The Honorable Dave Martin
Council Member, District E
City of Houston
900 Bagby, First Floor
Houston, Texas 77024-2797

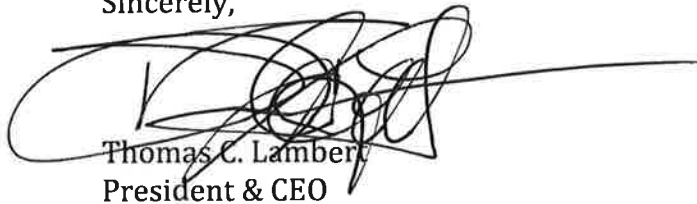

Dear Council Member Martin,

In response to the August 7th article in *The Tribune* entitled "Metro proposed moving Kingwood Park and Ride," we want to follow up and clarify any misperception regarding the park & ride in Kingwood.

During a METRO Board workshop on July 19th, the option to build an additional park & ride closer to Highway 59 North and Kingwood Drive to improve service was discussed. This was one of several preliminary proposals deliberated to enhance park & rides throughout the METRO service area. Based on recent community input, our intent is to leave the existing park & ride in Kingwood in its current location.

We would not build any infrastructure without robust community input, and we will continue to engage you and your constituents prior to advancing any new plans in your district.

Sincerely,

Thomas C. Lambert
