MEDICAL AND PRESCRIPTION DRUG PLANS REVIEW

- Self-insured since May 2011
- Third Party Administrator (TPA) contract expires April 2014.
- The City’s plans cover 55,000 employees, pre-65 retirees and dependents
- Active employees = 82%; Pre-65 retirees = 18%
- Results-oriented Wellness Program
If the health benefits budget stood alone as a separate department, it would be the 5th largest behind Public Works, Police, Houston Airport System and Fire.

Favorable claims experience caused actual plan cost to be less than budgeted expense.

The city is retaining all claims risk volatility and not procuring stop-loss insurance.

Savings will be used to establish a permanent catastrophic fund balance reserve.
MEDICAL AND PRESCRIPTION DRUG PLANS REVIEW CONT’D

- Limited Network Plan
  - Kelsey Seybold Clinics
  - Renaissance Physician Organization
  - The Mayor Healthcare Group
- Open Access Plan
- Consumer Driven Health Plan with a Health Reimbursement Account (HRA)
- Retirees of Texas Option Plus (RTOP) for pre-65 retirees who reside outside of the Greater Houston Area but live in Texas
Fiscal Years are not comparative to Plan Year expenses due to accounting and accrual differences which include IBNR and reserves.

* FY14 includes $14 million catastrophic reserve.

Considerations:

- Stand-alone Prescription Drug Plan
- Integrated Medical and Prescription Drug Plan
1. Stand-alone Prescription Drug Plan

- Manufacturers’ discounts and rebates were comparable to prescription drug plans integrated with medical plans.
- Additional layer of administration – systems and staff
- Separate administration fee
- Additional layer of complexity for members
- One vendor does not have a retail network in the U.S.
- Prescription drug and medical claims data are not in sync.
- Additional cost to transfer claims files between two systems
2. Integrated Medical and Prescription Drug Plan

- One process for administration fees
- Manufacturers’ discounts and rebates are comparable to stand-alone PBMs
- Members engage only one system.
- Prescription drug and medical plan systems are in sync and utilization data are easily integrated.
- Vendors have established networks in the U.S.
- No additional cost to integrate claims data
RFP – PLAN SELECTION
COMMITTEE DECISIONS

- Integrated Medical and Prescription Drug Plan
- Retain self-funding.
- Retain current plan options:
  - Limited Network Plan
  - Open Access Plan
  - Consumer Driven Health Plan
  - Retirees of Texas Options Plus
Recommendations
Overall, Cigna ranked #1 in the evaluation criterion.

- Pricing/cost – lowest administrative fees
- Account management/claims administration/reporting
- Member services/communications/wellness initiatives/network delivery and management
- Financial arrangements and banking
- Data management and technical requirements
- Qualification/experience of proposer and staff
- Plan design
CIGNA’S VALUE

Cigna offers the best value.

1. Cost estimates indicate least volatility.
2. Lowest fixed administrative fees.
3. Proven results with proposed arrangement consistent with existing program.
4. Capitated program has performance incentive to improve health outcomes and lower costs.
5. Fee-for-service discounts offset total pricing by the lower administrative fees.
6. Capitated program serves a majority of City subscribers.
7. Drug costs are significantly less than current structure.
8. Prescription drug plan incentivizes generic dispensing, now at 85%, an $8 - $12 million savings.
10. No significant implementation costs involved.

TPA and PBM favorable cost structure should have a positive influence on the trend line over the next three (3) years.

Other Highlights

- Strong Performance Guarantees – up to $3 million at risk each plan year
- Funding of five (5) discretionary onsite positions
- TPA administrative fees are guaranteed for three years.
- PBM administrative fees are guaranteed for three years.

Plan-year estimates 2015 – 2017 (in millions)
RFP required commitment to award 15% of administrative fees in subcontracts to City-approved MWBE participants.

As of January 3, 2014, Cigna had met 10.26% ($2,192,528) of the 15% goal in the current contract.

Cigna added two MWBE vendors, one in October and one in November 2013.
MEDICAL AND PRESCRIPTION DRUG PLANS - RECOMMENDATIONS

- Maintain self-insured funding.
- Contract with Cigna for administration of integrated medical and prescription drug plans.
- Maintain four self-insured plans:
  - Cigna Limited Network Plan
  - Cigna Open Access
  - Consumer Health-Driven Plan
  - Retirees of Texas Option Plus (RTOP)
- Maintain Health Care Reimbursement Account with $500/$1,000 City contribution for CDHP participants.
- Maintain wellness program with financial incentives and disincentives for participating in health improvement activities.
Effort is nice
