres will remain as parkland for future development by Houston Parks & Recreation Department.

Exhibit B – Relative Locations of the New Kingwood Library and the Community Center

Exhibit C – New Library and Community Center Service Area

Rhoda Goldberg, Interim Director, Harris County Public Library

This opportunity for Harris County and the City of Houston to partner in the new library project will provide expanded library services to Kingwood and surrounding area residents. The community is also benefitted when the existing library building is renovated for use as a community center.

The 12,000 square foot Kingwood Branch Library that opened in 1983 is no longer enough to meet the growing demand for library service in the Kingwood Community. The new 30,000 square foot facility will provide space for more library materials, increase the number of public access computers from the current 28 to 127, increase public meeting and study space to include two large meeting rooms, a conference room, and five small study rooms.

The current location does not lend itself to easy expansion because of the limited site and the lack of available parking. The new site is easily accessible and will accommodate the proposed library with a minimum loss of trees. Parking is planned for a section of the property that does not have any trees. Future parking is also planned in areas with no trees. Use of the planned parking will facilitate accessibility to the remaining portion of the Park.

PARKS AND WILDLIFE CODE

CHAPTER 26. PROTECTION OF PUBLIC PARKS AND RECREATIONAL LANDS

Sec. 26.001. PROTECTED LAND; NOTICE OF TAKING. (a) A department, agency, political subdivision, county, or municipality of this state may not approve any program or project that requires the use or taking of any public land designated and used prior to the arrangement of the program or project as a park, recreation area, scientific area, wildlife refuge, or historic site, unless the department, agency, political subdivision, county, or municipality, acting through its duly authorized governing body or officer, determines that:

(1) there is no feasible and prudent alternative to the use or taking of such land; and

(2) the program or project includes all reasonable planning to minimize harm to the land, as a park, recreation area, scientific area, wildlife refuge, or historic site, resulting from the use or taking.

(b) A finding required by Subsection (a) of this section may be made only after notice and a hearing as required by this chapter.

(c) The governing body or officer shall consider clearly enunciated local preferences, and the provisions of this chapter do not constitute a mandatory prohibition against the use of the area if the findings are made that justify the approval of a program or project.

Added by Acts 1983, 68th Leg., p. 1035, ch. 235, art. 6, Sec. 2(a), eff. Sept. 1, 1983.

Sec. 26.002. NOTICE OF HEARING. (a) When any program or project requires notice and a public hearing before approval, the notice must be given in writing to the person, organization, department, or agency that has supervision of the land proposed to be used or taken.

(b) The notice must state clearly the proposed program or project and the date and place for the public hearing. The notice must be given at least 30 days before the date for the public hearing.

(c) Notice must also be given to the public by publishing a notice similar to that specified in this section once a week for three consecutive weeks. The last days of publication must not be less than one week or more than two weeks before the date of the hearing. The notice must be published in a newspaper of general circulation, which paper must be published at least six days a week in the county where the land proposed to be used or taken is situated.

(d) If there is no newspaper that qualifies under Subsection (c) of this section, the notice must be published in a qualifying newspaper that is published in any county adjoining the county where the land is situated. If there is no qualifying newspaper published in any adjoining county, then the notice must be published in a qualifying newspaper published in the nearest county to the county where the land is situated. If there is no qualifying daily newspaper published therein, the notice must be published in any newspaper of general circulation published in the political subdivision affected. If no newspaper is published in the political subdivision, the notice must be published in a newspaper published in the political subdivision nearest the political subdivision affected.

Added by Acts 1983, 68th Leg., p. 1035, ch. 235, art. 6, Sec. 2(a), eff. Sept. 1, 1983.

Sec. 26.003. LIMITATIONS ON JUDICIAL REVIEW. A petition for the judicial review of the approval or disapproval of a program or project under this chapter must be filed within 30 days after the approval or disapproval is announced, or the review is barred.

Added by Acts 1983, 68th Leg., p. 1035, ch. 235, art. 6, Sec. 2(a), eff. Sept. 1, 1983.

Sec. 26.004. EXCLUDED LANDS. A department, agency, board, or political subdivision having control of the public land is not required to comply with this chapter if:

(1) the land is originally obtained and designated for another public use and is temporarily used as a park, recreation area, or wildlife refuge pending its use for the originally designated purpose;

(2) the program or project that requires the use or taking of the land being used temporarily as a park, recreation area, or wildlife refuge is the same program or project for which the land was originally obtained and designated; and

(3) the land has not been designated by the department, agency, political subdivision, county, or municipality for use as a park, recreation area, or wildlife refuge before September 1, 1975.

Added by Acts 1983, 68th Leg., p. 1035, ch. 235, art. 6, Sec. 2(a), eff. Sept. 1, 1983.

Council Action:

RECOMMENDATION: (Summary) Establish a public hearing date regarding amendments to the Project a Financing Plan for Tax Increment Reinvestment Zone Number Nineteen (Upper Kirby Zone).

Amount of Funding: No Funding Required

Finance Budget:

SOURCE OF FUNDING:

☐ General Fund

☐ Grant Fund

☐ Enterprise Fund

☐ Other (Specify)

SPECIFIC EXPLANATION:

The board of directors of Tax Increment Reinvestment Zone Number Nineteen and the Upper Kirby Redevelopment Authority met and approved proposed amendments to the Project and Financing Plan for the Zone and have transmitted the proposed amendments to the City for City Council consideration. Per Section 311.011 of the Tax Code (the "TIRZ Act"), a public hearing must be held prior to adopting an ordinance approving the proposed amendments. The TIRZ Program recommends establishing a public hearing date of October 29, 2008. The proposed amendment would address the acquisition of land for the future development of a civic complex.

The Honorable City Council
City of Houston

Dear Council Members:

Pursuant to City Ordinance No. 1999-708 and of the Texas Tax Code Sec. 311.009, I am nominating the following individual to the Reinvestment Zone Number Fifteen, City of Houston, Texas (East Downtown Zone) Board of Directors, subject to Council confirmation:

Mr. Bryan B. Sánchez, appointment to Position Seven, for a term to expire July 6, 2009.

Pursuant to the bylaws of the East Downtown Redevelopment Authority, appointment of a director to the Board of Directors of this Zone will also constitute appointment of the director to the corresponding position on the Board of Directors of the Authority for the same term.

The résumé of the nominee is attached for your review.

Sincerely,

Bill White
Mayor

Kathryn Bruning

Phone: 713-837-9873

Date and identification of prior authorizing Council Action: 4-17-1996, Ord. 96-368

RECOMMENDATION: (Summary)

Adopt a 1,000-Foot Alcohol-Free School Zone for the SER-Ninos Charter School located at 5815 Alder pursuant to Section 109.33 of the Texas Alcoholic Beverage Code and section 3-2 of the Houston Code of Ordinances.

Amount of Funding: N/A

FIN Budget:

SOURCE OF FUNDING:

☐ General Fund

☐ Grant Fund

☐ Enterprise Fund

☐ Other (Specify)

SPECIFIC EXPLANATION:

The Department of Administration and Regulatory Affairs recommends that City Council Adopt an Alcohol-Free School Zone for the SER-Ninos Charter School located at 5815 Alder pursuant to Section 109.33 of the Texas Alcoholic Beverage Code and section 3-2 of the Houston Code of Ordinances.

Authorized by Texas law in 1995, charter schools are public schools that foster educational competition and offer parental choice in education. These schools have a significant amount of autonomy and are free to be innovative in educational and administrative practices. Charter schools receive the same per pupil expenditure for maintenance and operations as other Texas public schools, but they do not receive capital funding. Charter schools must accept all students who apply for admission as long as space is available. SER-Niños is a dual language open enrollment charter school serving students Pre K through 8th Grade in the heart of Houston's Gulfton community. A true dual-language school, the school provides students with half of their instruction in English and the other half in Spanish.

This request, which may be granted by City Council motion, would protect the school from the establishment of certain types of alcohol premises, such as bars and ice houses, within 1,000 feet of the school. Under controlling State law, the Zone would not extend to certain types of establishments such as package stores, grocery stores, and many restaurants and convenience stores. Similar protection has already been extended to numerous public schools within the City, to Incarnate Word, Academy, and to the Clay Road Baptist School. Any premises within 1,000 feet of the School that already holds a TABC permit would not be affected under the "grandfather" provisions of Section 109.59 of the Texas Alcoholic Beverage Code. The City of Houston Legal Department has determined that the request is in good order and the School is a public school which qualifies for creation of the Zone under the applicable State law.

REQUIRED AUTHORIZATION

IN Director:

SER-NIÑOS

CHARTER SCHOOL

Council Member Anne Clutterbuck
900 Bagby
Houston, Texas 77002
September 20, 2007

Dear Ms. Clutterbuck,

We are a public charter school serving students from Pre-Kindergarten to 8th grade. Due to the nature of our business, we are requesting that the city of Houston designate an Alcohol Free Zone for SER-Niños Charter School, located at 5815 Alder Dr., in compliance with Texas Alcoholic Beverage Commission Code Section 109.33 and the Texas Education Code Section 38.007.

Your support in this matter is greatly appreciated. Thank you.

Sincerely,

A handwritten signature in dark ink, appearing to read "Ray Driscoll".

For additional information contact: Nancy P. Collins Phone: (713) 837-0881  Senior Assistant Director-Real Estate		Date and identification of prior authorizing Council Action:	
RECOMMENDATION: (Summary) It is recommended City Council approve a Motion authorizing the abandonment and sale of Las Palmas Street right-of-way and a 10-foot-wide water line easement, located between West Main Street and West Alabama Street, in exchange for the conveyance to the City of a 65-foot-wide utility easement, out of the A.C. Reynolds Survey, Abstract 61. Parcels SY8-061A, SY8-061B, and VY8-052			
Amount and Source of Funding: Not Applicable			
SPECIFIC EXPLANATION: Lars E. Monson of Brown & Gay Engineers, Inc., 10777 Westheimer, Suite 400, Houston, Texas 77042, on behalf of Willowick Place at River Oaks, L.P., a Delaware limited partnership (Willowick Place at River Oaks GP, LLC [Fredrick R. McCord, President], General Partner), requested the abandonment and sale of Las Palmas Street right-of-way and a 10-foot-wide water line easement between West Main Street and West Alabama Street, in exchange for the conveyance to the City of a 65-foot-wide utility easement, out of the A.C. Reynolds Survey, Abstract 61. Signs notifying the public of the pending street abandonment application were posted for at least thirty days. Willowick Place at River Oaks, L.P., the abutting property owner, plans to combine the property being abandoned and sold with its adjacent property for the future development of a single family residential community. The City will require an agreement whereby the City's interest in the land area formerly occupied by the Las Palmas Street right-of-way will revert to the City in the event that the project is not developed as substantially presented to the community. A binding assurance agreement will be executed by the developer agreeing not to replat Willowick Place at River Oaks subdivision to increase the number of single-family residential lots beyond sixty-two for a period of five years from the effective date of the Ordinance abandoning Las Palmas Street. The agreement will also include a provision that the developer, its successors or assigns, will construct the private utilities within the development in compliance with the City of Houston Design Manual with maintenance of such utilities being the responsibility of the developer, homeowners, and/or homeowners' association (HOA), with the City having the right in the future to enter into a contract to maintain the utilities within the subdivision should the HOA default on such maintenance obligations or cease to exist. This transaction is Part One of a two-step process in which the applicant will first receive a City Council authorized Motion acknowledging the concept of the subject request. Upon the applicant satisfactorily completing all transaction requirements including those enumerated below, the Department of Public Works and Engineering will forward a subsequent recommendation to City Council requesting passage of an Ordinance effecting the abandonment and sale. The Joint Referral Committee reviewed and approved this request. Therefore, it is recommended: 1. The City abandon and sell Las Palmas Street right-of-way and a 10-foot-wide water line easement, located between West Main Street and West Alabama Street, in exchange for the conveyance to the City of a 65-foot-wide utility easement, out of the A.C. Reynolds Survey, Abstract 61. 2. The applicant be required to manage the trees currently within the Las Palmas Street right-of-way, and which will be located within private property upon passage of the Ordinance abandoning the street, similar to trees located within public right-of-ways and subject to the applicable provisions of Chapter 33 of the Houston Code of Ordinances.

