   • Monthly Report
Background:
The Housing and Community Development Department (HCDD) recommends approval of an amendment that will extend the contract term between the City of Houston and the Texas Department of Housing and Community Affairs (TDHCA) from August 31, 2017 to July 31, 2018.

Per TDHCA, the funding must be used by the City on activities eliminating and/or preventing homelessness. Specifically, allowable activities include construction, development, or procurement of housing for homeless persons; rehabilitation of structures targeted to serving homeless persons or persons at-risk of homelessness; provision of direct services and case management to homeless persons or persons at-risk of homelessness; or other homelessness-related activity as approved by the TDHCA.

HHSP was established by the 81st Texas Legislature through an appropriations rider and codified during the 82nd Texas legislative session. Through HHSP, the state provides funding to the eight largest cities in support of services to homeless individuals and families including services such as case management and housing placement and retention. Cities served through HHSP include Arlington, Austin, Corpus Christi, Dallas, El Paso, Fort Worth, Houston and San Antonio. For State Fiscal Year 2017, the State awarded the City of Houston $1,272,861.00.

This item is a procedural, administrative matter required to extend the contract with TDHCA.

The Housing and Community Affairs Committee reviewed this item on June 19, 2018.

Background:

The Housing and Community Development Department (HCDD) is requesting approval to submit to the Texas General Land Office (GLO) a local action plan, which will be incorporated into the State of Texas Plan for Disaster Recovery: Hurricane Harvey – Round 1 as a substantial amendment, and will serve as the application for Community Development Block Grant Disaster Recovery (CDBG-DR) funding for the City of Houston.

The GLO has designated the City of Houston to receive a direct allocation of CDBG-DR in the amount of $1,155,119,250.00 to be used for Hurricane Harvey recovery efforts primarily related to housing. This direct allocation is based on the unmet needs methodology that the U.S. Department of Housing and Urban Development (HUD) used to determine the $5,024,000,000.00 allocation to the State of Texas for Hurricane Harvey.

As a result of the direct allocation, the City of Houston is required to develop a local action plan. This local action plan is prescribed by the GLO and includes a local needs assessment, budget, program descriptions, and expenditure timelines for the City’s expected allocation of CDBG-DR funds.

Once the City submits its local action plan to the GLO, the GLO will amend the State of Texas Plan for Disaster Recovery: Hurricane Harvey – Round 1, publish the amendment for public comment, review and incorporate public comments, and submit the amendment to HUD. Once approved by HUD, the City of Houston will execute an agreement with the GLO for the CDBG-DR funds.

HCDD recommends that the City’s estimated allocation of $1,155,119,250.00 of CDBG-DR funds be distributed among the following categories:

During May and June 2018, HCDD solicited public input in the development of the local action plan through various methods, including community meetings, focus group discussions, and a survey. HCDD partnered with a variety of community groups to carry out these community meetings where residents receive information about recovery programs and give input about their disaster recovery related needs and
priorities for CDBG-DR funding. Public input for this funding is ongoing and anticipated to continue throughout the summer as program guidelines are developed.

A draft local action plan was posted to allow residents the opportunity to comment before City Council approval. The review period was June 7, 2018 through June 24, 2018.

This item was reviewed by the Housing and Community Affairs Committee on June 19, 2018.

The Housing and Community Development Department requests approval to amend the Housing Opportunities for Persons with AIDS (HOPWA) Program Summary Budget under the 2015 Annual Action Plan.

In accordance with HUD’s Citizen Participation Plan regulations, the City is required to amend components of its Consolidated Plan/Annual Action Plan for a variety of reasons, including when a reallocation of funds increases or decreases the budget of an activity by more than 25%.

The following amendments to the HOPWA budget are necessary to reallocate funds for Project or Tenant Based Rental Assistance.

Background:
The Housing and Community Development Department (HCDD) recommends Council approve a motion establishing a date for a public hearing to provide a Resolution of No Objection for the 4% tax credit application of Yellowstone Boulevard, LLC.

