Background:
The Housing and Community Development Department (HCDD) recommends approval of a first contract amendment to extend a contract between the City of Houston and Houston Area Community Services dba Avenue 360 (HACS) to November 30, 2020 and provide funding up to $3,672,845.00 in Housing Opportunities for Persons with AIDS (HOPWA) funds for the following services:

1. Tenant-Based Rental Assistance (TBRA) Program with supportive services
2. Short-Term Rent, Mortgage, and Utility Assistance (STRMUA) Program with supportive services
3. Permanent Housing Placement Services (PHPS), and
4. Operation of a transitional medical respite facility (Operations).

HACS will provide TBRA, STRMUA, respite care, and supportive services to a minimum of 642 low-income households. HACS’ services include rental subsidies and short-term rent, mortgage and utility assistance to prevent homelessness by helping families remain in their own dwellings. HACS operates a transitional medical respite facility for persons with AIDS who are homeless and have acute medical conditions that require a stable living environment with nursing care and supportive services.

Supportive services include housing case management, permanent housing placement (rent and utility deposits, applications fees), and behavioral health services. Housing assistance will be provided as follows: (1) TBRA for 297 households; (2) STRMUA for 218 households; (3) PHPS for 82 households; and (4) Operations 45. HOPWA funds are providing 52% of the cost of this program.

1. Tenant-Based Rental Assistance (TBRA) Program with supportive services to 45 households;  
2. Short-Term Rent, Mortgage, and Utility Assistance (STRMUA) Program with supportive services to 85 households; and  
3. Permanent Housing Placement Services to 20 households (PHPS).

Catholic Charities will provide housing assistance and supportive services to approximately 150 low-income households. The agency’s AIDS Ministry is a holistic program providing case management, as well as housing and financial assistance for persons infected and/or affected by HIV/AIDS. The City provides approximately 97% of the budget for this program, and 3% is provided by other funding sources.

SEARCH will provide Mobile Outreach/Welcome Center and Housing Case Management services to 1,675 persons. SEARCH’s Mobile Outreach team travels throughout Houston providing interventions, assessments and referrals to services for homeless persons living on the streets and other places not meant for human habitation. The Welcome Center is a day shelter that engages clients and serves as a point of entry for a continuum of services that facilitate movement toward stabilized employment, housing, and self-sufficiency. The Housing Case Management program is designed to provide housing and supportive services on a long-term basis to formerly homeless individuals and families to assist them in sustaining housing stability. Services include on-the-spot housing assessments, and referrals to medical and mental healthcare, and substance abuse services. Clients have access to mainstream services like Harris Health’s Gold Card and SNAP food stamps programs.

The FAI helps homeless households achieve immediate and long-term housing stability by providing short- to medium-term rental assistance, rental and utility deposits, and utility payments, as needed. This funding will assist up to 200 of the most vulnerable individuals, living on our streets and in shelters, move into permanent housing. The HHA will deliver the following program services:

1. Management of the Houston/Harris County Continuum of Care Rapid Rehousing Collaborative financial assistance funds, and
2. Operation of direct rental and utility assistance to a minimum of 200 chronic or near chronic homeless clients.

The City is providing less than 59% of the budget for this program and the remaining 41% is from other federal funding sources. It should be noted that support services, including case management, will be provided to everyone served through The Way Home program. This second contract amendment provides funding through December 31, 2020.

Fuqua to house the proposed Edison Performing Arts Center (EPAC).

The financing for the project will be divided into two tranches:

- Tranche I of this project of $2.6 million will fund the acquisition of the property, support tenant relocation, finance soft-costs, and partial demolition of the property.
- Tranche II of the project of $3.5 million will finance the redevelopment of the property to be submitted to council at a later date.

In the event the requirements outlined in the grant agreement are not met, HCDD will finance the demolition of the building to benefit the community by fulfilling the national objective of reducing slum and blight on a spot basis.

The Housing and Community Development (HCDD) recommends City Council approval of an ordinance adopting guidelines for the Harvey Buyout Program (HB). This is one of the programs identified in the 2017 Flood Events (Texas Hurricane Harvey) application. Funding for this program will be received from the Texas General Land Office (GLO) in the amount of $40,800,000.00 in Community Development Block Grant-Disaster Recovery (CDBG-DR) funds. Proposed sites will be selected internally by HCDD in coordination with Houston Public Works (HPW) to identify developments that are environmentally vulnerable to future disasters.

These guidelines are the first step towards implementing buyout opportunities, designed to protect Houston’s low-to-moderate income residents from unsafe multifamily structures damaged during Hurricane Harvey and any previous flood events.

The objective of the HB program is to help prevent localized flooding and reduce streambank erosion downstream. Program prioritization will be determined based on the following preferences:

- Properties affected by Hurricane Harvey
- Properties located in a Floodway and/or Floodplain
- Properties with repetitive flood loss from 2015-2017 in conjunction with Harvey damages
- Properties located or adjacent to an ongoing HPW mitigation project, which supports the overall program to reduce the risk of future flooding.