--------------	--	------------------------------	-------------------------------------

3. The applicant be required to construct the streets within the new development in accordance with Chapter 42 of the Code of Ordinances.
4. The applicant be required to install fire hydrants in accordance with Chapter 42 of the Code of Ordinances.
5. The applicant be required to: (a) cut, plug, and abandon the 8-inch water main located within the 10-foot water line easement from the Las Palmas right-of-way to its terminus and pay the depreciated value for the water main and fire hydrant; (b) cut, plug, and abandon the 8-inch water line in the Las Palmas Street right-of-way from West Main Street to West Alabama Street; and (c) construct a new, dual purpose fire/water line within the proposed 65-foot-wide utility easement. All of the above items must be done at no cost to the City and under the proper permits.
6. The applicant be required to obtain a letter of no objection from each of the privately owned utility companies for the street right-of-way being abandoned and sold.
7. The applicant be required to prepare drawings that show all public utilities and streets that are abandoned, relocated, and constructed as part of this project and submit drawings to the Office of the City Engineer for plan review and approval. A copy of the Motion shall be attached to the plan set when it is submitted for plan review.
8. The applicant be required to eliminate the appearance of the public street at the intersection of Las Palmas Street and West Alabama Street and at the intersection of Las Palmas Street and the north side of West Main Street.
9. The applicant be required to coordinate with CenterPoint Energy to remove the existing street lights along Las Palmas Street.
10. The applicant be required to remove and return City traffic signs and poles to the Traffic Operations Center located at 2200 Patterson, Houston, Texas 77007.
11. The applicant be required to execute a binding assurance agreement that will not allow the replat of the Willowick Place at River Oaks subdivision to increase the number of single-family residential lots beyond sixty-two for a period of five years from the effective date of the Ordinance abandoning Las Palmas Street.
12. The applicant be required to install a 911 gate and 911 box at the West Main Street entrance and to install a 911 box at the West Alabama Street entrance.
13. The applicant be required to furnish the Department of Public Works and Engineering with a durable, reproducible (Mylar) survey plat and field notes of the affected property.
14. The Legal Department be authorized to prepare the necessary transaction documents.
15. In as much as the value of the City's property interest is expected to exceed \$1,000,000.00, the Director of Public Works and Engineering recommends City Council appoint the following two independent appraisers, Gary Brown and Samuel Jarrett, Jr.

RECOMMENDATION: (Summary)

Approve the purchase of a maintenance agreement for McAfee virus check software in the total amount of \$266,952.00 through the City's Master Agreement with the Texas Department of Information Resources (DIR), for the Information Technology Department.

Awarded Amount: \$266,952.00

Finance Budget

\$266,952.00 - Central Service Revolving Fund (1002)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve the purchase of a 24-month maintenance agreement for McAfee virus check software in the total amount of \$266,952.00 through the City's Master Agreement with DIR for the Information Technology Department, and that authorization be given to issue a purchase order to DIR's Go Direct Vendor, SHI Government Solutions, Inc., a certified State of Texas Historically Underutilized Business.

This is a renewal of the City's enterprise (citywide) McAfee Active Virus Defense software for 14,000 nodes. The McAfee software has been utilized for over three years to protect desktops and servers from virus and worms. This maintenance agreement will allow the Information Technology Department (ITD) personnel to continue to receive software updates and support (Prime Support Priority Plus) to protect against and remedy new virus attacks through October 30, 2010.

Under the terms of this agreement, the vendor will be required to provide:

- Access to the latest version of software, as well as, all service packs and patches for 14,000 nodes
- After hours technical support via telephone, e-mail and an extended website

RECOMMENDATION: (Summary)

Approve an award to Reliance Label Solutions, Inc. on its low overall bid in an amount not to exceed \$137,250.00 for library card printing for the Library Department.

Estimated Spending Authority: \$137,250.00

Finance Budget

\$137,250.00 General Fund (1000)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an award to Reliance Label Solutions, Inc. on its low overall bid in an amount not to exceed \$137,250.00 for library card printing for the Library Department. It is further requested that authorization be given to make purchases, as needed, for a 36-month period, with two optional one year extensions. This award consists of barcoded synthetic standard library cards and computer use only library cards with preprinted barcodes and adhesive barcode labels to be used by the Department to affix to books, compact disc, DVDs, books on CD, kits, cassette tapes and videotapes.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Four prospective bidders downloaded the solicitation document from SPD's e-bidding website, and four bids were received as outlined below:

COMPANY

RECOMMENDATION: Authorize issuance of purchase order in the amount of \$1,592,137.00 to Action Target, Inc. through the State of Texas Building and Procurement Commissioner's Contract (TXMAS) for the purchase of mobile target systems and related appurtenances for the Houston Police Department.

Amount and Source of Funding: \$1,592,137.00 Police Consolidated Construction Fund (4504) - previously appropriated	Finance Budget:
---	------------------------

SPECIFIC EXPLANATION: On October 22, 2008, Ordinance No. 2008-932, City Council approved a First Amendment to a Construction Manager at Risk Contract with Gilbane Building Company for the construction of a new Tactical Training and SWAT Rifle Range, and appropriated \$3,598,010.00. Of that amount, \$1,592,137.00 was allocated to Action Target, Inc., to procure target systems and related appurtenances, but the Motion was inadvertently omitted from the Agenda.

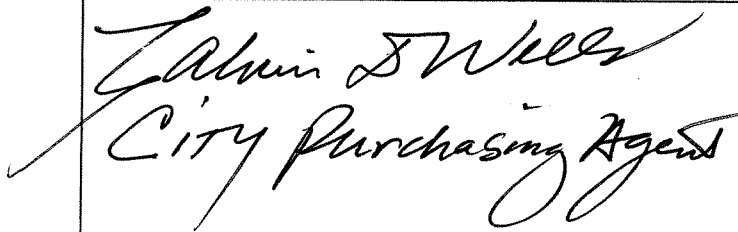

Therefore, the General Services Department recommends that City Council authorize the issuance of a purchase order in the amount of \$1,592,137.00 to Action Target, Inc. through the TXMAS contract.

PROJECT LOCATION: 17000 Aldine Westfield Road (373H)

PROJECT DESCRIPTION: Action Target, Inc. shall furnish and install mobile target systems, accidental discharge protection, bullet recovery system, and Range Master control booths as part of the construction of a new Tactical Training and SWAT Rifle Range for the Houston Police Department.

Approve the purchase of automated refuse containers (two-wheel carts) in the total amount of \$578,440.00 from the Texas Procurement and Support Services Contract for the Solid Waste Management Department.

Award Amount: \$578,440.00

Finance Budget

\$578,440.00 - General Fund (1000)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve the purchase of 10,500 automated refuse containers (two-wheel carts) from the Texas Procurement and Support Services Contract through the State of Texas Cooperative Purchasing Program in the total amount of \$578,440.00 for the Solid Waste Management Department, and that authorization be given to issue a purchase order to the State contract vendor, Toter, Incorporated. These automated refuse carts will be used citywide by the Department in its automated garbage collection program.

These new 96-gallon capacity automated refuse containers (two-wheel carts) will be issued to residential recycling customers participating in the Department's Pilot Single-Stream Recycling Program and to those customers requiring replacement carts for units that have been lost, stolen or damaged beyond repair. The new carts will come with a full ten-year warranty and the life expectancy is ten years.

Sections 271.081 through 271.083 of the Texas Local Government Code provide the legal authority for local governments to participate in the State of Texas Purchasing Program.

For additional information contact: Mark McAvoy Phone: (713) 837-0998 Mo Tarleton Phone: (713) 837-0122	Date and Identification of prior authorizing Council Action:
--	---

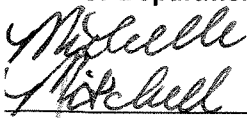

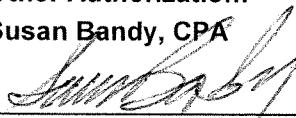

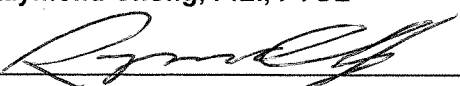

RECOMMENDATION: (Summary) Appropriate funds and approve the purchase of professional services from the General Services Administration (GSA) Schedule 70 contract through the Cooperative Purchasing Program in the total amount of \$112,667 for the deployment of the Infor 7i work and asset management system in the Traffic and Transportation Division.

AMOUNT OF FUNDING: \$112,667 from the Limited Use Roadway and Mobility Capital Fund (4034)  10/5/08

SPECIFIC EXPLANATION:

The Director of Public Works and Engineering recommends that City Council appropriate funds and approve the purchase of professional services from the GSA Schedule 70 contract through the Cooperative Purchasing Program under Section 211 of the Government Act of 2000 in the total amount of \$112,667, and that authorization be given to issue a purchase order to the GSA contractor, EMA Inc., to deploy PWE's Infor 7i application in the Traffic and Transportation Division. The Infor 7i system is presently utilized by Wastewater Operations and Water Production. The scope of this project includes the documentation of business rules, user training, and implementation support to allow Traffic and Transportation to effectively utilize the software. PWE already owns enough software licenses to add the Traffic and Transportation Division to the existing software framework with no additional requirements.

The Traffic and Transportation Division is responsible for the installation and maintenance of traffic control devices throughout the city—of which there are approximately 2,400 traffic signals, 900,000 traffic control signs, and millions of linear feet of street markings. Presently, Traffic and Transportation personnel utilize a variety of unconnected systems to manage information about these assets and the work performed on them. The implementation of the proposed work and asset management system will provide needed integration of vital information concerning these assets and better management of the maintenance efforts necessary to keep them operating safely and efficiently. Upon deployment of the work and asset management system, TTD personnel will have the capacity to effectively manage transportation assets throughout their lifecycle. Technicians will have the ability to send and receive updates to asset records and work activities in real time, which will streamline field operations and reduce duplicated efforts. Supervisors will have the ability to schedule work based on resource availability, defined maintenance cycles, potential community impact, asset value, etc. Managers will have the ability to better track and manage employee productivity, group performance, and budget planning. Ultimately, better management of these assets will lead to improved delivery of traffic management services to the community.

Phone: 713-837-9660
Phone: 713-837-9533

Date and identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve an Ordinance amending Article XII of Chapter 45 of the Houston Code of Ordinances relating to Bicycle Permits

Amount of Funding: N/A

FIN Budget:

SOURCE OF FUNDING:

☐ General Fund ☐ Grant Fund ☐ Enterprise Fund ☐ Other (Specify)

SPECIFIC EXPLANATION:

The Director of the Administration and Regulatory Affairs Department seeks approval of an ordinance that would amend Article XII of Chapter 45; repealing Division 2 of the said article, relating to bicycle permits.

