III. BACKGROUND

By Ordinance No. 97-1589, adopted December 17, 1997, the City created the Lake Houston Zone for the purposes of development and redevelopment in the Lake Houston Area. The Board of

Directors of the Lake Houston Zone initially adopted a project plan and reinvestment zone financing plan, which was approved by the City on April 21, 1999, by City of Houston Ordinance No. 1999-387. The City has enlarged the boundaries of the Lake Houston Zone by adding the Annexed Area pursuant to City of Houston Ordinance No. 1999-583. The Board of Directors of the Lake Houston Zone has adopted and the City Council approved the First Amendment to the Project Plan on August 11, 1999, pursuant to City of Houston Ordinance No. 1999-584. The City currently contributes tax increments produced in the Lake Houston Zone to the Tax Increment Fund. HISD desires to participate in the Lake Houston Zone in consideration for the agreements set forth below.

HISD hereby acknowledges receipt of notice of the initial creation of the Lake Houston Zone and the notice prior to May 31, 1999, of the City's intent to enlarge the boundaries of the Lake Houston Zone by adding the Annexed Area and amending the Project Plan to reflect such addition and the Educational Facilities Project Costs contemplated by this Agreement. HISD has waived the 60-day notice requirement of Section 311.003(e), Texas Tax Code, with respect to the initial creation of the Lake Houston Zone and hereby waives any 60-day notice or presentation requirement that may be applicable to the enlargement of the Lake Houston Zone or the amendment to the Project Plan.

IV. OBLIGATIONS OF HISD

A. Tax Increment Participation by HISD

For and in consideration of the agreements of the parties set forth herein, and subject to the remaining subsections of this section, HISD agrees to participate in the Lake Houston Zone by contributing the tax increment produced in the Lake Houston Zone attributable to HISD to the Tax

Increment Fund during the term of this Agreement at the rate, subject to the allocations and for the time as shown in Exhibit "A".

B. Option to Reduce Participation

In circumstances where there is not a loss caused by a change in law such that Section IV.E. applies, upon written notice to the City, HISD may reduce its HISD Tax Increment Participation from year to year and for any tax year beginning in January of the year after the notice is given and subsequent years to a rate not less than the tax rate for Non-Educational Facilities Project Costs as shown in Exhibit "A". Any such reduction shall reduce the aggregate amount paid to HISD for Educational Facilities Project Costs pursuant to Section V.C. by the total aggregate amount of the reduction of tax increments paid to the City as a result of such reduction in the HISD Tax Increment Participation.

C. Tax Increment Limitation

1. Subject to the limitations set out in this Agreement, the amount to be contributed by HISD (the "HISD Tax Increment Participation") is the amount of taxes collected by HISD each year during the term of this Agreement by levying a tax at the rate, subject to the allocations and for the time shown in Exhibit "A" for the Original Area and the Annexed Area, respectively.

2. HISD's Tax Increment Participation and obligation to participate in the Lake Houston Zone shall be restricted to its tax increment collected on the Captured Appraised Value in the Lake Houston Zone. HISD shall not be obligated to pay its HISD Tax Increment Participation from other HISD taxes or revenues or until the HISD Tax Increment Participation in the Lake Houston Zone is actually collected. The obligation to pay the HISD Tax Increment Participation shall accrue as taxes representing the HISD tax increment are collected by HISD and payment shall be due as

provided in section 311.013(c) of the Texas Tax Code. The City and the Lake Houston Zone agree that no interest or penalty will be charged to HISD for any late payment received from HISD.

D. Shared Educational Facilities

HISD agrees that the City will be permitted to use the grounds and facilities of any Educational Facilities acquired, constructed or reconstructed with or financed by monies from the Tax Increment Fund, and that HISD and the City will negotiate use agreements for such use. HISD will allow the City to use, at no cost to the City other than proportionate utility, maintenance and building personnel costs of HISD, ballfields, tennis courts and other outdoor recreational areas, indoor recreational areas, lunchrooms, and other assembly areas of the Educational Facilities constructed with or financed by monies from the Tax Increment Fund for municipal recreational and meeting purposes, at all reasonable times to be agreed to by the City and HISD that HISD is not conducting school or other related activities at the facilities. HISD shall identify annually for the City and the Lake Houston Zone those Educational Facilities that are acquired, constructed or reconstructed or financed with monies from the Tax Increment Fund.