The Texas Department of Housing and Community Affairs (TDHCA) administers the state’s housing tax credit program, which provides federal tax credits to spur the development of quality, affordable housing.

Per Texas Government Code Section 2306-67071, the governing body of the jurisdiction where a project is to be located must “hold a hearing ...to solicit public input concerning the Application or Development” before a developer can submit an application for noncompetitive 4% tax credits.

Yellowstone Boulevard, LLC, intends to submit an application to the TDHCA requesting an award of 4% tax credits for the acquisition and rehabilitation of Park Yellowstone Apartments, a 210-unit affordable housing community located at 3322 Yellowstone Blvd. HCDD is currently underwriting Park Yellowstone Apartments. We are evaluating this project and will be going through underwriting for City of Houston funds. Upon successful completion of the underwriting process, HCDD may provide gap financing in support of their development, and will submit a subsequent request to council for approval.

HCDD has performed a threshold review and recommends a Resolution of No Objection for the following reasons:

- Located in the OST/Almeda TIRZ
- Preservation of affordable housing
- Not located in a floodway or 100-year floodplain

HCDD requests a Motion to hold a public hearing on July 11, 2018, on the 4% tax credit Resolution of No Objection.

The Housing and Community Affairs Committee reviewed this item on June 19, 2018.

Background:
The Housing and Community Development Department (HCDD) requests approval of an ordinance authorizing and approving a revised Certificate of Formation (Certificate) and bylaws for the Land Assemblage Redevelopment Authority (LARA).

On October 27, 1999, City Council approved LARA’s creation as a local government corporation by Resolution No. 99-59. LARA was originally created to acquire and convey tax-foreclosed properties to developers of affordable single-family homes to be sold to qualified low-income purchasers.

The proposed revisions to LARA’s Certificate and bylaws seek to (1) change the organization’s name to the Houston Land Bank in order to create a broader public understanding of the organization’s role, and (2) expand the organization’s capacity and mission to support the strategic acquisition of properties throughout Houston. The City requires Council approval for these changes. Additional changes to the documents are shown below.

Key revisions to the bylaws:
1) Name change to Houston Land Bank;
2) The Board will remain the same in number (13) and in appointments as in the past; however, if HISD or Harris County does not appoint representatives and the positions remain vacant for three months, the Mayor (with Council approval) will fill the positions;
3) The Mayor will name the Chair and Vice Chair from his appointments;
4) Board member terms will be determined by the appointing entity;
5) New clarification regarding the roles and responsibilities of the board officers.

Key revisions to the Certificate:
1) Name change to the Houston Land Bank;
2) While the Corporation will continue to acquire, assemble, manage, market, develop and dispose of properties acquired by the taxing authorities through foreclosure of delinquent ad valorem taxes, the organization will also strategically acquire properties throughout the City;
3) The Registered Agent for the Corporation will be the City Secretary;
4) The Board shall consist of 13 board members (the same number as before);
5) Article VIII will be removed from the Amended Articles.

The Housing and Community Development Department (HCDD) requests City Council authorize and approve an ordinance to Allocate $1,250,000.00 in Tax Increment Reinvestment Zone (TIRZ) affordable housing funds, previously appropriated on November 1, 2017, through Ordinance 2017-0860 to the Land Assemblage Redevelopment Authority (LARA) dba Houston Land Bank (HLB) for administrative costs and operation services, and Council Authorization for LARA (dba HLB) to reallocate funding that was previously awarded on December 2, 2009, through Ordinance 2009-1220, as necessary to support its expanded mission.

(1) HCDD requests City Council authorize and approve an Ordinance allocating $1,250,000.00 in Tax Increment Reinvestment Zone (TIRZ) funds to support LARA’s (dba HLB) administrative and operations costs to execute its tasks related to the New Home Development Program.

(2) HCDD requests that LARA (dba HLB) be authorized to reallocate funds as necessary from prior amendments into a general category to pay for administrative costs, provide bridge financing for acquisitions and pay for the interim maintenance of lots acquired at the request of the HCDD Director.
