In consideration of the City agreeing to grant Tenant the Reimbursement Amount in accordance with the terms, provisions, and conditions of this Agreement, Tenant agrees to comply with the following conditions that must be fulfilled in order to receive the Reimbursement Amount (collectively, "Tenant Conditions"): 

3.1.1 Job Creation Condition. ARTICLE IV. CITY COMMITMENT

4.1 Payment of Reimbursement Amount. The Reimbursement Amount shall accrue beginning on the first day of the first January immediately following the Effective Date and continuing each year for ten (10) years. 6.3 Notwithstanding the foregoing, the Director and the City Attorney are hereby authorized to negotiate and enter into amendments and revisions to the Agreements under which there are noticed incurable defaults or curable defaults which have not been cured after notice and opportunity to cure. In the foregoing circumstances, the Parties are also authorized to negotiate and enter into any other and further agreements they determine best protect the City's interests.

6.4 **Force Majeure.** Notwithstanding anything in this Agreement which is or may appear to be to the contrary, if the performance of any covenant or obligation to be performed hereunder by either Party (specifically excluding any monetary obligations) is delayed as a result of circumstances which are beyond the reasonable control of such Party (which circumstances may include, without limitation, pending or threatened litigation, acts of God, war, acts of civil disobedience, fire or other casualty, shortage of materials, adverse weather conditions (such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures, hurricane or tornadoes) labor action, strikes or similar acts) the time for such performance shall be extended by the amount of time of
such delay. The Party claiming delay of performance as a result of any of the foregoing force majeure events shall deliver written notice of the commencement of any such delay resulting from such force majeure event not later than seven (7) days after the claiming Party becomes aware of the same, and if the claiming Party fails to so notify the other Party of the occurrence of a force majeure event causing such delay, the claiming Party shall not be entitled to avail itself of the provisions for the extension of performance contained in this Section.
