

Find Your Path Career Day Expo Fact Sheet

Hosted by the City of Houston, the annual Find Your Path Career Day Expo was created to expose students to the wide variety of careers available in the public sector and in Houston’s major growth industries. Since 2012, over 18,000 high school students have experienced interactive and engaging exhibits, met with representatives from dozens of local and out-of-state colleges and universities, learned how to avoid social media pitfalls, and received valuable resource information.

Expo exhibitors are grouped into the Endorsement Areas mandated by House Bill 5, which include:

- Business and Industry
- STEM (Science, Technology, Engineering, and Mathematics)
- Public Service
- Arts and Humanities
- Resources
