Death Benefits will be reduced if an accelerated death benefit is paid.

DISCLOSURE: The Accelerated Death Benefit offered under this Policy is intended to qualify for favorable tax treatment under the Internal Revenue Code of 1986. If the Accelerated Death Benefit qualifies for such favorable tax treatment, the benefits will be excluded from the insured Employee’s income and not subject to federal taxation. Tax laws relating to Accelerated Death Benefits are complex. The insured Employee is advised to consult with a qualified tax advisor about circumstances under which he or she could receive the Accelerated Death Benefit excludable from income under federal law.

Receipt of the Accelerated Death Benefit payment may affect the insured Employee, his or her spouse, or his or her family’s eligibility for public assistance such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), Supplementary Social Security Income (SSI), and drug assistance programs. The insured Employee is advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such payment will affect the insured Employee, his or her spouse, or his or her family’s eligibility for public assistance.

When does Your Noncontributory insurance become effective?

Current Employees
If You are an eligible Employee on the Policy effective date, Your Noncontributory coverage under the Policy will become effective on the date indicated in the Schedule of Benefits, provided You are Actively at Work on that day.

New Employees
If You become an eligible Employee after the Policy effective date, Your Noncontributory coverage under the Policy will become effective on the date indicated in the Schedule of Benefits, provided You are Actively at Work on that day.

If You waive all or a portion of Your Noncontributory coverage and choose to enroll at a later date, You are considered a late applicant and must furnish Evidence of Insurability satisfactory to Us before coverage can become effective. Coverage will become effective on the first or sixteenth of the month that falls on or next follows the date We determine that the Evidence of Insurability is satisfactory and We provide written notice of approval.

00008 COH

**What happens if We are replacing an existing Policy?**

If You were insured under the Prior Policy on the day before the Policy Effective Date, You may be covered by the Policy even if You do not satisfy the Actively at Work requirement as stated in the When does insurance become effective? provisions. Subject to the payment of premiums when due, We agree to waive the Actively at Work requirement if You:

1. were covered on the day immediately preceding the Policy Effective Date; and
2. You are on lay-off, non-medical leave of absence, or sabbatical leave; and
3. You are covered under an extension of benefits under the Prior Policy.
Coverage will continue until the first to occur of:

1. the balance of the extension of benefits under the Prior Policy; and
2. the Policy terminates.

Prior Policy means the group term life insurance policy issued to the Policyholder whose coverage terminated immediately prior to the Policy Effective Date.

Changes to Your coverage

A change in Your coverage may occur if:

1. You enroll for a different coverage option; or
2. There is a Policy change; or
3. You enter another class and become eligible for a change in benefits; or
4. There is a change in Your Annual Earnings, which results in an increased benefit amount.

If You are eligible for additional coverage due to a Policy change, the additional coverage will be effective on the date the Policy change is effective, as requested by the Policyholder and agreed upon by Us.

Additional coverage for reasons other than a Policy change will be effective as indicated in the "When Does Your Contributory insurance become effective?" section, or the later of:

In order for Your additional coverage to begin, You must be Actively at Work.

Additional Contributory coverage is subject to payment of premium.

Any decrease in coverage will take effect on the first or sixteenth of the month that falls on or next follows the date of the change or written request for the decrease.

Eligibility after You Terminate Employment

If Your coverage ends due to termination of employment, You must meet all the requirements of a new Employee if You are rehired at a later date.

Exception: If Your coverage ends because You cease to be an eligible Employee, and You return to Active Work in an eligible class within 90 days, We will not:

1. apply a new Eligibility Waiting Period; or
2. require Evidence of Insurability.

If You converted all or part of Your group life insurance when employment terminated, the individual policy must be surrendered upon return to Active Work.
TERM LIFE INSURANCE BENEFIT

When is a Life Insurance Benefit payable?

We will pay Your beneficiary the amount of life insurance in force as of the date of Your death provided:

1. You are insured under the Policy on the date of death, and
2. We receive proof of death.

We will determine the amount of insurance payable based upon the Schedule of Benefits.

Immediate Death Benefit

We will immediately pay to the beneficiary $10,000 of the life insurance amount payable upon notification from the Policyholder that You have died, subject to the following:

1. The beneficiary must be of legal age.
2. The Policyholder will reimburse Us any amount paid in error based on incorrect information provided by the Policyholder.
3. If the cause of death is known to be under investigation, the Policyholder will notify Us and payment may be delayed pending an investigation.

