**INCIDENT UPDATE: 6601 SANDSPPOINT**

Houston Fire Department arson investigators have determined the cause of a multiple alarm fire on Sandspoint accidental in nature. The fire originated in the engine compartment of a vehicle parked in a garage.

HFD was dispatched to a condominium fire at 6601 Sandspoint in southwest Houston about 3:15 p.m. on Friday, October 23, 2009. When firefighters arrived they found heavy fire coming from the 2-story structure. Working smoke detectors alerted the residents and there were no reported injuries. The fire was taped out just before 4:30 p.m. The fire caused an estimated \$350,000 in structural damage.