E. Changes in Applicable Laws

Notwithstanding any other provision of this Agreement, in the event and to the extent that Texas law applicable to HISD or tax increment reinvestment zones is changed subsequent to the effective date of this Agreement, or there is any interpretation, ruling, order, decree or court decision interpreting existing or subsequently enacted law applicable to HISD or tax increment reinvestment zones, whether administratively by the Texas Education Agency, the Comptroller of Public Accounts of the State of Texas, the Attorney General of the State of Texas, or by a court of competent jurisdiction, with the result that the participation of HISD in the Lake Houston Zone decreases the

aggregate amount of the state and local funds available to or received in any school year by HISD during the term of this Agreement that would otherwise be available to or received by HISD in such school year if HISD was not participating in the Lake Houston Zone during that year, as determined by HISD subject to the review by the City as to the accuracy of the calculations, HISD's Tax Increment Participation shall, at the option of HISD, be reduced in an amount equal to the amount of the decrease in the aggregate state and/or local funding available to or received in that school year by HISD during the term of this Agreement as a result of HISD's participation in the Lake Houston Zone less any amounts set aside or payments made by the City and the Lake Houston Zone to HISD pursuant to Section V.C. of this Agreement. "State and local funds" for purposes of this section are defined in chapters 41, 42 and 46 of the Education Code but do not include the amounts paid by HISD into the Tax Increment Fund pursuant to this agreement.

Nothing in this Section shall require the City or the Lake Houston Zone to pay HISD Educational Facilities Project Costs with any funds other than the portion of the Tax Increment Fund attributable to the HISD Tax Increment Participation.

For any HISD fiscal year that HISD intends to decrease its participation in the Lake Houston Zone pursuant to this Article, HISD's calculation of the decrease will be provided to the City no later than 15 months following the end of such fiscal year, or six months following any such interpretation, ruling, order or decree, and the City shall have 2 months to review HISD's calculations. If HISD submits the calculation after the payment of its tax increment for the applicable year, the deductions shall be made from HISD's future payments of HISD Tax Increment Participation.

F. Expansion of Lake Houston Zone

HISD's participation shall not extend to the tax increment on any additional property added to the Lake Houston Zone by the City unless the Board of Education of HISD approves the participation.

V. OBLIGATIONS OF CITY AND LAKE HOUSTON ZONE

A. Street Right of Way

To the extent requested by HISD, the City and the Lake Houston Zone agree that monies from the Tax Increment Fund shall be used, at no cost to HISD, to pay to the City the following costs that otherwise would be incurred by HISD with respect to the construction and operation of any educational facilities constructed by or on behalf of HISD in the Lake Houston Zone pursuant to the Project Plan: (a) the cost of abandonment of any street right of way by the City on behalf of HISD for HISD Educational Facilities in the Lake Houston Zone and (b) the cost of water and sewer utility connections and construction outside the boundaries of HISD property for HISD Educational Facilities in the Lake Houston Zone (collectively, "School Support Expenses"). The City shall use the proceeds obtained from payments made pursuant to the preceding sentence for infrastructure improvements or other projects identified in the Lake Houston Zone Project Plan.

B. Project Plan

The parties agree that the Superintendent of Schools of HISD shall be permitted to review and comment upon any amendments to the Lake Houston Zone Project Plan before the amendments are submitted to the City Council for City approval. Any Lake Houston Zone Project Plan shall provide Educational Facilities Project Costs for HISD Educational Facilities within the Lake Houston Zone or the City. The parties further agree that an amendment to the Project Plan occurring

after September 1, 1999, shall not apply to HISD unless the Board of Trustees of HISD or its duly authorized designee approves the amendment to the Project Plan, if the amendment to the Project Plan:

- (1) has the effect of directly or indirectly increasing the percentage or amount of tax increment to be contributed by HISD;
- (2) requires or authorizes the City to issue additional tax increment bonds or notes; or
- (3) eliminates or reduces Educational Facilities Project Costs.

In the event the City and the Lake Houston Zone amend the Project Plan to provide for any portion of the Tax Increment Fund to be used for costs of elementary or secondary school facilities for any entity other than HISD without the prior consent of the Board of Trustees of HISD, HISD shall have the right to terminate this agreement. The City and the Lake Houston Zone shall not use any portion of the HISD Tax Increment Participation for the construction, renovation, repair, maintenance, lease, purchase or financing of any educational facilities serving postsecondary students without the prior written approval of the HISD Superintendent of Schools, but may use the Tax Increment Participation contributed by participating taxing units other than HISD for such purposes, provided that a taxing unit providing educational services to postsecondary students in such educational facilities contributes 100 percent of its tax increment produced in the Lake Houston Zone to the Tax Increment Fund from the date of its participation until the termination of the Lake Houston Zone.

C. Financing and Construction of Educational Facilities

A portion of the HISD Tax Increment Participation equal to the amount of taxes collected by HISD each year during the term of this Agreement by levying a tax according to Exhibit "A" per

\$100 valuation on the Captured Appraised Value, and interest earned thereon, shall be applied to the payment of Non-Educational Facilities Project Costs, including Administrative Costs and School Support Expenses. The remaining portion of the HISD Tax Increment Participation, and interest earned thereon, shall be paid to HISD by the City, the Lake Houston Zone or the Lake Houston Redevelopment Authority on an annual basis to be used by HISD for Educational Facilities Project Costs, within the Lake Houston Zone or the City. This Section V.C. applies to Educational Facilities Project Costs incurred after January 1, 1999.

