

Kids Vision for Life Frequently Asked Questions

Q. How long will it take my school to finish?

A. It should take 2-3 hours; however, the goal is to have all schools departing by 2:30pm.

Q. Will the students from my school be kept together?

A. In order to move a school through as quickly as possible students may be split.

Q. Where and when will my student have lunch?

A. There is a designated area for lunch and a staff person will coordinate the time that your school will eat.

Q. As the nurse or representative of a school; what are you expecting me to do?

A. Monitor students' behavior. Never let them leave your site without adult supervision.

Q. Do I need to assist my students with picking their eyewear?

A. The goal of this opportunity is for the student to pick their eyewear without your assistance. There are trained opticians to assist them.

Q. When will the students receive their eyewear?

A. An optical team will deliver eyewear to your school within 4-6 weeks and fit the students to ensure eyewear is correctly prescribed and comfortable.

Q. What happens if eyewear needs minor repairs?

A. The delivery team will provide a care sheet that will let them know where they can take for minor repairs.

Q. What will I get when leave the clinic?

A. You will get a closeout letter that will let you know what services your students received. You will know what students had a need for eyewear or not.
