Subject: Amended Notice to Proceed for Contract No. 4600014833 disaster Debris Removal in Waterways

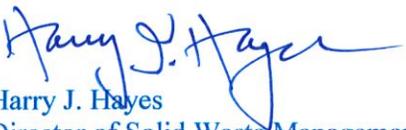

RE: Hurricane Harvey Silt Removal at confluence of West Fork San Jacinto River and Lake Houston
Office of the Governor Grant Agreement No. FC77376A 2017-0810

Dear Mr. Stafford:

This correspondence serves as your updated and amended notice to proceed (NTP) for debris removal services, specifically large silt deposits at the confluence of the West Fork of the San Jacinto River and Lake Houston, now commonly referred to as the "mouth bar".

FEES and EXPENSES: DRC Emergency Services, LLC will complete the contractor's scope of services and invoice the City of Houston in accordance with rates established and approved the city to include final disposal. The contract number must be used on all invoices and correspondence relating to the work accomplished. Your company must comply with all terms and provisions established by FEMA relative to disaster debris collection, temporary storage and final disposal.

Sincerely,

Harry J. Hayes
Director of Solid Waste Management
& City Debris Manager
