

JFT CONSTRUCTION, INC.

Excellence in Engineering & Construction

August 10, 2012

CONSTRUCTION IN YOUR NEIGHBORHOOD

To: All Residents and Business Establishments
From: JFT Construction, Inc.
**Subject: Neighborhood Street Reconstruction Project 446A / Woodside Subdivision
City of Houston Project No.: N-000378-0002-4**

JFT Construction, Inc. will install underground utilities and reconstruct the pavement on the following streets:

**Latma Dr from Stella Link to Westridge
Silver Spring Ln from Latma to Murworth
Latma Court from Latma to Cul-de-sac
Kapri Ln from Latma to Murworth
Marlive Ln from Latma to Murworth
Durhill St from Latma to Timberside
Elmridge St from Latma to Timberside
Cloverdale St from Latma to Timberside
Murworth Dr from Silver Spring to Link Meadow
Link Meadow Ln from Durhill to Linkwood
Timberside from Westridge to Murworth**

This project starts August 20, 2012, and will last until September 29, 2013. We will provide you additional notification prior to actual construction on your street. You may experience traffic re-routing, temporary driveway blockage, and tree trimming. So, please be patient during these construction improvements, as this work will eventually improve your area.