The bicycle permit/license requirement, established in the Code of Ordinances in 1968, has been evaluated and determined to be outdated, not cost efficient, unenforceable and no longer necessary. Currently, Code dictates that all bicycle operators register their bicycles (at a cost of \$1.00) at any fire station within 20 days of the transfer of ownership. Houston Fire Department personnel then transfer lists of licensees to the Houston Police Department to be maintained in their database. Although the amount of bicycle permits issued monthly has risen in the past several months, our research concluded that an average of 120 permits are issued annually by the City of Houston.

We have concluded the following:

Fees Collected Do Not Offset the Costs

Bicycle licensing leads to excessive costs for minimal effectiveness. The cost of the City of Houston's Police and Fire Departments' personnel time of administering the licenses/decals and maintaining records of all licenses exceeds what is collected annually.

Bicycle Licensing Requirements are Difficult to Enforce

When comparing the amount bicycles (and frames) owned and operated throughout the City in relation to the licenses issued annually, owners' and operators' obedience of the license requirement is minimal.

Repealing the Bicycle License Ordinance will not affect any other COH Requirements Concerning Bicycles

The recommended repeal solely deletes the City's permitting-requirement for bicycle operators, owners and vendors and does not affect any other requirement, be it traffic or safety, the City provides for bicycle operators.

The Administration and Regulatory Affairs Department, with the support of the Houston Police Department, therefore recommend that City Council approve the repeal of the bicycle license requirement, as mandated in Division 2 of Article XII of Chapter 45 of the City of Houston's Code of Ordinances.

REQUIRED AUTHORIZATION

Finance Department

Other Authorization

Other Authorization

ARTICLE XII. BICYCLES

DIVISION 1. GENERALLY

Sec. 45-301. Authority to prohibit riding on roadways.

The traffic engineer is authorized to erect signs on any roadway prohibiting the riding of bicycles thereon and, when such signs are in place, no person shall disobey the same.

Sec. 45-302. Riding on sidewalks.

(a) No person shall ride a bicycle upon a sidewalk within a business district.

(b) The traffic engineer is authorized to erect signs on any sidewalk outside a business district prohibiting the riding of bicycles thereon by any person and, when such signs are in place, no person shall disobey the same.

(c) Whenever any person is riding a bicycle upon a sidewalk, such person shall yield the right-of-way to any pedestrian and shall give audible signal before overtaking and passing any pedestrian.

Secs. 45-303--45-310. Reserved.

DIVISION 2. RESERVED REGISTRATION

~~Sec. 45-311. Required:~~

~~— (a) It shall be unlawful for any person to operate a bicycle wholly or in part by muscular power within the city unless such bicycles is registered with the city as provided in this division.~~

~~— (b) Any person operating a bicycle which is owned by a nonresident of the city and which is currently licensed pursuant to the requirements of any other Texas municipality shall be exempt from subsection (a).~~

~~— (c) The term "operate" as used in this section shall mean to ride, walk with, park, stand, or be in possession of; excluded from the meaning of this term shall be in the possession of bicycles held for sale by one who engages in the business of the retail or wholesale sale of bicycles.~~

~~Sec. 45-312. Administration:~~

~~— The police department shall administer the provisions of this division except where hereinafter otherwise provided. The police chief or his authorized agent shall issue consecutively numbered books of bicycle licenses to the fire chief or his authorized agent.~~

~~The officer in charge of each fire station shall be responsible for registration, issuance of licenses or decals and the collection of moneys as provided for in this division.~~

~~Sec. 45-313. Procedures, fees, etc.~~

~~— Bicycles shall be registered at any fire station in the city pursuant to the following terms, conditions and requirements:~~

- ~~— (1) The bicycle shall be brought to the fire station.~~
- ~~— (2) A registration form provided by the city shall be filled out and signed by the owner of the bicycle.~~
- ~~— (3) A registration fee of \$1.00 shall be paid in advance.~~
- ~~— (4) As evidence of the completion of the above paragraphs, the city shall provide a decal or license plate which shall be permanently affixed to the bicycle according to specifications established by the police department. The city shall also furnish the owner with a registration card.~~

~~Sec. 45-314. Registration to be permanent until change of ownership.~~

~~— The registration of a bicycle shall be permanent so long as the ownership thereof remains in the person registering the bicycle. Upon any change of ownership, the bicycle shall be registered in the name of the new owner in accordance with the requirements of this division.~~

~~Sec. 45-315. Removal, destruction, etc. of manufacturer's serial number, license plate or license decal.~~

~~— It shall be unlawful for any person to willfully or maliciously remove, destroy, deface or alter the manufacturer's serial number on the frame of any bicycle, or the license plate or license decal applied or attached to any bicycle registered under this division, while such plate or decal is valid. Violation of this section shall be punished as provided by section 1-6 of this Code.~~

~~Sec. 45-316. Sale or transfer of ownership of bicycle.~~

~~— It shall be the duty of any person who sells or transfers ownership of any bicycle registered under this division to report such sale or transfer, within ten days thereof, to the police department of the city by returning the registration card together with the name and address of the person to whom the bicycle was sold or transferred. It shall be the duty of the purchaser or transferee of any bicycle to register same according to the provisions of section 45-313 of this Code, within 20 days of the sale or transfer.~~

Sec. 45-317. ~~Reports of bicycles permanently removed from operation.~~

~~Within ten days after any bicycle licensed under this division shall have been dismantled, destroyed or otherwise permanently removed from operation, such information shall be reported to the police department by the person in whose name the bicycle was last registered.~~

Sec. 45-318. ~~Monthly reports of dealers.~~

~~Every person engaged in the business of buying, selling, trading or otherwise exchanging new or used bicycle or bicycle frames shall make a monthly report to the chief of police of every bicycle or bicycle frame bought, sold, or otherwise acquired or transferred, giving the name and address of the person from whom acquired or to whom transferred, a description of such bicycle or bicycle frame by name or make, the manufacturer's serial number and the license number, if any, found thereon. Any violation of this section shall be punished as provided by section 1-6 of this Code.~~

Sec. 45-319. ~~Responsibility of parents or guardians; penalty.~~

~~It shall be unlawful for any person to commit, or for the parent or guardian of any minor to knowingly allow or permit their child or ward to commit any act forbidden by this division or to fail to do any act required by this division. Unless expressly provided otherwise in this division, a violation of this division shall be punishable by a fine of not more than \$5.00.~~

Secs. 45-311 320--45-324. Reserved.

DIVISION 3. BICYCLE HELMETS

Sec. 45-325. Definitions.

In this division the following words and terms shall have the meanings ascribed to them in this section, unless the context of their usage clearly indicates another meaning:

Child means any person under 18 years of age.

Dealer means any commercial establishment that sells or leases new or used bicycles, whether as its principal business activity or in connection with the selling or leasing of other merchandise, from a place of business within the city.

Fund means the bicycle helmet fund created under section 45-329 of this Code.

Helmet means a properly fitted bicycle helmet that is not structurally damaged and that conformed to the standards of the American National Standards Institute, the American Society for Testing and Materials, the Snell Memorial Foundation or any federal agency having regulatory jurisdiction over bicycle helmets, as applicable, at the time of the manufacture of the helmet.

Parent means the natural or adoptive parent or court-appointed guardian or conservator of a child.

Public way means any property that is publicly owned or maintained, including, but not limited to, a "street or highway" as defined in section 45-2 of this Code, a publicly maintained trail, and any public parks facility.

Wearing a helmet means that the person has a helmet fastened securely to his head with the straps of the helmet securely tightened.

Sec. 45-326. Helmet required.

(a) It is unlawful for any child to operate or ride upon a bicycle or any side car, trailer, child carrier, seat or other device attached to a bicycle unless the child is wearing a helmet.

(b) It is unlawful for a parent to suffer or permit a child under 14 years of age to operate or ride upon a bicycle or any side car, trailer, carrier, seat or other device attached to a bicycle unless the child is wearing a helmet.

(c) It is a defense to prosecution that the bicycle was not being operated upon a public way at the time of the alleged offense.

(d) It is an affirmative defense to prosecution under this section, upon first offense only, that the person owns or has acquired a helmet prior to the court hearing and promises the court that the helmet will be used in the future.

Sec. 45-327. Sale or lease of bicycles by dealers.

(a) It shall be unlawful for any dealer to sell a bicycle, bicycle side car, trailer or child carrier without providing a written statement to the purchaser advising of the terms of this division. The statement shall be in a form promulgated by the chief of police. Upon request, the chief of police shall provide a sample of the required form to a dealer. However, printing of distribution copies shall be at the dealer's expense.

(b) It shall be unlawful for any dealer to lease a bicycle to any person without providing a helmet for the use of each child who will operate or ride upon the bicycle or determining that each child who will operate or ride upon the bicycle has a helmet

available. The dealer may impose an additional fee for use of the helmet if the dealer sells or leases a helmet to the bicycle lessee.

Sec. 45-328. Penalty.

(a) Any person who violates any provision of this division shall be guilty of a misdemeanor and upon conviction shall be fined an amount not exceeding \$50.00 upon first conviction and an amount not exceeding \$100.00 upon the second and each subsequent conviction.

(b) The purpose of this division is to encourage the use of helmets. In keeping with that purpose, the municipal courts are urged to consider deferred dispositions under article 45.54 of the Texas Code of Criminal Procedure whenever the circumstances warrant deferred dispositions. Conditions of the deferral may include that the defendant, if financially able, has obtained a helmet and has agreed to make a contribution in support of the fund.

Sec. 45-329. Bicycle helmet fund.

(a) The bicycle helmet fund is hereby created. The fund shall accept donations of helmets and money to be used for the purchase of helmets. All monetary gifts to the fund shall constitute a trust that shall be deposited in the city's trust and agency account, which may be invested as provided in chapter 104 of the Texas Local Government Code.

(b) The fund shall be used exclusively for the purpose of providing bicycle helmets for the use of members of "very low income families" as defined in 24 Code of Federal Regulations, section 813.102, as computed for the city for purposes of section 8 of the United States Housing Act of 1937. The directors of the parks and recreation department and the health and human services department shall jointly administer the fund and shall promulgate rules and procedures for the distribution of helmets. Helmets shall be provided on a first-come-first-served basis to the extent of available supply.

Secs. 45-330--45-335. Reserved.

City of Houston, Texas, Ordinance No. 2008-_____

AN ORDINANCE AMENDING ARTICLE XII OF CHAPTER 45 OF THE CODE OF ORDINANCES, HOUSTON, TEXAS, RELATING TO BICYCLE PERMITS; CONTAINING FINDINGS AND OTHER PROVISIONS RELATING TO THE FOREGOING SUBJECT; PROVIDING FOR SEVERABILITY; AND DECLARING AN EMERGENCY.

