

WE'RE PLANNING TO SPEND MILLIONS OF FEDERAL FUNDS TO IMPROVE HOUSTON COMMUNITIES

ANNOUNCING THE PUBLIC HEARINGS FOR THE 2014 ACTION PLAN

Please join the **Housing and Community Development Department** (HCDD) for the public hearings to initiate work on the 2014 Annual Action Plan's budget activities for HUD federal formula grants including CDGB, HOME, HOPWA, and ESG.

The purpose of the two public hearings is to gather the public's input on community needs and budget priorities to help prepare the 2014 Annual Action Plan, due in May 2014. HCDD's annual allocation of federal funds provide the following services to Houstonians: affordable housing, single-family home repair, community development, neighborhood facility and improvements, and programs serving the youth, homeless, persons living with AIDS, and people with special needs.

At the public hearings you will receive:

1. The status of the prior grant year's federally funded programs (2012),
2. An update on the current grant year's federally funded programs (2013), and
3. Information and tentative dates for the 2014 Plan process.

For additional information, or to request special arrangements (interpreter, sign language, captioning for the hearing impaired), please contact Andrea Jones at 713-868-8300.
