Answer C: call police to investigate for possible theft - should be included as a correct answer.

I work in HFD Internal Affairs. Contacting HPD and filing a theft report is the current practice in this type scenario (personal lockers broken into). We have had several cases of this nature in the last two years - Station Officers were advised to contact HPD and file theft report.

The moved equipment doesn't mean that anything was malicious. Some captains prefer their equipment on their apparatus. There is a possibility that equipment was moved days ago and the crew assumed that a majority of equipment was done maliciously.

You always document situations like this. (contacting other ~~senior~~ seniors) is correct.

Lockers were broken in B. HPP is always contacted in that situation.

What if some civilian ransacked the station?
A, B, + C are the only correct answers

"C" should be included as a correct answer. This is a criminal matter and should be investigated by police. It wasn't clear in the paragraph if anything was missing. We cannot assume that nothing was taken. Therefore, especially if City of Houston property was stolen, a police report should be filed. That way, if anything is recovered, it can be returned to the station.