All funds paid to HISD pursuant to this Section V.C. shall come from the Lake Houston Zone HISD Tax Increment Participation. Neither the City nor the Lake Houston Zone shall ever be obligated to set aside for or pay to HISD any funds other than HISD's portion of funds derived from the Lake Houston Zone, nor shall the City or the Lake Houston Zone ever be obligated to expend any funds other than funds made available by HISD after payment pursuant to this Section V.C. to finance, acquire, construct or reconstruct any Educational Facilities Project Costs.

D. Control of Educational Facilities

The parties agree that all decisions regarding location, acquisition, construction, reconstruction and educational content of HISD Educational Facilities funded with the Educational Facilities Project Costs will be in the control of HISD. Nothing in this subsection shall be construed to relieve HISD of the obligation to comply with all City ordinances and regulations applicable to the construction, reconstruction and operation of any educational facility by or on behalf of HISD.

VI. TERM AND TERMINATION

A. Agreement Term

This Agreement shall be effective as of August 31, 1999, and shall remain in effect until December 31, 2028. The first payment of increment taxes by HISD under this Agreement shall be for those taxes levied by HISD in the year 1999 and the last payment by HISD under this Agreement is for those taxes levied by HISD in the year 2027.

B. Early Termination

The City shall not adopt an ordinance terminating the Lake Houston Zone earlier than the duration of the Lake Houston Zone established in Ordinance No. 1999-1589 without the prior consent of HISD, provided that the Lake Houston Zone may otherwise terminate by operation of law.

C. Disposition of Tax Increments

Upon termination of the Lake Houston Zone, and if all Project Costs have been paid, the City and the Lake Houston Zone shall pay to HISD all monies, including interest earned thereon remaining in the Tax Increment Fund that are attributable to the HISD Tax Increment Participation paid into the Tax Increment Fund and shall pay to the City all monies, including interest earned thereon then remaining in the Tax Increment Fund attributable to the City.

VII. MISCELLANEOUS

A. Severability

In the event any term, covenant or condition herein contained shall be held to be invalid by any court of competent jurisdiction, such invalidity shall not affect any other term, covenant or condition herein contained, provided that such invalidity does not materially prejudice either HISD,

the City or the Lake Houston Zone in their respective rights and obligations contained in the valid terms, covenants or conditions hereof.

In the event any term, covenant or condition shall be held invalid and affects in any manner the limitations on HISD's contributions or participation, then this Agreement shall be void as to HISD and HISD shall have no liability for any incremental or other payments as may otherwise be provided for in this Agreement.

B. Entire Agreement

This Agreement merges the prior negotiations and understandings of the parties hereto and embodies the entire agreement of the parties, and there are no other agreements, assurances, conditions, covenants (express or implied) or other terms with respect to the covenants, whether written or verbal, antecedent or contemporaneous, with the execution hereof.

C. Written Amendment

Unless otherwise provided herein, this Agreement may be amended only by written instrument duly executed on behalf of each party.

D. Notices

All notices required or permitted hereunder shall be in writing and shall be deemed delivered when actually received or, if earlier, on the third (3rd) day following deposit in a United States Postal Service post office or receptacle with proper postage affixed (certified mail, return receipt requested) addressed to the respective other party at the address prescribed in Section I of this Agreement or at such other address as the receiving party may have theretofore prescribed by notice to the sending party.

E. Non-Waiver

Failure of any party hereto to insist on the strict performance of any of the agreements herein or to exercise any rights or remedies accruing hereunder upon default or failure of performance shall not be considered a waiver of the right to insist on, and to enforce by any appropriate remedy, strict compliance with any other obligation hereunder or to exercise any right or remedy occurring as a result of any future default or failure of performance.

F. Assignment

No party shall assign this Agreement at law or otherwise without the prior written consent of the other parties.

No party shall delegate any portion of its performance under this Agreement without the written consent of the other parties.

G. Successors

This Agreement shall bind and benefit the parties and their legal successors. This Agreement does not create any personal liability on the part of any officer or agent of the City or of any trustee, officer, agent or employee of HISD.

H. No Waiver of Immunity

No party hereto waives or relinquishes any immunity or defense on behalf of itself, its trustees, officers, employees, and agents as a result of its execution of this Agreement and performance of the covenants contained herein.

I. Access to Financial Information

Each party to this Agreement shall have reasonable access to all financial information and audit reports regarding the operation of the Lake Houston Zone and expenditures from the Tax Increment Fund.
