Summary of Ordinance Changes
2013/14 Planning Commission Subcommittee
Subcommittee Chair: Jim Jard, Houston Planning Commission
Document Date: March 25, 2015

Screening of Residential Group Electric Meters:
- Require the screening of group electric meters (three or more meters clustered) that would otherwise be visible from the street. [Page 1, Section 33-111]

Garage/Recycling Collection Service for Single-Family
- Change the eligibility requirements for basic garbage collection service for single-family developments that have: 1) 25 residential units or less, and 2) shared driveways or private streets. Developments will be required to have either 1) 10 feet of frontage along the public street for each residential unit or 2) an area within the public right-of-way that allows for the placement of two automated collection containers (5’ x 5’) per residential unit. [Page 1, Section 39-63]

Location of Group Mailboxes:
- Clarify where in the public right-of-way a group mailbox can be constructed. The group mailbox cannot obstruct: 1) sidewalks or street paving; 2) visibility at streets or driveways; and 3) access to utilities, fire hydrants, etc. [Page 15, Section 40-13]

Shared Driveways:
- Require single-family developments opting into a building line of five feet or less to provide underground electrical service that meets Centerpoint Energy’s design requirements. [Page 2, Section 40-157]
- Allow a shared driveway to take access from a type I permanent access easement. [Page 2, Section 42-145]
- Modify the standard shared driveway length to be a maximum of 300 feet from a type I permanent access easement or a public street with an improved roadway. [Page 2, Section 42-145]

Building Line Encroachments:
- Allow an encroachment into a non-deed restriction building line requirement less than 10 feet along a collector or local street with the following conditions: 1) the encroachment is cantered; 2) the encroachment is 30 inches or less; 3) the encroachment is not on property owned by the city; and 4) the encroachment does not exceed the setback allowance for the applicable zone classification. [Page 15, Section 42-145]
City Considers Updates to Development Ordinances

The Planning and Development Department is proposing amendments to Chapters 10, 33, 39, 40, and 42 of the Code of Ordinances related to subdivision plat and site plan applications. The Houston Planning Commission will hold a public hearing for comments on the proposed changes on Thursday, April 16th at 2:30pm in the Public Level Chambers of the City Hall Annex (900 Bagby Street).