In addition, eligible activities and costs can be applied to the following:

1. Acquisition of existing properties/land and soft costs directly related for acquisition.
2. Demolition of structures.
3. Relocation to remove owner-occupants and/or tenants from vulnerable areas.

This program is pending approval from the GLO.

The Housing & Community Development Department recommends Council approval of allocating $750,000.00 of existing TIRZ funds from ordinance No. 2019-432 to provide down payment and closing costs assistance through the Homebuyer Assistance Program (HAP), serving low-to-moderate income homebuyers with Hurricane Harvey recovery funding.

HAP is designed to increase homeownership opportunities for residents and to expand the supply of quality, safe, affordable housing within the City of Houston. This request is being made to resolve a funding discrepancy between the City and the Texas General Land Office (GLO) regarding technicalities of applicant eligibility. HCDD will make every effort to secure full reimbursement for all households served through Harvey funding from the GLO. The Housing & Community Development Department believes this will quickly alleviate any potential City liability and allow the HAP to move fully into DR-17 funding going forward.

Funding sources for the program includes U.S. Department of Housing and Urban Development (HUD) HOME Investment Partnership (HOME) grants, HUD Community Development Block Grants (CDBG), (Community Development Block Grant – Disaster Recovery (CDBG-DR) and City of Houston Affordable Housing Tax Increment Reinvestment Zone (TIRZ) funds.

Transaction Overview

Houston Public Works (HPW) has declared 1100 Frawley Street as “surplus property” to the needs of their Water division. The subject land was once a Lift Station but was abandoned in 2014. This is a single standalone corner lot near Irvington Park.

HCDD has interest in acquiring this tract for their Single-Family division to build affordable housing. HCDD will enter into a Memorandum of Understanding with HPW. The property comprises approximately 5,000 square feet of land located at 1100 Frawley Street (the Property). The Purchase Price is $120,000.00 per the appraised value. Additional costs will be incurred related to due diligence, post maintenance and closing in the amount of $30,000.00. The department proposes to fund the full development cost.

The property is in north Houston approximately four miles from City Hall, east of Airline Drive, south of the 610 North Loop, west of Hardy Road and north of Quitman. This area is primarily comprised of single-family properties representing a wide range of ages, sizes and designs. Due to its location, this general area has experienced updating and renovation, including some new construction of residential housing units. The neighborhood is an older area of Houston, but its accessibility and proximity to downtown are considered highly desirable.
**Justification**
HCDD is considering this purchase to preserve affordable housing within an area experiencing a high rate of gentrification. The site will supplement an additional tract that HCDD is in the process of acquiring in the Near Northside area. The site provides HCDD an opportunity to capitalize prime Real Estate which promotes affordable housing in Houston. In addition, since Near Northside already owns units in the area owned by City/HCDD, this site will enhance the density of single family homes in the area.

**Development Opportunities**
The intended use is owner occupied Single Family affordable households (3 bedroom) under the New Home Development Program.

**Proposed Development Timeline**
After acquiring the site, HCDD anticipates a two to four month pre-development timetable to perform an evaluation of the scope of the project, secure a developer and identify potential funding sources.
Background:
The Housing and Community Development Department (HCDD) recommends Council approval of three (3) Substantial Amendments. In accordance with HUD's Citizen Participation Plan regulations, the City is required to amend components of its Consolidated Plan/Annual Action Plan for a variety of reasons, including when a reallocation of funds increases or decreases the budget by more than 25%, when a new activity is added or deleted, and when the scope of any activity changes.

1. HCDD is proposing to reallocate $2,400,000.00 in HOME Investment Partnerships Program (HOME) funds from Multifamily Development activities to Tenant Based Rental Assistance activities.

Harvey Homeowner Assistance Program (HoAP)

Lien Modification

Agenda Item: VII.

**Background:**
The Housing and Community Development Department recommends Council approval to modify the lien requirements on Disaster Recovery assistance through the Harvey Homeowner Assistance Program (HoAP). For assistance up to $80,000.00, no lien will be placed on the property.

Assistance will be provided in the form of a grant, a zero-interest unsecured forgivable loan, or a zero-interest secured forgivable loan as follows:

- For assistance that is $20,000.00 or less, it will be considered a Grant Award.
- For assistance $20,001.00 to $80,000.00, there will be a three (3) year unsecured compliance period.
- For assistance $80,001.00 and up, there will be a 20 year compliance period secured by a lien.

This lien modification is designed to ensure Houstonians receive the assistance needed to recover from Harvey, without concerns about potential financial burden placed on their property.

No Fiscal Note is required on grant items. This item was reviewed by the Housing and Community Affairs Committee on October 15, 2019.