* * * * *

WHEREAS, the Administrative and Regulatory Affairs Department (ARA) of the City of Houston has been tasked by the Mayor to create a One Stop Permitting Initiative in the City of Houston; and

WHEREAS, as part of such effort, ARA is currently evaluating every permit in the City to determine if they are necessary or enforced; and

WHEREAS, ARA has determined that the City's existing bicycle permitting program, as contained in Division 2 of Article XII of Chapter 45 of the Code of Ordinances, is one of the permits which is outdated, not cost effective, impossible to enforce, and no longer necessary, and therefore recommends the repeal of said program; **NOW, THEREFORE**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HOUSTON, TEXAS:

Section 1. That the findings contained in the preamble of this Ordinance are determined to be true and correct and are hereby adopted as a part of this Ordinance.

Section 2. That Division 2 of Article XII of Chapter 45 of the Code of Ordinances, Houston, Texas is hereby repealed.

Section 3. That, if any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of same to any person or set of circumstances, is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Ordinance or their application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Ordinance that no portion hereof or provision or regulation contained herein shall become inoperative or

fail by reason of any unconstitutionality, voidness or invalidity of any other portion hereof, and all provisions of this Ordinance are declared to be severable for that purpose.

Section 4. That there exists a public emergency requiring that this Ordinance be passed finally on the date of its introduction as requested in writing by the Mayor; therefore, this Ordinance shall be passed finally on such date and shall take effect immediately upon its passage and approval by the Mayor; however, in the event that the Mayor fails to sign this Ordinance within five days after its passage and adoption, it shall take effect in accordance with Article VI, Section 6, Houston City Charter.

PASSED AND ADOPTED this ____ day of _____, 2008.

APPROVED this ____ day of _____, 2008.

Mayor of the City of Houston

Pursuant to Article VI, Section 6, Houston City Charter, the effective date of the foregoing Ordinance is _____.

City Secretary

RECOMMENDATION: Approve an Ordinance amending Ordinance No 2007-287 and replacing 2007-1183 relating to the City of Houston Airport System Subordinate Lien Revenue Refunding Bonds, Series 2007A (AMT), which will now be called the City of Houston Airport System Senior Lien Revenue Refunding Bonds Series 2008A (the "Series 2008A Bonds"); authorizing the refunding and defeasance of certain outstanding Airport System Senior Lien Commercial Paper Notes, certain outstanding auction rate security ("ARS") bonds, certain outstanding variable rate demand bonds ("VRDB"), and certain outstanding Special Facility Revenue Bonds; authorizing the distribution of the Preliminary Official Statement, and proceeding with a negotiated sale of the Series 2008A Bonds, in an amount not to exceed \$705 million; including authorizing the Mayor and City Controller to approve the amount, interest rate, price and terms thereof, execute the purchase contract and other agreements related to the issuance of the bonds, and making other provisions regarding such bonds and matters incident thereto.				
Amount of Funding: N/A		Finance Dept Budget:		
Source of Funding: <input type="checkbox"/> General Fund <input type="checkbox"/> Grant Fund <input type="checkbox"/> Enterprise Fund <input type="checkbox"/> Other (Specify)				
SPECIFIC EXPLANATION:				
<p>On March 6, 2007, Council approved the parameter sale of up to \$450 million of Subordinate Lien Revenue Bonds for the Houston Airport System. This was comprised of the Subordinate Lien Revenue Refunding Bonds Series 2007A ("AMT") (the "Series 2007A Bonds") and the Airport System Subordinate Lien Revenue Refunding Bonds Series 2007B (the "Series 2007B Bonds"). The Series 2007B Bonds (non-AMT) in the amount of \$299 million were successfully priced on July 25, 2007, and closed on September 12, 2007. The City planned to price the Series 2007A Bonds on August 14, 2007, but the transaction was postponed by the City due to volatile and unfavorable credit markets conditions created by the initial emergence of the sub-prime issue.</p> <p>On October 23, 2007, Council again approved the completion of the sale of the 2007A Bonds, and approved the additional refunding of the Series 1997A Bonds that were not part of the original plan. The intent at that time was to return to the market and complete the sale of the Series 2007A as well as refund the Series 1997A Bonds in December 2007. Again, market conditions deteriorated in the lead up to the pricing and the deal was postponed.</p>				
REQUIRED AUTHORIZATION				
Finance Department Director:	Other Authorization:	Other Authorization:		

Date: 10/24/2008	Subject: An Ordinance authorizing the issuance of the City of Houston Airport System Senior Lien Revenue Refunding Bonds Series 2008A for the purpose of refunding certain Airport System Commercial Paper Notes, bonds and for certain other purposes; authorizing the distribution of the Preliminary Official Statement and proceeding with a negotiated sale of such refunding bonds.	Originator's Initials	Page 2 of 2
----------------------------	--	------------------------------	--------------------

This Ordinance will replace the Subordinate Lien Revenue Bonds of the prior ordinance with Senior Lien Revenue Bonds, which the Finance Working Group recommends due to current market conditions. This Ordinance will authorize the previously delayed refunding of:

- Outstanding Senior Lien Commercial Paper Notes (up to \$150 million), which will provide additional appropriation capacity and/or establish a construction fund, and
- The Airport Systems Special Facilities Revenue Bonds, Series 1997A (the "Series 1997A Bonds") (up to \$50 million). The City originally issued these bonds for an Automated People Mover system, with payment backed by a lease obligation from Continental Airlines. Subsequent to the debt issue, the airport system has assumed repayment of that special facility bond issue through a sublease. The original agreement included a provision stating that, in the event of such a sublease, the City would refund the Series 1997A Bonds when "economically advantageous" to do so. Including this refunding in the Series 2008A Bonds will enable the Series 1997A Bonds to be restructured from a 2017 final maturity to a 2030 final maturity, which is consistent with the average useful life of the asset.

In addition to these previously delayed refundings, the Finance Working Group recommends refunding:

- The Houston Airport System Series 2000P-1, P-2, 2002C, D-1 and D-2 Bonds into fixed rate bonds from ARS (up to \$345 million), and
- The Houston Airport System Series 2005A VRDB (up to \$95 million).

This Ordinance will also authorize bond proceeds up to \$65 million for contribution to the debt service reserve fund.

An update of the Series 2008A Bond transaction was presented to the Budget and Fiscal Affairs Committee on July 29, 2008 and reported out favorably. Subsequent to this presentation to Budget and Fiscal Affairs Committee, market conditions have once again deteriorated in the lead up to issuing the Series 2008A Bonds. This Ordinance will authorize the issuance of the Series 2008A Bonds in multiple transactions over the next year, each issuance being an amount that the Finance Working Group, in conjunction with our financial advisors, determines the market can reasonably place; the total of all such transactions not to exceed \$705 million. Given the current market turmoil, this authorization will provide the flexibility for the Finance Working Group to watch the financial markets closely and to move quickly to issue at least some portion of the bonds should the markets present a more favorable pricing opportunity.

The Finance Working Group recommends the bonds be sold by negotiation through a syndicate headed by JPMorgan as the Senior Book Running Manager; Citigroup Global Markets, Inc., and Ramirez as Co-Senior Managers; and First Albany, Loop Capital, Merrill Lynch, and Southwest Securities as Co-Managers. Vinson & Elkins, L.L.P. and Bates & Coleman, P.C. are recommended as co-bond counsel. Fulbright & Jaworski LLP and Escamilla & Poneck, Inc. are recommended as special disclosure co-counsel. Winstead, Sechrest & Minick are recommended as underwriters counsel. The recommended co-financial advisors are First Southwest Company and Estrada Hinojosa.

Recommendation – The Finance Working Group recommends the approval of this item.

Date and identification of prior authorizing Council Action: Ordinance No. 2008-616 (07/01/08)

RECOMMENDATION: (Summary)

Authorize an ordinance relating to the retail water and sewer rates of Southern Water Corporation; approving a rate increase and determining the rates that shall constitute the legal retail water and sewer rates of Southern Water Corporation within the City of Houston, Texas.

Amount of Funding: N/A

FIN Budget:

SOURCE OF FUNDING: ☐ General Fund ☐ Grant Fund ☐ Enterprise Fund ☐ Other (Specify)

N/A

SPECIFIC EXPLANATION:

The Administration & Regulatory Affairs Department recommends that City Council authorize an ordinance relating to the retail water and sewer rates of Southern Water Corporation; approving a rate increase and determining the rates that shall constitute the legal retail water and sewer rates of Southern Water Corporation ("Southern") within the City of Houston, Texas. Southern Water is a private investor-owned utility (IOU) providing water and sewer services to 1,286 water and sewer customers in the Hidden Valley Subdivision (City Council District B) under exclusive Certificates of Convenience and Necessity. Approximately 1,255 of these customers, or 98%, are residential customers with standard 5/8" meters. The City of Houston holds original jurisdiction over Southern Water's rates, operations and services subject to review by the Texas Commission on Environmental Quality (TCEQ).

On May 30, 2008, Southern filed an application to increase its water and sewer rates in the Hidden Valley Subdivision. Based on the information in Southern Water's Statement of Intent, Southern sought a \$400,455 combined system rate increase to offset its increased costs of service over the past 23 years since its last rate increase. TCEQ standards and guidelines allow for an IOU to set rates that will reasonably allow for a recovery of costs. Southern's application for increased water and sewer rates includes a requested rate of return of 12%, a capital structure comprised of 100% equity, and a requested rate increase on the combined water and sewer bill to the average residential customer of approximately 62.48%.

By Ordinance No. 2008-616, the City suspended the effective date of Southern Water's requested new rates for ninety days (from August 1, 2008 to October 30, 2008). During the suspension period, the City conducted three public meetings (July 9, 2008; July 10, 2008; and, July 29, 2008) for in-City customers of Southern Water on the subject of the requested rates and customer service concerns. During the public meetings, no customer service concerns were raised, and participants expressed general satisfaction with the quality of service and water quality in the service area. The utility is a family-owned operation, and the family members perform all necessary maintenance on the system. All repairs and upgrades are reportedly performed timely.

In addition to holding public meetings, the City engaged the assistance of water/sewer rate experts and a rate of return expert to assist in reviewing Southern's rate filing and preparing the City's final rate recommendation. In reviewing the rate filing, the City's experts characterized Southern's proposed water and sewer requested increases as excessive for the following reasons: (1) Southern's current and proposed rate design allocates the majority of the cost burden to residential customers; (2) unusually high cost of capital levels; (3) a capital structure comprised of 100% equity; (4) failure to recognize customer contributed capital associated with accumulated deferred federal income taxes; (5) reliance on excessive levels of depreciation expense; (6) inappropriate inclusion of rate case expenses in base rates; and (7) failure to include certain items of revenue in Other Revenues.

REQUIRED AUTHORIZATION

Date: 10/23/08	An Ordinance Relating To The Retail Water And Sewer Rates Of Southern Water Corporation; Approving An Increase to the Rates that Shall Constitute the Legal Southern Water Corporation Within The City Of Houston	Originator's Initials tp	Page 2 of 2
-------------------	---	-----------------------------	-------------

The City recommended rate design differs from that proposed by Southern Water in two aspects. First, it is recommended that no gallonage be included in the customer charge. In other words, customers will not be required to pay for usage that in fact is not used. This recommendation promotes conservation and is not to the detriment of Southern Water, as the Company will still be able to assess a combined water and sewer fixed customer charge of \$29.43 per month which allows it to collect approximately 50% of its revenue requirements. Secondly, an increasing customer charge is proposed for Sewer customers corresponding to increased meter size, thereby correcting the over-allocation of costs to the residential customers that Southern historically practiced.

