## **Mayor's Disability Advocate of the Year Award (MDAYA)**

---

### **MDAYA Guidelines**

**The Mayor's Disability Advocate of the Year Award (MDAYA)** seeks to recognize and honor the contributions of advocates who, through their volunteerism in the community, have provided a notable effort towards one or more of the following:

- Increasing Houston community awareness of issues related to disabilities.
- Working towards dissolution of one or more barriers to people with disabilities.
- Being the voice for those who have difficulty or cannot represent themselves.

Selected from Houston each year are **two adult disability advocates** (one with a disability and one without), and **one youth disability advocate**. At the discretion of the MDAYA selection committee, **one posthumous** award may be given.

**All** awards are based on the virtue and impact of their work using the following criteria:

**Community Advocate (Disabled, Nondisabled and Posthumous)** - recognizes the outstanding volunteer efforts of an individual dedicated toward improving conditions and opportunities in the disability community. He/She should be a positive role model whose actions encourage others to follow in their footsteps.

**Youth Advocate** - recognizes a young person no older than 18 years of age for outstanding work in the community. This work should include selfless volunteer work exhibiting leadership qualities that will inspire our youth to become future leaders and advocates for the disability community.
