FREQUENTLY ASKED QUESTIONS

1. Question: If an agency is proposing all three components under Category 2, can an agency ask for more than \$450,000?

Answer: No, the total award request cannot exceed \$450,000.

2. Question: Is it necessary to copy training certificates of staff members whose certifications are already on file at the City or can an organization cite in the proposal that the particular staff member's information is already on file?

Answer: Yes. To assist with the review of proposal submissions, RFP applications should contain the required certifications as though nothing is currently on file with the City.

3. Question: Under Category 2, can an agency propose to use grant funds to purchase gonorrhea and Chlamydia test kits as part of its comprehensive STD screening services?

Answer: The entire cost of the intervention is to be reflected into the budget.