The City's recommended rates decrease the magnitude of the increase to the residential rate payer to approximately 25% – rather than the 62.48% requested by Southern Water – based on an average consumption of 4,000 to 6,000 gallons per month, and re-allocates the cost burden to the approximately 22 larger commercial customers. As stated previously, the rates proposed by the City are based on no minimum gallonage. Following is a table showing the effects on residential customer bills, based on monthly consumption from 1,000 to 30,000 gallons, with a comparison to City of Houston customer bills and Southern Water's requested rates. Note: there are also two, 3"-meter sewer customers (one school with two meters – each meter will experience an increase of approximately \$160 per month) and 20 (19 sewer), 2"-meter customers who will realize an increase in their monthly bills of \$73 per month (based on 2,000 gallons of consumption). These rate increases are not depicted in the table below, which instead represents the impact to 98% of the customers in the service area.

City of Houston's Proposed Rates for Southern Water Effect on Customer Bills - Customers with 5/8" Meters and 3/4" Meters

--------------------------------	--	----------------------------------	------------------------

The total funds and sources and estimated number of persons to be served and the category of persons for the proposed Contract are as follows:

Total funds and sources: \$623,453.00

Estimated number of unduplicated youth to be served: 2000

Category of persons: Youth ages 6 to 21 of low and moderate income families

The Housing and Community Development Department recommends approval of a Contract to provide funding for the period August 1, 2008 – July 31, 2009 to ten (10) non-profit agencies. This Contract provides \$623,453.00 (\$163,837.00 for administrative costs associated with the cost of the program and \$459,616.00 for service providers). Ten (10) non-profit agencies (see attached list) were selected to receive funds for this program.

A Request for Proposal was released on October 16, 2007 to allow for agencies to submit their proposal(s) by December 14, 2007, with the anticipation of having all proposals received, reviewed, awarded funds and contracts prepared for the effective August 1, 2008.

Approval of this Ordinance is recommended.

RECOMMENDATION: (Summary)

Approval of an ordinance authorizing a Contract between the City of Houston ("City") and Healthcare for the Homeless-Houston, providing up to \$117,180, for the administration and operation of Project Access, which offers transportation services to homeless individuals and families seeking health care and supportive services.

Amount of Funding: \$117,180.00**Finance Budget:**

SOURCE OF FUNDING [] General Fund [X] Grant Fund [] Enterprise Fund [] Other (Specify)

CDBG Grant Fund (5000)

SPECIFIC EXPLANATION:

The Housing and Community Development Department ("HCDD") recommends approval of a Contract between the City of Houston and Healthcare for the Homeless-Houston for the operation of Project Access to provide necessary transportation services for homeless individuals and families seeking health care and supportive services. Healthcare for the Homeless-Houston ("HHH") is a nonprofit corporation organized by a strategic alliance of local service providers whose mission is to promote health, hope, and dignity for Houston's homeless through accessible and comprehensive care. Since the program's implementation in August 2003, HHH has provided transportation services to thousands of homeless individuals. Project Access has been featured on an ABC affiliate and its story released for national distribution regarding the program's success. Healthcare for the Homeless-Houston desires to continue this project.

All programs and services are available free of charge to homeless individuals in Houston and Harris County. HHH has serviced more than double their proposed unduplicated number of 1500 homeless individuals, during the 2007 to 2008 contract. This agreement will provide \$117,180 and a 12-month contract. HHH is proposing to provide these services to 2,580 unduplicated individuals/25,800 trips annually.

Total Funds and Services: \$117,180

Number of Persons Served: 2,580

Category of Persons: Homeless persons and families

The Housing and Community Development wish to ask for your favorable vote.

Daniel Pederson, 713-865-4507**Date and Identification of prior authorizing Council Action:****RECOMMENDATION: (Summary):**

Adopt an ordinance and authorizing a subaward agreement between the City of Houston and Baylor College of Medicine (BCM) to participate in the "Healthy Kids-Houston" Obesity Prevention Research Project.

Amount and Source of Funding:**Houston Parks and Recreation Department:** \$ 109,205 (To be reimbursed by Baylor College of Medicine/USDA grant funds) -**Baylor College of Medicine:** \$ 297,198**TOTAL PROJECT (Year One):** \$ 406,403**Budget:****SPECIFIC EXPLANATION:**

The Houston Parks and Recreation Department (HPARD) proposes to collaborate with Baylor College of Medicine on a four-year research project called Healthy Kids-Houston (HKH). The project aims to test the effectiveness of a free community-based program offered at parks and recreation community centers to reduce obesity among minority children ages 9 to 13. The HKH project will commence in January 2009 at three community center sites: Sunnyside, Denver Harbor, and Mason. Three additional HPARD sites will be involved as control sites.

The United States Department of Agriculture is providing federal funds to Baylor College of Medicine to implement the HKH project. HPARD's share of reimbursable program costs for year one is \$109,205. The proposed contract will allow Baylor College of Medicine to reimburse HPARD expenses from the USDA grant.

DIRECTOR'S SIGNATURE: 		Council District affected: B, E & I		
For additional information contact: Eric R. Potts  Phone: 281-233-1999 Monica R. Newhouse  281-233-1973		Date and identification of prior authorizing Council action:		
AMOUNT & SOURCE OF FUNDING: REVENUE: FAA Airport Improvement Program Grant \$18,250,000.00 – Entitlement funds \$10,000,000.00 – Entitlement funds, LOI \$12,750,000.00 – Discretionary funds, LOI \$34,000,000.00 - Potential Discretionary funds \$75,000,000.00 Total		Prior appropriations:		
RECOMMENDATION: (Summary) Enact an ordinance authorizing the Mayor to accept FAA AIP grant offers up to \$75,000,000 for pending FAA AIP grant applications and potential discretionary funds for Federal Fiscal Year (FFY) 2009.				
SPECIFIC EXPLANATION: Preliminary notification from the Federal Aviation Administration (FAA) indicates that the Houston Airport System's (HAS) allocated share of entitlement and Letter of Intent (LOI) grants for Federal Fiscal Year (FFY) 09 is approximately \$41,000,000.00. Entitlement grant funds will pay for airfield, taxiway, and runway improvement projects at George Bush Intercontinental Airport/Houston (IAH), William P. Hobby Airport (HOU) and Ellington Field (EFD). Grant applications for entitlement and LOI funding will be forwarded to the FAA Southwest Region office for action. For FFY09, the FAA LOI commitment is \$22,750,000.00 which is split into a discretionary grant of \$12,750,000.00 and an entitlement grant of \$10,000,000.00. These LOI funds reimburse HAS for a portion of the costs associated with the New North Runway 8L-26R (Project No. 522, CIP A-0304 & CIP A-0444) at IAH. The FAA has initially programmed discretionary funds to fund HOU Project 462 (CIP A-0514) Rehab Runway 4-22, a Noise Abatement Program grant and a Voluntary Airport Low Emission Program grant. The exact amount and availability of this funding is unknown. The FAA has indicated a potential exists for additional discretionary funds to become available in FFY09 FAA final disbursement of discretionary funds near the end of September 2009. Approval to accept the FFY09 discretionary grants in advance enables HAS to react quickly and take advantage of any additional FAA funding if it becomes available.				
REQUIRED AUTHORIZATION				
Finance Department:		Other Authorization:		Other Authorization:

Date: October 7, 2008	Subject: Authorization for Mayor to accept FAA AIP Grant offers up to \$75,000,000 for projects at George Bush Intercontinental Airport /Houston (IAH), William P. Hobby Airport (HOU) and Ellington Field (EFD).	Originator's Initials KBG	Page 2 of 2
---------------------------------	--	---	-----------------------

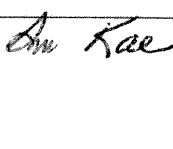

Approval of this ordinance authorizes the Mayor to accept grant offers for the City within the shortened time and assures that HAS can receive and utilize all available FAA Funds. Therefore, HAS is requesting authorization for the Mayor to accept grant offers in a cumulative amount up to \$75,000,000.00.

RECOMMENDATION: (Summary) Enact an ordinance approving and authorizing the execution of Amendment No. 1 to a Lease Agreement between the City of Houston and Vanguard Car Rental USA Inc. at William P. Hobby Airport (HOU).				
SPECIFIC EXPLANATION: <p>On September 1, 1999, the City approved Lease Agreement No. 50814 with National Car Rental System, Inc. (National), effective June 15, 2000, in which National leased unimproved land at 7800 Airport Boulevard at William P. Hobby Airport (HOU) for the construction and continued operation of a service center and maintenance facility to be used in connection with its automobile rental concession at HOU. National was required to make improvements to the leased premises which National subsequently made. Pursuant to order of the Bankruptcy Court, National assigned all its rights, title, and interest in and to the leased premises to Vanguard Car Rental USA Inc. (Lessee) in 2003. Lessee now requests to amend the Lease Agreement to adjust, based on a completed lease survey, the service center and maintenance facility square footage area, and to add to the leased premises an adjacent area to be used as an automobile parking lot in consideration for Lessee paying an increased rental rate and other lease modifications.</p> <p>The pertinent terms and condition of this Amendment are as follows:</p> <ol style="list-style-type: none">1. Term: Effective on countersignature the term remains unchanged, ending June 14, 2015. Should Lessee lose its concession operating rights under a separate agreement with the City, effective January 23, 1995, or any subsequent automobile rental concession agreement, the Director shall have the right to terminate the Lease Agreement contemporaneously therewith.2. Leased Premises: Service center and maintenance facility: approximately 218,332 square feet of unimproved land (in 1999 estimated to contain approximately 213,444 square feet of unimproved land), and

DIRECTOR'S SIGNATURE: Issa Z. Dadoush, P.E. 	Council District(s) affected: C		
For additional information contact: Jacquelyn L. Nisby Phone: 832-393-8023	Date and identification of prior authorizing Council action:		
RECOMMENDATION: Approve a Purchase and Sale Agreement between American Opportunity for Housing - Concord at Williamcrest, LLC (Seller) and the City of Houston (Purchaser) for the purchase of 10.8243 acres of land located at 11000 South Gessner, consisting of Tracts 3, 23, and 33A, J.M. Bartlett Survey, Abstract #152, Houston, Harris County Texas, for the Parks and Recreation Department, and appropriate funds.			
Amount and Source Of Funding: \$300,000.00 Equipment Acquisition Consolidated Fund (1800)		Finance Budget: 	
SPECIFIC EXPLANATION: The Houston Parks Board (HPB) has partnered with the Houston Parks and Recreation Department (HPARD) to purchase 10.8243 acres of land located at 11000 South Gessner for the expansion of Marian Park. The additional land acquisition will expand the park from 19.51 acres to 30.33 acres and will enable HPARD to provide a host of wellness, recreation and afterschool activities for the neighboring schools, including but not limited to Valley West Elementary, Welch Middle School and Westbury Christian High School. Marian Park is heavily used by the community and the current park space cannot facilitate these additional activities. The City will contribute \$300,000.00 out of the Equipment Acquisition Consolidated Fund towards the purchase price of \$518,470.00, and HPB has committed to fund the remaining \$218,470.00 of the purchase price. Therefore, the General Services Department recommends that City Council approve and authorize a Purchase and Sale Agreement with American Opportunity for Housing - Concord at Williamcrest, LLC to purchase Tracts 3, 23, and 33A, located at 11000 South Gessner, and authorize the Mayor to execute and the City Secretary to attest all documents necessary to affect this transaction. An Ordinance be passed approving and authorizing the PURCHASE of Parcels CY3-009A and CY3-009B

Amount and No additional funding required (covered under Blanket**Source of Funding:** Appropriation Ordinance 2005-1102 R-000019-00RE-2-01

Water and Sewer System Consolidated Construction Fund 8500)

SPECIFIC EXPLANATION:

The ALMEDA SIMS WASTEWATER TREATMENT PLANT EXPANSION AND BUFFER ZONE PROJECT provides for construction of a new Biosolids Handling Facility. The existing facility has exceeded its design life and is not cost effective to continue to operate and maintain. The City desires to acquire Parcel CY3-009A consisting of 9.617 acres and improvements thereon in fee and to establish a buffer zone easement on Parcel CY3-00B consisting of 4.047 acres. Both parcels are out of a 30.876-acre tract located at 12317 Alameda Road.

