RE: Neighborhood Stabilization Program 1 Monthly Reporting: DRGR Reporting for April 2012

Dear Ms. Warren:

On March 26, 2009, the Department of Housing and Urban Development (HUD) executed the City of Houston, Housing and Community Development Department (HCDD) Neighborhood Stabilization Program (NSP) grant agreement.

In reference to NSP requirements pertaining to *Quarterly* and *Monthly* reporting in the Federal Register at pg. 58341,(O)(b)(i), the following reporting requirements are presented for April 30th monthly reporting period:

- HCDD has awarded \$3,385,549 in NSP funds for single-family rehabilitation. HCDD designated \$3,385,549 to four non-profit organizations to acquire, rehabilitate, and redevelop and sell these foreclosed properties at affordable prices. HCDD obligated \$3,385,549 in DRGR, which is 100% of the single family budget. These agencies are currently in the construction process. We expended \$1,627,885 of NSP funds for these single family properties. Thirteen houses have been built and sold. Two houses have been completed and not sold. Seven houses are under construction.
- HCDD obligated \$8,802,425 in DRGR (100% of the multifamily budget) in NSP funds to the National Farm Workers Service Center (NFWSC) (now known as the Cesar Chavez Foundation) for a multifamily acquisition and rehabilitation of the Zollie Scales Apartments. HCDD provided funding for the acquisition of the apartments on November 23, 2010. HCDD expended \$2,500,558 of NSP funds for the acquisition and rehabilitation of this multifamily property. The construction phase began on January 18, 2012.
- The City drew down \$559,235 in NSP Funds for administration out of the \$1,354,219 administration budget.
