Item II.a.: HCD18-104
New Home Development Program
Master Contractor Agreement De-Obligation
(All Districts)

➢ On October 13, 2017, HUD issued a waiver to temporarily allow existing CDBG funds to be used for new home construction due to the housing stock lost as a result of Hurricane Harvey
➢ Based on a broad interpretation of the waiver, HCDD allocated $12,256,284.58 in CDBG funds for New Home Construction, which Council approved in August 2018
➢ However, the waiver’s limits were stricter than originally interpreted and all homes would have to be sold by June 30, 2019

As a result, HCDD is now seeking to align funding sources with their most appropriate use through four related actions:
➢ **HCD18-104** - De-Obligates $6,665,326.00 in CDBG funds from the Master Contractor Agreement for New Home Development
➢ **HCD18-108** - Reallocates $12,256,284.58 in CDBG funds from New Home Construction to Home Repair
➢ **HCD18-102** - Allocates $10,098,907.00 of CDBG funds to a Master Contractor Agreement for Home Repair
➢ **HCD18-101** - Re-appropriates $9,935,050.00 of TIRZ Funding from Home Repair New to New Home Development
