

Council Member Dave Martin's City of Houston FAQ's

1. Will the City fix my sidewalk that is in disrepair?

- Unfortunately, the maintenance and repair of neighborhood sidewalks is the responsibility of the abutting property owner, and the City will only replace sidewalks in very specific circumstances, such as on a busy thoroughfare, near a school, or for citizens with mobility impairments. The city's Public Works and Engineering Department has more information on the city's "Safe Sidewalk Program" on their website.

www.publicworks.houstontx.gov/notices/safe_sidewalk_program.html

2. Where can I find information about crime statistics in my neighborhood?

- The Houston Police Department keeps current data about crime throughout the City and makes this information available online at <http://www.houstontx.gov/police/cs/index-2.htm>.

3. There is a barking dog in my neighborhood. Who should I call?

- To report a dangerous animal running loose call BARC by dialing 3-1-1.
- Always dial 9-1-1 in case of a life-threatening emergency.

4. What should I do if there is a swimming pool hazard in my neighborhood?

- Report a pool violation to the Department of Health and Human Services at (832) 393-5169 or by visiting the link below if there are one of the following issues:
 - There is a house, occupied or unoccupied, with a pool or spa that has not been properly maintained. This can result in green or black water that may breed mosquitoes.
 - There are any slats broken or missing from a fence that surrounds a house with a pool or a spa. This also includes both vacant and occupied houses.
 - A house or property has any type of outside above-ground pool or spa that is not enclosed by a secure fence. www.houstontx.gov/health/Environmental/residentialpools.html

5. How can I report illegal Bandit or Spectacular signs?

- The City of Houston Sign Code prohibits two specific types of signs - Spectacular Signs and Bandit Signs.

SPECTACULAR SIGNS

- Typically have automatically changing advertising that changes more often than every five minutes (not including date, time, temperature, weather and stock market information). These signs have blinking, rotating, moving, chasing, flashing, glaring, strobe, scintillating spotlights or similar devices. They also have lights or colored elements creating a continuously moving, shimmering or prismatic effect, and/or rotating or moving parts.

BANDIT SIGNS

- Bandit signs are typically small and placed in large quantities along public spaces such as esplanades. These signs include political, real estate, developer, and garage sale signs and other similar signs placed upon a public street, public sidewalk, public alley, public right-of-way, public curb or other public improvement, or on any public building or structure of any kind belonging to the city.
- To report what you suspect to be an illegal sign, call the City of Houston's Sign Administration Office in the Code Enforcement Division at (832) 394-8890.
