## **“CHOICES FOR INDEPENDENCE”**

Two words that come together  
When you speak of someone dear.  
It is that special person  
If you call, they’re always near.

You’ll see that in a ‘CareGiver’.  
Love comes form in their Heart.  
With loving hands and guidance  
They help each new day start.

Caring for the fragile soul,  
Giving day to day.  
They meet the needs of loved one’s  
Spreading love along the way.

A gentle touch, a helping hand,  
A glow that makes you smile.  
Always near to comfort  
And go that extra mile.