To the extent permitted by law, the amount payable to the beneficiary will not be subject to any legal process or to the claims of any creditor or creditor’s representative.

Who will receive Your Life Insurance Benefits?

Your beneficiary designation must be made on a form which We provide or on a form accepted by Us. If two or more beneficiaries are named, payment of proceeds will be apportioned equally unless You had specified otherwise. The Policyholder may not be named as beneficiary. Unless You provide otherwise, if a beneficiary dies before You, or within 15 days thereafter, We will divide that beneficiary's share equally between any remaining named beneficiaries, unless We receive proof of death before the date of the beneficiary’s death.

If a beneficiary is a minor, or is not able to give a valid release for any payment of benefits made, We will not make payment until a claim is made by the person or entity which, by court order, has been granted control of the estate of such beneficiary. This provision does not prevent Us from making payment to or for the benefit of a minor beneficiary in accordance with the applicable state law.

Facility of Payment

If no named beneficiary survives You or if You do not name a beneficiary, We will pay the amount of insurance:

1. to Your Spouse, if living; if not,
2. in equal shares to Your then living natural or legally adopted children, if any; if none,
3. in equal shares to Your father and mother, if living; if not,
4. in equal shares to Your brothers and/or sisters, if living; if not,
5. to Your estate.
If any benefits under this provision are to be paid to Your estate, We may pay an amount not greater than $250 to any person We consider equitably entitled by reason of having incurred funeral or other expenses incident to Your death. Any and all payments made by Us shall fully discharge Us in the amount of such payment.

May You change Your beneficiary?

You may change Your beneficiary at any time by completing a form provided or accepted by Us, and sending it to the Policyholder. Your written request for change of beneficiary will not be effective until it is recorded by the Policyholder. After it has been so recorded, it will take effect on the later of the date You signed the change request form or the date You specifically requested. If You die before the change has been recorded, We will not alter any payment that We have already made. Any prior payment shall fully discharge Us from further liability in that amount.

If You are approved for continued life coverage under the Waiver of Premium, You may be asked to name a beneficiary. A beneficiary designation made in connection with Waiver of Premium, if different from the designation on Your enrollment form, shall constitute a change of beneficiary under the Policy. Such change of beneficiary only applies while You qualify for continued coverage under the Waiver of Premium provision.

If continuation of life insurance under the Waiver of Premium provision ceases, and You are employed by the Policyholder, You must make a new beneficiary designation. If You do not name a new beneficiary, We will pay death benefits in accordance with the Facility of Payment provision.

CONVERSION OF LIFE INSURANCE

How much Life Insurance may You convert if eligibility terminates?

You may convert to an individual policy of life insurance if Your life insurance, or a portion of it, ceases because:

1. You are no longer employed by the Policyholder; or
2. You are no longer in a class which is eligible for life insurance.

In either of these situations, You may convert all or any portion of Your life insurance which was in force on the date Your life insurance ceased.

How much Life Insurance may You convert if the policy terminates or is amended?

You may also convert to an individual policy of life insurance if Your life insurance ceases because:

1. life insurance benefits under the Policy cease; or
2. the Policy is amended making You ineligible for life insurance; however, in either of these situations,

You must have been insured under the Policy, or the Policy it replaced, for at least five (5) years. The amount of insurance converted in either of these situations will be the lesser of:

1. the amount of life insurance in force, less any amount for which You become eligible under this or any other group policy within 31 days after the date Your life insurance ceased; or
2. $10,000.
How to apply for conversion

We must receive written application and the first premium for the individual life insurance policy within 31 days after life insurance under the Policy ceased. No Evidence of Insurability will be required.

The individual policy will be a policy of whole life insurance. It will not contain waiver of premium, accelerated death benefit, disability benefits, accidental death and dismemberment benefits or any other ancillary benefits.

The minimum issue amount of an individual conversion policy is $2,000. The premium for the individual policy will be based on:

1. Our current rates based upon Your attained age;
2. the class of risk to which the individual then belongs; and
3. the amount of the individual policy.

If application is made for an individual policy, the coverage under the individual policy will be effective on the day following the 31-day period during which You could apply for conversion.

If You die during a period when You would have been entitled to have an individual policy issued to You and if You die before such an individual policy became effective, We will pay Your beneficiary the greatest amount of group term life insurance for which an individual policy could have been issued, provided:

1. Your death occurred during the 31-day period within which You could have made application; and
2. We receive proof of death.

If life insurance benefits are paid under the Policy, payment will not be made under the converted policy, and premiums paid for the converted policy will be refunded.

