SPECIFIC EXPLANATION:

The Housing and Community Development Department (HCDD) is requesting approval to submit to HUD the 2016 Annual Action Plan, which includes an application for the CDBG, HOME, HOPWA, and ESG program funds to be received from HUD. The application estimates a total of $40,612,609 in federal funds and $276,454 in program income to be used to benefit income-eligible residents during the HUD Program Year (July 1, 2016 – June 30, 2017). Funding priorities include affordable housing, supportive services, infrastructure/neighborhood facilities, and economic development. The goal of the Annual Action Plan is to promote strategies that will 1) enhance quality of life, 2) expand homeownership opportunities, 3) foster community economic development, 4) preserve and expand the supply of affordable housing, 5) promote fair housing, 6) provide assistance to persons affected by HIV/AIDS, 7) reduce homelessness, and 8) revitalize communities. SPECIFIC EXPLANATION:
The Housing and Community Development Department requests Council approve an amendment to the contract among the City of Houston, the SPARK School Park Program, and the Houston Independent School District (HISD) to extend the time of performance by one year.

HISD will have one year from the Countersignature Date of the City Controller to execute any contract for work to be performed for the below listed SPARKs. CDBG funds will not be available for construction contracts executed after that period unless the Agreement is further amended by action of City Council. Previously, Robinson Elementary and Lyons Elementary were added as SPARK parks by a contract amendment in 2014; and Clifton, Looscan, Lockhart, and Hartsfield were added as SPARKs by a contract amendment in 2015. The current amendment does not increase the available amount of funding for the below parks.

SPECIFIC EXPLANATION:
The Housing and Community Development Department (HCDD) recommends Council approve a Letter of Agreement between HCDD, the General Services Department, and the Parks and Recreation Department for the acquisition and demolition of the Oakbrook apartment complex at 5353 De Soto.

The proposed site is approximately 277,000 square feet and will be converted to green space for the purpose of flood mitigation. It will eliminate slum and blight in a low-income area and protect the City's investment in the community, where Disaster Recovery Round 1 funds were previously invested to renovate two nearby apartment complexes.

The General Services Department will be responsible for managing the acquisition and demolition of the site. Upon completion of the demolition, the site will be placed in the Parks and Recreation Department's inventory and will be open for use by the general public.

The acquisition cost for the site is approximately $1.3 million, of which $700,000 will be funded with Community Development Block Grant funds, $400,000 will be funded by the Houston Parks Board, $100,000 will be funded by Council Member Brenda Stardig, and $100,000 by the Parks and Recreation Department. Additionally, $300,000 in Community Development Block Grant funds are being allocated for the demolition of the site.

SPECIFIC EXPLANATION:

In August 2015, Council approved an Ordinance authorizing a loan agreement with Woodland Christian Towers Inc. for $3,452,905 to fund a portion of the renovation of the Woodland Christian Tower seniors’ property. Local Initiatives Support Corporation (LISC) committed to a senior loan in the amount of $2,400,000 for the project. LISC subsequently determined that it could not provide the desired loan terms. The borrower has since received a conditional commitment from Citibank for a construction loan that will be converted to a $2,600,000 Freddie Mac permanent loan when construction is complete.

With the change in lenders, certain administrative changes to the subordination agreement and other ancillary documents are also necessary. The increased loan amount and changes to other documents necessitate an amendment to the original agreement between the borrower and HCDD.

The Housing and Community Development Department (HCDD) recommends Council approve an Ordinance authorizing the use of $4,000,000 of HOME Investment Partnership funds for the acquisition and development of a 216-unit affordable housing property for seniors, located at 4410 Reed Road. LDG Multifamily LLC, the developer of the property, has a track record of developing high-quality and well-managed affordable housing communities across the U.S. The group recently completed the demolition and reconstruction of Villas at Colt Run with HCDD funds.

Emergency Solutions Grants (ESG) – Fund 5000

SPECIFIC EXPLANATION:

The Housing and Community Development Department (HCDD) recommends approval of a contract between the City of Houston and the Coalition for the Homeless of Houston/Harris County, providing $90,000 of federal Emergency Solutions Grant funds for the operation and maintenance of the Homeless Management Information System (HMIS).

HMIS is a software application designed to record and store individual client data, including the types of services needed by Houston’s homeless community. HMIS was developed in response to Congress’ request for information on how appropriated federal homeless funds are spent. Congress is not only interested in fiscal responsibility, but also wants to know who the homeless are as a group, as well as understand the outcomes of the programs assisting them. All agencies receiving federal funds for homeless services are required to participate in the HMIS. The City is contracting with the Coalition to comply with this requirement. ESG funds provide 13% of the funding for this project.
