Community Development Block Grant (CDBG) 5000

SPECIFIC EXPLANATION:

The Housing and Community Development Department (HCDD) recommends approval of a First Contract Amendment extending the time of performance of a contract between the City of Houston and Capital Investing in Development and Employment of Adults LLC (Capital IDEA) for a workforce development program.

Capital IDEA lifts low-income working families out of poverty by enabling participants to pursue associate degrees in higher-paying and in-demand professional fields/careers that will lead to life-long independence. The agency offers career development and support service for its participants. Currently Capital IDEA has 257 participants enrolled. They are participating in various stages of the program as indicated: 61 are in prerequisite courses for college; 85 are enrolled in required core classes for their major; and 111 have graduated and are in the job search program. The agency anticipates 55 graduates in the Class of 2017.

The City will grant Capital IDEA Houston up to $200,000 in Community Development Block Grant (CDBG) funds to provide services to a minimum of 150 participants. The City of Houston is contributing 33% of the entire program cost.

Amount of Funding: $286,002.25

SOURCE OF FUNDING

Homeless Housing and Services Program (HHSP) Fund 5010

SPECIFIC EXPLANATION:

The Housing and Community Development Department (HCDD) recommends approval of a First Contract Amendment between the City of Houston and Houston Housing Authority, providing an additional $286,002.25 in HHSP funds for the operation of the Rapid Rehousing Financial Assistance Intermediary (FAI). The FAI helps homeless households achieve immediate and long-term housing stability by providing short- to medium-term rental assistance, rental and utility deposits, and utility payments, as needed.

The City will grant the Houston Housing Authority an additional $286,002.25 in HHSP funds needed to cover a gap in spending between May 2017 and August 2017 in direct rental and utility assistance. This gap occurred due to several factors, including increased amount in rental deposits, the decrease in client monetary contribution to rent/utilities, and clients staying in the program longer than projected.

The Houston Housing Authority will deliver the following program services: (1) management of the Houston/Harris County Continuum of Care Rapid Rehousing Collaborative financial assistance funds, and (2) administration of direct rental and utility assistance to a minimum of 200 Rapid Rehousing clients. The City provides 12% of the budget for this program and the remaining 88% is from other funding sources.

HCDD conducted a Request for Proposals in September 2016 for the Rapid Rehousing Financial Assistance Intermediary utilizing HHSP funding. The Houston Housing Authority was the selected agency. The contract period will remain the same, from the Countersignature Date of the City Controller through August 31, 2017, with pre-contract services from January 1, 2017 through the Countersignature Date.

SPECIFIC EXPLANATION: The Housing and Community Development Department (HCDD) recommends approval of a First Contract Amendment between the City of Houston and The Coalition for the Homeless, providing an additional $210,000 in TIRZ funds and modifying the existing budget to administer and operate the Rapid Rehousing Case Management Intermediary (CMI). The CMI helps homeless individuals and families achieve immediate and long-term housing stability by linking them to targeted and mainstream resources available in the community.

The City will grant The Coalition for the Homeless an additional $210,000 in Tax Increment Reinvestment Zone funds (TIRZ), to procure via sub-recipient vendor, three temporary Housing Navigator positions and two Case Manager positions to accommodate the housing surge for chronically homeless.

The City will also allow The Coalition for the Homeless to modify its existing budget line items in order to quickly spend down the current HHSP, ESG and TIRZ contract funding. The budget update is due to the realignment in staffing costs for each of the sub-recipient organizations performing case management services to their actual costs. Also, Admin line items have been revised in order to accommodate the need of a Grant Accountant to help administer this contract. The City provides 52% of the budget for this program and the remaining 48% is from other funding sources.

HOME Investment Partnerships Program (HOME)

SPECIFIC EXPLANATION:
The Housing and Community Development Department recommends Council approve an Amendment to the original Loan Agreement executed July 27, 2016, between the City of Houston and Tejano Center for Community Concerns for the construction of Sunrise Orchard, a 52-unit affordable home development. The original Loan Agreement is a zero percent performance based loan that is forgivable at the end of the 20-year affordability period, if no default exists. The amendment will allow for a $1,000,000 increase to the original $3,500,000 commitment amount in order to fund construction cost overruns.

Sunrise Orchard will include one- and two-bedroom units. All 52 units will be Permanent Supportive Housing for low-income tenants at 30% area median income.

Tejano Center for Community Concerns was established in 1992, with a mission to develop education, social, health, and community institutions that empower families to transform their lives. Tejano is a well-respected affordable home developer which continues to provide affordable homes and supportive programs throughout Houston.

SPECIFIC EXPLANATION:

The Texas Department of Housing and Community Affairs (TDHCA) administers the state’s housing tax credit program, which provides federal tax credits to spur the development of quality, affordable homes.

Per Texas Government Code Section 2306-67071 and the TDHCA’s 2016 Qualified Action Plan, the local governing body of the jurisdiction where a project is to be located must “hold a hearing …to solicit public input concerning the Application or Development” before a developer can submit an application for non-competitive 4% tax credits.

Houston Leased Housing Associates V, LLLP intends to submit an application to the TDHCA requesting an award of 4% tax credits for the acquisition and rehabilitation of Lakecrest Village, a 224-unit affordable home community located at 9393 Tidwell Road. HCDD is not being asked to fund this development.

HCDD requests a motion to hold a public hearing April 5, 2017, on the 4% tax credit Resolution of No Objection.

