**CALL US AT 1-800-647-6558**
**MONDAY-FRIDAY 9AM - 9PM**
**SATURDAYS 9AM - 3PM**
**WIC APPOINTMENT LINE (713)794-9090**

**What should I expect at my child’s well child exam?**
- **Developmental History**
  - Nutrition and breast feeding
  - Hearing and vision
- **Physical Exam**
- **Anticipatory Guidance/Health Education**
  - Child safety: car seats, smoke detectors, lower crib mattress
  - Health food choices, weaning from the bottle, no bottle in bed
  - Social behavior: cuddling, holding and reading
- **Immunizations**
  - 2, 4, 6 and 12 months to 2, 4 and 11-12 years

**HEALTH TIPS**
Immunize your baby on time to protect him or her from many serious diseases. Make an appointment to catch up any missed shots.

*Bring your child’s immunization record to every visit*  
*Keep your child’s record in a safe place.*

**PARENTING TIPS**
Talk to your baby about what you want him or her to do. Your baby can understand more words than he or she can say. Praise your baby when he or she does things you like. Play, read and talk with your baby every day. Repeat songs and nursery rhymes that he or she likes.

**SAFETY TIPS**
As your baby learns to walk and climb, make sure your house is safe to explore. Keep the floor clean, lock poisons away in a closet, put things that break on a high shelf and keep gates closed on stairs.

*Keep your baby in a car seat!*