PURCHASE:

The owner has accepted the City's offer to purchase the property for a consideration of \$1,866,777.00 for the fee parcel and \$185,101.00 for the buffer zone easement. The City's offer was based on an appraisal completed by Scott S. Stephens, MAI, Independent Fee Appraiser. These valuations were reviewed and recommended for approval by a senior staff appraiser of this department. The breakdowns are as follows:

Parcel CY3-009A (Fee)

418,917 square feet @ \$1.40	\$ 586,484.00®
Improvements	\$ 596,532.00®
Relocation of existing utilities.....	\$ 683,761.00®
Total Consideration.....	\$1,866,777.00
Title Policy/Services	\$ 10,270.00
Total Amount.....	\$1,877,047.00

Other Authorization:

Andrew F. Icken
Andrew F. Icken, Deputy Director
Planning and Development Services Division

Date	SUBJECT: PROPERTY: PURCHASE of Parcels CY3-009A and CY3-009B located at 12317 Almeda Road for the ALMEDA SIMS WASTEWATER TREATMENT PLANT EXPANSION AND BUFFER ZONE PROJECT. WBS R-000298-0001-2-01 OWNER: Almeda Holdings, Ltd., a Texas limited partnership, Almeda Enterprises, Inc., a Texas corporation, general partner, William Plant, President	Originator's Initials	Page <u>2</u> of <u>2</u>
-------------	---	------------------------------	--------------------------------------

Parcel CY3-009B (Buffer Zone Easement)

176,287 square feet @ \$1.40 X 75%.....	\$ 185,101.00®
Total Consideration	\$ 185,101.00®
Title Policy/Services	\$ 1,950.00
Total Amount	\$ 187,051.00
GRAND TOTAL AMOUNT	\$2,064,098.00

It is recommended that an Ordinance be passed approving and authorizing the purchase of Parcels CY3-009A and CY3-009B, owned by Almeda Holdings, Ltd., a Texas limited partnership and authorizing the Mayor to execute and the City Secretary to attest a Purchase and Sale Agreement. Parcel CY3-009A contains 9.617 acres of land and improvements thereon and Parcel CY3-009B contains 4.047 acres of land and improvements thereon, in the James Hamilton Survey, Abstract 877; CY3-009A being the remainder of restricted Reserve "B", and CY3-009B being a portion of Restricted Reserve "A" and a portion of a 28-foot wide private road recorded in Volume 335, Page 105, both out of Almeda Industrial Park, according to the plat thereof recorded in Volume 335, Page 105 of the Harris County Map Records and being a portion of a called 30.876 acre tract of land described in a deed to Almeda Holdings, Ltd. recorded under Harris County Clerk's File T397956, Harris County, Texas according to City of Houston field notes.

MSM:NPC:mp
cc: Marty Stein

PARCEL VALUATION

Following is a breakdown of the consideration for Parcels CY3-009A and CY3-009B:

Parcel CY3-009A

LAND:

Parcel CY3-009A (fee)

418,917 square feet @ \$1.40\$ 586,484.00®

IMPROVEMENTS:

33,542 square feet of concrete paving @ \$2.25 X 60%\$ 30,187.80

89,500 square feet of asphalt paving @ \$1.00 X 60%\$ 35,800.00

1 Sign (on premise)\$ 5,000.00

1,780 linear feet of chain link fence @ \$8.00 X 40%\$ 8,544.00

Power and lighting system.....\$ 90,000.00

Barns and corrals\$ 15,000.00

Truck scale\$ 45,500.00

Detention credits *\$ 30,000.00

Storm Water Quality *\$ 39,000.00

Fire Protection System\$ 297,500.00

TOTAL IMPROVEMENTS.....\$ 596,532.00®

Relocation of existing utilities\$ 683,761.00®

TOTAL LAND AND IMPROVEMENTS.....\$1,866,777.00

* The value of drainage improvements, to meet federal storm water quality and flood control requirements, being conveyed with the portion of land acquired in fee that could have been utilized by the remainder portion to satisfy any future expansion and improvement requirements.

Parcel CY3-009B

LAND:

Parcel CY3-009B (easement)

176,287 square feet @ \$1.40 X 75% **\$185,101.00®

TOTAL CONSIDERATION\$185,101.00®

** The 4.047 acre (176,287 square feet) tract is considered to have the same unit value as the 9.617 acre (418,917 square feet) tract. However, the unit value must be discounted to reflect the easement rights being acquired versus the unit value representing the fee simple interest. In this instance, the easement interest is estimated to be 75% of the price per square foot of the fee value.

Council Action:

October 26, 2005

RECOMMENDATION: (Summary)

Approve a contract with John Hall Public Affairs, Inc. for consulting services related to environmental matters

Amount of Funding:

Maximum Contract Amount: \$378,000 (3 years)

Finance Budget

SOURCE OF FUNDING:

☒ General Fund

☐ Grant Fund

☐ Enterprise Fund

☐ Other (Specify)

SPECIFIC EXPLANATION:

John Hall has provided consulting services to the City since 1995 relating to environmental issues. His expertise in air and water quality and energy/electricity issues, particularly those relating to state and federal rules and regulations, adds an important dimension to the City's environmental programs. Mr. Hall will monitor state and federal regulatory matters, recommend actions to the City regarding pending legislation or rules, conduct research and produce reports on topics central to the City's air quality program, assist in maximizing funding opportunities through state and federal sources, attend hearings and meetings with or on behalf of the City, and assist the City in the development of policies, plans and programs regarding environmental quality including but not limited to the following:

1. State Implementation Plan for the Houston-Galveston-Brazoria region—research and advise on policy and technical issues concerning options for inclusion in the plan which will be filed in 2010, and updates, amendments, or other aspects of the plan thereafter.
2. Wastewater Treatment/Drinking Water Production—research and advise on options for operational programs to conserve energy, reduce direct emissions from operations, and recycle/reuse resources.
3. Electricity—research and advise on policy and technical issues regarding the use, sale, and pricing of electricity

The proposed contract has a one-year term, which may be renewed for two successive one-year terms at the discretion of the City. Consulting services will be paid on a flat fee of \$10,500 per month or \$126,000 per year, the same rate as the previous contract.

Council Action:

RECOMMENDATION: (Summary)

Approve an ordinance awarding a contract to Square D Company (formerly known as ECP Tech Services) on its low bid meeting specifications in an amount not to exceed \$1,596,254.00 for maintenance and repair services of electric 138KV substations for the Public Works & Engineering Department.

Maximum Contract Amount: \$1,596,254.00

Finance Budget

\$1,596,254.00 - Water & Sewer System Operating Fund (8300)

PLR 10/11/08

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an ordinance awarding a three-year contract, with two one-year options, to Square D Company (formerly known as ECP Tech Services) on its low bid meeting specifications in an amount not to exceed \$1,596,254.00 for maintenance and repair services of electric 138KV substations for the Public Works & Engineering Department. The City Purchasing Agent may terminate this contract at any time upon 30-days written notice to the contractor. Under this contract, the contractor will be required to provide scheduled electrical preventive maintenance, inspection services and unscheduled repair services for 138KV substations and other medium/high voltage equipment at ten Drinking Water Operations locations and fourteen Wastewater Operations locations for the Public Works & Engineering Department.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Five prospective bidders downloaded the solicitation document from SPD's e-bidding website and three bids were received as outlined below.

<u>Company</u>	<u>Total Amount</u>
1. Electrical Reliability Services, Inc.	\$1,592,765.00 (Did Not Meet Specifications)
2. Square D Company (formerly known as ECP Tech Services)	\$1,596,254.00
3. Electric Power Systems	\$2,047,962.44

The scope of work requires the contractor to provide all labor, supervision, parts, materials, equipment, tools and transportation necessary to provide monthly preventive and unscheduled electrical maintenance, relay testing and calibration of the 138KV substations and other medium/high voltage facilities.

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve an ordinance awarding a contract to the best respondent, Corpro Companies, Inc., for engineering services for the corrosion prevention program in an amount not to exceed \$5,894,778.00 and approve an ordinance authorizing the appropriation of \$2,947,389 out of the Water & Sewer System Consolidated Construction Fund (8500) for the Public Works & Engineering Department.

Maximum Contract Amount: \$5,894,778.00

Finance Budget

\$2,947,389.00 - Water & Sewer System Consolidated Construction Fund FY09 (8500) WBS S-000037-0003-3
\$2,947,389.00 - Water & Sewer System Consolidated Construction Fund FY10 (8500)

\$5,894,778.00 - Total

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an ordinance awarding a two-year contract, with three one-year options to Corpro Companies, Inc. in an amount not to exceed \$5,894,778.00 for engineering services for the corrosion prevention program and approve an ordinance authorizing the appropriation of \$2,947,389 out of the Water & Sewer System Consolidated Construction Fund (8500) for the Public Works & Engineering Department (PW&E). The City Purchasing Agent may terminate this contract at any time upon 30-days written notice to the contractor.

The scope of work requires the contractor to provide all labor, equipment, materials, tools, supervision and transportation necessary to provide engineering services for the corrosion prevention services for the City's water and wastewater facilities. Additionally, the contractor will provide technical support to the City for the buried steel, ductile iron and prestressed concrete water transmission pipelines including over 300 above-grade pipeline crossings, over 300 water production facilities and over 600 wastewater facilities and force mains.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Sixteen prospective suppliers downloaded the solicitation document from SPD's e-bidding website and two proposals were received as outlined below. The Strategic Purchasing Division conducted a thorough search for additional suppliers who could possibly perform these services. As a result, six suppliers were identified and notified of the Request for Qualifications (RFQ). Subsequent to receipt of the proposal, suppliers were contacted to determine the reason for the limited response to the RFQ; potential respondents advised that this service was not in their core business plans or they did not have the necessary resources to meet the scope of work requirements specified in the RFQ or they were not interested in submitting a bid.

Date and Identification of prior authorizing

Council Action:

Ord. 2005-822; Passed June 29, 2005.

RECOMMENDATION: (Summary)

Approve an amending ordinance to increase the maximum contract amount from \$9,471,245.00 to \$11,839,056.25 for both contracts between the City of Houston and AT&T Mobility National Accounts, LLC formerly New Cingular Wireless National Accounts, LLC (AT&T) and San Antonio MTA, L.P. dba Verizon Wireless, by Verizon Wireless Texas, LLC, it's General Partner and authorize the first amendment between the City of Houston and AT&T revising the statement of work for wireless voice and data telecommunications services for various departments.