Amount of Funding: N/A

SOURCE OF FUNDING: [ ] General Fund [ ] Grant Fund [ ] Enterprise Fund [ ] Other

SPECIFIC EXPLANATION:

The Housing and Community Development Department (HCDD) request the approval of Council to amend an Agreement to allow The William A. Lawson Institute for Peace and Prosperity (WALIPP) the use of New Market Tax Credits (NMTC) for the construction of The Lawson Academy charter school campus located at 5012 Scott Street. In April 2016, Council approved a contract between the City and WALIPP to provide $4,730,000 in Community Development Block Grant (CDBG) funds for acquisition of 5.5 acres of land at 5012 Scott Street to construct The Lawson Academy’s charter school campus. The proceeds from the NMTC will support the previously approved $9,335,916 total project budget to complete the construction of The Lawson Academy charter school campus.

The William A. Lawson Institute for Peace and Prosperity (WALIPP) has operated The Lawson Academy since 2002. The land acquired will be used for the construction of campuses for boys’ and girls’ schools for middle school grade levels. The new campus will include classrooms, a cafeteria, and a field for student athletics. The campus will also have administrative offices, a parking lot and land for expansion to include high school grades. All 40 modular structures for the campus have been delivered and are pending construction completion. The Academy plans to open at the new location for school operations in August 2018.

The school currently has 150 students and leases space from a church. As a result, the Academy is unable to expand to serve a larger student body. WALIPP estimates that it will be able to serve an additional 150 students, for a total of 300 middle school students at the new campus. The Texas Education Agency approved The Lawson Academy to add high school grades in 2011, and the acquisition of this parcel of land will allow the school to expand to include grades 9-12 in the future. The Academy projects that it will have as many as 900 students with the addition of high school campus.

The total project budget is approximately $9,335,916, of which $4,000,000 will be proceeds from NMTC to complete the construction of The Lawson Academy’s charter school. No additional City funds will be granted on this project.

CDBG, HOME, HOPWA, and ESG Grants – Fund 5000

SPECIFIC EXPLANATION:

The Housing and Community Development Department (HCDD) is requesting approval to submit to HUD the 2017 Annual Action Plan, which includes an application for the CDBG, HOME, HOPWA, and ESG program funds to be received from HUD. The application estimates a total of $40,242,535 in federal funds and $248,587 in program income to be used to benefit income-eligible residents during the HUD Program Year (July 1, 2017 – June 30, 2018). The 2017 Annual Action Plan is the third Annual Action Plan of the 2015-2019 Consolidated Plan.

To date, HUD has not announced allocation amounts for the upcoming HUD Program Year. Therefore, allocation amounts listed are estimated. Once the allocation amounts are announced, the following proposed dollar amounts for each budget activity will be adjusted using the percentages listed. The 2017 Annual Action Plan will not be submitted to HUD until allocations have been announced by HUD.

Funding priorities include affordable home development, supportive services, infrastructure/neighborhood facilities, and economic development. The goal of the Annual Action Plan is to promote strategies that will 1) enhance quality of life, 2) expand homeownership opportunities, 3) foster community economic development, 4) preserve and expand the supply of affordable homes, 5) promote fair housing, 6) provide assistance to persons affected by HIV/AIDS, 7) reduce homelessness, and 8) revitalize communities. The format and information presented in the 2017 Annual Action Plan are based on federal guidance and requirements.

HCDD solicited public input in the development of the 2017 Annual Action Plan. HCDD also developed and distributed written information on these federal grants and sponsored four public hearings (two in the fall and two in the spring). A summary of the 2017 Annual Action Plan was published in the Houston Chronicle on March 10, 2017 and is available on HCDD’s website.

As stipulated by federal regulations and in conformity with the Citizen Participation Plan, residents have 30 days to comment on the proposed 2017 Annual Action Plan before it is approved by City Council. The 30-day review period extended from March 10, 2017 through April 9, 2017.

This item was reviewed by the Housing and Community Affairs Committee on March 21, 2017.

Community Development Block Grant and HOME Investment Partnerships (Fund 5000)

SPECIFIC EXPLANATION: In accordance with HUD’s Citizen’s Participation Plan (CPP) regulations, the City is required to amend components of its Consolidated Plan/Annual Plan for a variety of reasons, including when a reallocation of funds increases or decreases the budget of an activity by more than 25% or when a new activity is added to an Annual Action Plan.

The Housing and Community Development Department (HCDD) proposes moving forward with its Single-Family Home Repair Program using funds reallocated from remaining balances on completed or cancelled projects. HCDD recommends reallocating $5,999,055 in Community Development Block Grant (CDBG) funds from Economic Development and Acquisition to the Single-Family Home Repair program. Specifics of the proposed CDBG reallocations are listed on the table attached to this RCA.

The Single-Family Home Repair activity will be added to the 2016 program year, which ends June 30, 2017. The funds will be used to assist eligible home owners with home repairs and home reconstruction. To be eligible for the program, the home owner must occupy their home as their principal residence and must be at or below 80% of the area median income (i.e. $55,350 for a family of four).

Additionally, HCDD proposes moving forward with its Community Housing Development Organization (CHDO) Single-Family Development Program using funds reallocated from remaining balances on completed or cancelled projects. HCDD recommends reallocating $2,000,000 in HOME Investment Partnerships (HOME) funds from the Multifamily Development line item. The CHDO Single-Family Development activity will be added to the 2016 program year. The funds will be used to assist eligible non-profit organizations to construct and sell affordable homes to low- and moderate-income homebuyers. To be eligible for this program, the homebuyer must be at or below 80% of the area median income (i.e. $55,350 for a family of four). Specifics of the proposed HOME reallocations are listed on the table attached to this RCA.