Maximum Contract Amount Increased by: \$2,367,811.25

Finance Budget

\$2,367,811.25 - Central Service Revolving Fund (1002)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an amending ordinance authorizing a first amendment to Contract No. 57129 between the City of Houston and AT&T Mobility National Accounts, LLC (formerly New Cingular Wireless National Accounts, LLC). Additionally, it is recommended that the spending authority for the wireless voice and data telecommunication contracts with AT&T Mobility National Accounts, LLC and GTE Mobilnet of South Texas Limited Partnership d/b/a Verizon Wireless Texas, LLC be increased from \$9,471,245.00 to \$11,839,056 for various departments.

The contracts were awarded on June 29, 2005, by Ordinance No. 2005-0822 for a five-year term, in the total amount of \$9,471,245.00.

The first contract amendment with AT&T Mobility National Accounts, LLC will allow changes to the current services and fees. Additionally, it will provide for an online billing review capability. In order to simplify the billing, the current per minute rate will increase from \$0.037 to \$0.04 and result in a reduction in fees for air cards and Blackberry data services for a net reduction in cost of \$4,224.84 annually for the existing inventory of services. A provision has been added to allow the contractor to install distributed antenna systems inside City facilities, which will improve voice and data coverage. Attached, see the "City of Houston Enhanced Wireless Service Program - AT&T fact sheet". This document outlines the proposed services and rates. The City Purchasing Agent may terminate these contracts at any time upon 30 days written notice to the contractors.

The services that will be provided in each contract are required components of the City's operations and are essential communication and information tools. Increasing the spending authority on the contracts will allow the City to continue to provide mobile users with access to critical information and also leverage this capability for new departmental projects over the remaining two years. For example, a six month pilot with the Houston Police Department using wireless data cards to deliver critical data to police officers in their vehicles has significantly increased productivity as well as aide in the reduction of crime in various City of Houston neighborhoods. These broadband wireless data capabilities provide HPD officers with immediate access to the Department's Records Management System (RMS), HPD gang database, Crime Analysis system, Harris County Justice Information

System (JIMS) and District Attorney Intake Management System (DIMS) applications. Furthermore, many other City Departments rely on this technology for real-time access to data in the field including:

- o HFD EMS uses air cards when communicating to local area hospitals for patient care
- o Health Department uses air cards for field work
- o Technology teams use air cards and Blackberry's to monitor computer systems 24/7
- o Public Works uses laptops, air cards, and PDA devices for real-time field inspections
- o All departments use air cards and/or Blackberry devices during emergency situations (i.e. Hurricane Ike)

~~This contract was awarded with a 12% MWBE participation goal and the contractor is currently exceeding its goal.~~

For additional information contact: Carol A. Ellinger  Phone: 713-837-7658 Robert Fiederlein Phone: 713-437-6491		Date and identification of prior authorizing Council Action: July 9, 2008; Ordinance 2008-0624	
RECOMMENDATION: (Summary) Appropriate funds for the City's share in the design and construction of Bunker Hill from Long Point to IH-10.			
Amount and Source of Funding: Project Amount: \$3,138,118; \$2,970,115 from Metro Project Commercial Paper Series E Fund No. 4027, and \$168,003 from Water and Sewer System Consolidated Construction Fund No 8500  10/08/08			
PROJECT NOTICE/JUSTIFICATION: In accordance with the Engineering and Construction Agreement for Bunker Hill approved by Council on July 9 th , 2008 (ordinance 2008-0624), Memorial City Tax Increment Reinvestment Zone #17 (TIRZ 17) is requesting the City to appropriate its share of the funds.			
DESCRIPTION/SCOPE: In partnership with Memorial City Tax Increment Reinvestment Zone #17 (TIRZ 17), the project is being designed and constructed as a four lane boulevard from IH-10 Feeder to south of Briar Branch Ditch (HCFCD Unit No. W140-01-00), transitioning to a 44' undivided roadway configured with one traffic lane in each direction and a continuous shared center-turn lane. The project also provides drainage improvements, pedestrian and safety enhancements in the vicinity of Woodview Elementary School, landscaping and necessary underground utility adjustments or relocations.			
LOCATION: The street improvement is located in the Memorial City area, along Bunker Hill from Long Point I-10, Key Map reference grids 490 B, and 450 X.			
PREVIOUS HISTORY AND SCOPE: In accordance with the agreement, TIRZ # 17 advanced engineering and construction of the project and accepted all responsibility for funding the project until City funds were available in their Capital Improvement Plan (CIP). The City has programmed funding for the Bunker Hill project in fiscal year 2009 under project # N-000767 of the CIP.

REQUEST FOR COUNCIL ACTION

SUBJECT: An Ordinance authorizing the execution of a Sanitary Sewer Service Agreement between the City of Houston and Harris County Municipal Utility District No. 406	Category #	Page 1 of 1	Agenda Item # 32
---	-------------------	-----------------------	--------------------------------

FROM (Department or other point of origin):

Department of Public Works and Engineering

Origination Date

10-16-08

Agenda Date

OCT 29 2008

DIRECTOR'S SIGNATURE

Michael S. Marcotte, P.E., DEE, Director

Council District affected:
"ETJ"

Date and identification of prior authorizing Council action:

RECOMMENDATION: (Summary)

It is recommended that City Council approve an ordinance authorizing the Mayor to execute a Sanitary Sewer Service Agreement between the City of Houston and Harris County Municipal Utility District No. 406

Amount of Funding:

NONE REQUIRED

SOURCE OF FUNDING: ☐ General Fund ☐ Grant Fund ☐ Enterprise Fund

☐ Other (Specify)

SPECIFIC EXPLANATION:

Request that City Council approve a Sanitary Sewer Service Agreement between the City of Houston (the "City") and Harris County Municipal Utility District No. 406 (the "District"). The district consists of 509.9 acres located in the vicinity of West Road, North Sam Houston Parkway, Veterans Memorial and I-45 North Freeway. The District is outside the corporate limits of the city, but within the city's extra-territorial jurisdiction ("ETJ").

The City will provide a maximum of 78,750 gallons per 24-hour day of wastewater capacity to the District.

The District's wholesale wastewater service rate is in accordance with Chapter 47-140 (2) of the City of Houston's Code of Ordinances which is currently \$3.185 per 1,000 gallons.

The contract defines and limits prohibited waste and addresses levels of infiltration and inflow ("I & I") originating within the District's service area and ultimately affecting the City of Houston's collection and treatment systems. The agreement details the remedial steps the District must take to address I & I problems if they occur.

The Department of Public Works and Engineering recommends approval of the Sanitary Sewer Service Agreement between the City of Houston and Harris County Municipal Utility District No. 406

RECOMMENDATION: (Summary)

Accept low bid, award construction contract, and appropriate funds.

Amount and Source of Funding: \$1,651,033.00 from Water and Sewer System Consolidated Construction Fund No. 8500. This project is eligible for low interest funding through the State Revolving Fund (SRF), Tier III. *10/1/08*

SPECIFIC EXPLANATION: This project is part of the Neighborhood Sewer Rehabilitation Program and is required to renew/replace various deteriorated neighborhood collection systems on an emergency basis throughout the City.

DESCRIPTION/SCOPE: This project consists of sanitary sewer rehabilitation by point repair method. The contract duration for this project is 730 calendar days.

LOCATION: The project area is generally bounded by the City Limits.

BIDS: Five (5) bids were received on May 29, 2008 for this project as follows:

Bidder

Bid Amount

1. Metro City Construction, L.P.	\$1,536,181.13
2. Troy Construction, L.L.C.	\$1,617,000.60

-------------	---	---	-----------------------

AWARD: It is recommended that this construction contract be awarded to Metro City Construction, L.P. with a low bid of \$1,536,181.13.

PROJECT COST: The total cost of this project is \$1,651,033.00 to be appropriated as follows:

- Bid Amount \$1,536,181.13
- Contingencies \$76,809.06
- Project Management \$23,042.81
- Engineering Testing Services \$15,000.00

Engineering Testing Services will be provided by DAE & Associates, LTD., d/b/a Geotech Engineering & Testing a Texas Limited Partnership, under a previously approved contract.

M/WSBE PARTICIPATION: The low bidder has demonstrated a good faith effort to comply with the M/WBE goals of the Texas Water Development Board and the SBE goals of the City of Houston. The bidder has proposed an MBE participation of 14%, WBE participation of 5%, and SBE participation of 3%.

RECOMMENDATION: (Summary)

Pass a motion to set a date for a public hearing on the proposed airport compatible land use regulations and accompanying maps for the Houston Airport System.

SPECIFIC EXPLANATION:

It is requested that City Council conduct a public hearing on the proposed airport compatible land use regulations and accompanying maps for George Bush Intercontinental Airport/Houston (IAH), William P. Hobby Airport (HOU) and Ellington Field (EFD). The final report was approved by the Airport Commission on October 16, 2008 with a recommendation that the regulations be forwarded to City Council for consideration. Additionally, the regulations were presented to the Council Committee on Transportation, Infrastructure & Aviation on October 23, 2008 resulting in a recommendation that they be forwarded to the full Council for consideration. The suggested date for this public hearing is November 19, 2008.

For additional information contact:

David Guernsey Phone: (713) 238-5241
Douglas Moore Phone: (832) 393-8724

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve the sole source purchase from Azteca Systems, Inc. in the amount of \$110,000.00 for software application and maintenance support for the Software Application and Maintenance Support Services for "Cityworks" - (Workorder Management System) for the Public Works & Engineering Department.

Maximum Contract Amount: \$110,000.00

August 10/9/08

Finance Budget

\$110,000.00 - Water & Sewer System Operating Fund (8300)

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve the sole source purchase from Azteca Systems, Inc. in the amount of \$110,000.00 for software application and maintenance support for the Public Works & Engineering Department's "Cityworks" system, and that authorization be given to issue a purchase order. The "CityWorks" system is used by the PWE to manage and track workorders and customer request for work to be performed by PWE throughout the City of Houston.

Aztec Systems, Inc. is the proprietary owner, developer, manufacturer, supplier, and distributor of the Enterprise-GIS Asset Maintenance Management application used to manage the "Cityworks" system and has no authorized third-party maintenance providers.

The scope of work requires the contractor to provide the software application and maintenance support for the "Cityworks" system that is used to manage a variety of municipal maintenance projects including water, wastewater, street and traffic. This system is housed at 611 Walker (2nd Floor datacenter) and is accessed by more that 500 users with the city-wide network and by more than 50 wireless users. Cityworks is one of the core systems used by PW&E and ensuring that the software application is fully maintained and supported is crucial to PW&E's operation.

This recommendation is made pursuant to Chapter 252, Section 252.022 (a) (7) (A) of the Texas Local Government Code for exempt procurements.

Tom Sorley

Phone: (832) 393-9611

Douglas Moore

Phone: (832) 393-8724

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Adopt an ordinance approving a System Purchase Agreement (SPA) with Motorola, Inc., establishing a maximum contract amount of \$132.3 million, which includes partnership options described below, and providing initial funding in the amount of \$15,873,346.00 for both the SPA and other project expenses to be incurred by the City.

Total Initial Funding: \$15,873,346

Finance Budget

\$2,879,890.00 - Police Consolidated Construction Fund (4504)

\$12,993,456.00 - Grant Funds - UASI, LETPP, PSIC (5030) COPS Tech (5000)

SPECIFIC EXPLANATION:

The City's current Public Safety Radio system was deployed in the 1980s and is at the end of its economic and useful life. Recently the Federal Communications Commission initiated a process of allocation of new frequencies in the 700 MHz spectrum to provide public safety agencies additional capacity for critical public safety communications. The City participated in this process and will receive an adequate allocation to satisfy its requirements.

At the same time, the radio communications industry developed new standards, working with the American National Standards Institute (ANSI) for radio interoperability referred to as the P-25 Standards. These standards provide significantly improved communications between agencies, particularly within urban regions.

PROCUREMENT PROCESS:

In the summer of 2006, Mayor White instructed the IT department to pursue a nationwide search for a qualified radio executive to lead this effort. During the course of 2007 a team was formed, system requirements were developed, market preparations were conducted through a Request of Information/Interest that resulted in demonstrations for the City's Team by three different firms. As a result, a Request for Proposals was published in August of 2007. Proposals were received on Dec. 7, 2007.

The Request for Proposal (RFP) was advertised in accordance with the requirements of the State bid laws. One-Hundred Fifty Six perspective bidders downloaded the solicitation document from SPD's e-bidding website and as a result, proposals were received from Motorola, Inc. and MA-COM, Inc. / Tyco Electronics. The evaluation committee consisted of eight evaluators. The proposals were evaluated based upon the following technical criteria:

- System Design – Guaranteed Radio Coverage and System Capacity
- System Design – Reliability, Fault Tolerance, Redundancy, Fall-Back Modes of Operations
- System Features and Functional Requirements
- Installation Management, Maintenance and Support
- Qualifications and Experience with Similar Projects

REQUIRED AUTHORIZATION

NOT

Finance Department:

Other Authorization:

Galvin Wells

Other Authorization:

Date: 10/17/2008	Subject: Ordinance Approving a System Purchase Agreement for the Public Safety Radio System Project for the Information Technology Department WBS: X-687000-0001-1	Originator's Initials FR	Page 2 of 2
---------------------	--	--------------------------------	-------------

The technical evaluation process was conducted between January and June 2008 when the final technical evaluations were complete. The technical evaluations were extremely close and both proposers were judged to be well qualified to perform this work. As a result, both firms were invited to participate in contract negotiations that occurred beginning in July.

KEY DEAL TERMS:

Each firm was treated equally during the negotiations process. Standard terms were developed and discussed with each firm beginning in late July and continuing until October 10, 2008. These terms included system pricing, collateralization of Seller guarantees through performance and payment bonds and an unconditional Letter of Credit (LOC), system infrastructure requirements, quantities of radios, price guarantees for future purchases, milestone and payment schedules, site conditions and issues, system testing and acceptance, terminations and remedies, etc.

As a result of this process, both vendors were asked to provide any material exceptions to the standard contract terms and none were received. Both vendors were also allowed to improve their pricing by submitting revised pricing before 8:00 PM on Thursday, October 9, 2008. Both vendors responded and Motorola's response was lower, by almost \$7 million.

BASE CONTRACT AND OPTIONS:

The significant elements of base cost in the SPA are the infrastructure (\$76 million) and subscriber radios that involve a range of cost because there are options related to the availability of digital radios currently offered by Motorola and radios that will be available in the near future, which have the capability to use both 450 MHz analog and 700/800 MHz digital modes.

Options that have been included in the SPA include:

1. "Hard to cover areas", i.e. Galleria, Downtown Tunnels and Reliant Park at a cost of \$5.8 million, which would involve contributions of funds by area Tax Increment Redevelopment Authorities (TIRZ's).
2. Additional City talk paths that would allow for partnerships with entities such as Harris County, METRO, and various ISDs, at a cost of \$9.9 million, with funding to be provided by potential partners.
3. An option for CenterPoint Energy to participate in the project, provided a waiver is approved by the FCC, and funding of \$8.8 million or in-kind services are provided.

IMPLEMENTATION PROCESS:

Soon after the countersignature process occurs, the City and Motorola will begin the design phase of the project, which is projected to take approximately nine months. During this phase the City's requirements will be defined with greater specificity. In addition, other entities will be invited to participate in the joint use of this system. Initial discussions with these entities have already occurred. The Administration hopes that this results in one joint-use system for the Houston Region that provides significant economies of scale for each jurisdiction.

Date: 10/17/2008	Subject: Ordinance Approving a System Purchase Agreement for the Public Safety Radio System Project for the Information Technology Department WBS: X-687000-0001-1	Originator's Initials FR	Page 3 of 3
---------------------	--	--------------------------------	-------------

**Date and identification of prior authorizing
council action:**

RECOMMENDATION: Approve and authorize a Lease Agreement with 2550 North Loop West LP for leased space at 2550 North Loop West for the Radio Communications Division of the Information Technology Department and appropriate funds.

Amount and Source Of Funding:

Police Consolidated Construction Fund (4504)

\$ 676,759.50 Rent

\$ 96,422.48 Estimated operating expenses

\$ 773,181.98 Total cost for Initial Base Term

Finance Budget:

Michelle Mitchell

SPECIFIC EXPLANATION: The General Services Department recommends that City Council approve and authorize a Lease Agreement with 2550 North Loop West LP for 7,647 square feet of leased space at 2550 North Loop West for the Radio Communications Division of the Information Technology Department (IT). IT will utilize this space to house the City and contract personnel responsible for the City's Radio Replacement Project. The selected contractor will pay their proportional share of the rent and operating expenses.

The proposed Lease Agreement provides for a five-year lease term with one five-year renewal option at the current market rate. The base rental rates are as follows:

Year	Monthly Payment
Years 1 - 3	\$11,151.88 (\$17.50 psf per year/\$1.45 psf per month)
Years 4 - 5	\$11,470.50 (\$18.00 psf per year/\$1.50 psf per month)

The Landlord will build out the leased space to meet the requirements of IT. Construction costs are estimated at \$78,170.60 (\$10.22 psf). The Landlord will contribute a tenant improvement allowance of \$114,705.00 (\$15.00 psf) toward construction costs.

The new lease will commence on the date the Certificate of Occupancy is signed by the City acknowledging that the Landlord has substantially completed the improvements. The monthly rental for the new lease term will begin upon the Occupancy Date.

The Landlord is responsible for maintaining the building and IT is responsible for paying its proportionate share of its costs as well as taxes, insurance and utilities, which is estimated at \$96,422.48 for the initial five year term.

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve an ordinance authorizing a contract between the City and Miller & Van Eaton P.L.L.C. for legal services for the Information Technology Department, and appropriate funds.

Award Amount: \$100,000.00

Finance Budget

\$100,000.00 - Police Consolidated Construction Fund (4504)

SPECIFIC EXPLANATION:

The Information Technology Department requests the approval of an ordinance appropriating \$100,000 from the Police Consolidated Construction Fund and authorizing a contract between the City and Miller & Van Eaton P.L.L.C. ("the Firm") for legal services.

The Firm has represented the City in various matters for several years including the legal work for negotiation and development of the 700 MHz System Procurement Agreement. The proposed ordinance authorizes a contract between the City and the Firm to provide the following (1) assist in the City staff efforts to negotiate contract terms and draft an Interlocal Cooperation Agreement between City and Harris County; (2) assist City staff efforts to negotiate contract terms and draft agreement with CenterPoint Energy; (3) draft a "Master Interlocal Agreement" for the City to contract with other political subdivisions of the State of Texas; (4) prepare a Waiver Request from the Federal Communications Commission for the City to contract with CenterPoint Energy; (5) assist the Mayor and City Council as requested by the City Attorney in regard to the City's Public Safety Radio System Contract. In addition, the City Attorney may authorize additional tasks related to Trunked Radio System and other related issues. Specific tasks will be authorized in advance by the City Attorney.

The Firm's expertise in the area of the law related to radio system contracts will be of great benefit to City in the development of the negotiation strategy, execution, and reaching agreement on the interlocal agreements that can be executed by the parties.

Date and Identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve an ordinance authorizing the appropriation of \$137,877.34 out of the Police Consolidated Construction Fund (4504) and approve the purchase of office furniture in the total amount of \$80,991.54 from the State of Texas Procurement and Support Services Contract for the Information Technology (IT) Department.

Award Amount: \$137,877.34

Finance Budget

\$137,877.34 - Police Consolidated Construction Fund (4504)

WBS: X-687000-0001-1-06

SPECIFIC EXPLANATION:

The City Purchasing Agent recommends that City Council approve an ordinance authorizing the appropriation of \$137,877.34 out of the Police Consolidated Fund (4504). It is further recommended that City Council approve the purchase of office furniture in the total amount of \$80,991.54 from the State of Texas Procurement and Support Services Contract for the Information Technology (IT) Department and that authorization be given to issue a purchase order to the State contract supplier, Contract Resource Group, LLC.

This purchase consists of free standing furniture necessary to outfit 12 offices, 2 conference rooms, a break room and 6 modular workstations. This furniture is required to outfit the Radio Communication Division's offices located at 2550 North Loop West. The furniture will come with the manufacturer's standard warranty and the life expectancy is 10 to 15 years.

The additional appropriation of funds is required to purchase a phone system and security equipment that will be acquired through existing contracts and will also be installed in the Radio Communication offices.

Sections 271.081 through 271.083 of the Texas Local Government Code provide the legal authority for local governments to participate in the State of Texas Purchasing Program.

Date and identification of prior authorizing Council Action:

RECOMMENDATION: (Summary)

Approve an ordinance awarding a multi-year contract to the best respondent Maximus Financial Services, Inc. in an amount not to exceed \$298,461 for the development of annual Cost Allocation Plans in compliance with federal accounting regulations for the Finance Department.

Amount of Funding:

Maximum Contract Amount: \$298,461

Finance Budget:

\$298,461 General Fund (1000)

SPECIFIC EXPLANATION:

The Finance Department is requesting that City Council approve an ordinance awarding a three-year contract, with two one-year options to Maximus Financial Services, Inc. in an amount not to exceed \$298,461 for the development of annual Cost Allocation Plans for the Finance Department. These services are necessary to maintain compliance with Federal grant regulations. The Director of Finance has the option to terminate this Agreement at any time by giving 30-day written notice to Contractor.

The Scope of Work requires the contractor to develop the cost allocation plan for the City in two phases: Phase I – Contractor shall research and gather materials necessary to develop the Plan. Phase II – Contractor shall use the cost identified in Phase I to develop, submit and enhance the City's ability to recover costs under various Federal programs.

A Request for Qualifications and Proposals (RFQP) was prepared and advertised on the City of Houston Strategic Purchasing Division's website from July 25, 2008 to August 8, 2008. Eighteen (18) prospective bidders downloaded the solicitation document from SPD's e-bidding website and two firms responded to the RFQP. The selection criteria were based on the demonstrated competence and qualifications of the proposers.

The following firm is recommended for award: Maximus Financial Services, Inc.

M/WBE Subcontractor:

This request for qualification was issued as a goal-oriented contract with a M/WBE participation level. **Maximus Financial Services, Inc.** has designated the below-named company as its certified M/WBE subcontractor with a 13% participation level:

Name	Type of Work	Dollar Amount	Percent
Mir Fox & Rodriguez, P.C.	Cost Allocation Services	\$6,660	13.0%

The Affirmative Action Department will monitor this contract. The requested spending authority is as follows:

FY2009	OUT YEARS	TOTAL
\$ 56,537	\$ 241,924	\$ 298,461