WAIVER OF PREMIUM

What is the Waiver of Premium benefit?

We will continue Your Basic and Supplemental life insurance benefit under the Policy without further payment of life insurance premium if You become Totally Disabled, provided:

1. You are insured under the Policy and were Actively at Work on or after the effective date of the Policy; and
2. You are under the age of 60; and
3. You provide Us with satisfactory written proof within 18 months after the date You became Totally Disabled; and
4. Your Total Disability has continued without interruption for at least 6 months; and
5. You are still Totally Disabled when You submit the proof of disability; and
6. all required premium has been paid.

Total Disability or Totally Disabled means You are diagnosed by a Doctor to be completely unable because of Sickness or Injury to engage in any occupation for wage or profit or any occupation for which You become qualified by education, training or experience.

DNL1-604-913 HOU-TX EE
We will waive premium beginning the month after We receive satisfactory proof that You have been *Totally Disabled* for at least 6 months. We will refund up to 12 months of the premiums that were paid for life insurance after the date You became *Totally Disabled*. Premium will continue to be waived provided You:

1. remain *Totally Disabled*; and
2. provide satisfactory written proof of continuing *Total Disability* upon request. *We* will not request proof of continuing *Total Disability* more frequently than once every three months during the first two years of *Total Disability*, and not more frequently than once a year after the Insured has been *Totally Disabled* for two years.

*You* are responsible for obtaining initial and continuing proof of *Total Disability*.

*You* will be covered for the amount of life insurance in force as of the date *Total Disability* commenced. The amount of life insurance continued in force will be subject to any reduction in benefits as shown on the Schedule of Benefits or which are the result of an amendment to the *Policy*, but in no event will the insurance amount increase while *Your* life insurance is continued under Waiver of Premium. This life insurance coverage will continue without the payment of premium until *You* are no longer *Totally Disabled* or retire, whichever occurs first.

*We* may have *You* examined at reasonable intervals during the period of claimed *Total Disability*, but not more frequently than once every three months during the first two years of *Total Disability*, and not more frequently than once a year after the Insured has been *Totally Disabled* for two years. Continuation of life insurance under the Waiver of Premium provision shall end immediately and without notice if *You* refuse to be examined as and when required.

If *You* are approved for continued coverage under the Waiver of Premium provision, *You* will be asked to name a beneficiary. That beneficiary designation:

1. will only apply while *Your* coverage continues under this Waiver of Premium provision; and
2. if different from the designation on *Your* enrollment form, shall constitute a change of beneficiary under the Policy.

*We* will pay the amount of life insurance in force to *Your* beneficiary if *You* die before furnishing satisfactory proof of *Total Disability*, if:

1. *You* die within one year from the date *You* became *Totally Disabled*; and
2. *We* receive proof that *You* were continuously *Totally Disabled* until the date of death; and
3. *We* receive proof of death.

If continuation of life insurance under the Waiver of Premium provision ceases while the Policy is still in force, and *You* are employed by the *Policyholder*, *Your* life insurance will continue provided premium payments begin on the next premium due date. If *You* return to work with the *Policyholder*, *You* must make a new beneficiary designation. If *You* do not name a new beneficiary, *We* will pay death benefits in accordance with the Facility of Payment provision. In the event *You* return to active employment and become *Totally Disabled* again, *You* must satisfy all conditions of the Waiver of Premium provision.

If continuation of life insurance under the Waiver of Premium provision ceases, and *You* are no longer employed by the *Policyholder*, *You* may apply for an individual life insurance policy in accordance with the Conversion of Life Insurance provision of this Certificate.
How does termination of the Policy affect Your insurance under the Waiver of Premium Benefit?
Termination of the Policy will not affect any insurance that has been continued under this Provision prior to the termination date.

What if You are Totally Disabled and the Policy ends before You satisfy the Elimination Period?
Your coverage under the Policy will end if the Policy ends before You satisfy the Elimination Period. However, when the Policy ends You may be entitled to convert Your coverage to an individual plan of life insurance as described in the Conversion of Life Insurance provision.

You may still submit a claim for Waiver of Premium Benefits after the Policy ends. However, You must be Totally Disabled, pay the Conversion premium for the full length of the Elimination Period and qualify for the Waiver of Premium Benefits.

At no time can You be covered under both the individual conversion policy and this Policy.

Upon receipt of timely notice and due proof of Your Total Disability We will evaluate Your claim. If We determine that You qualify and You pay all applicable premiums, We will approve Your Waiver of Premium claim under the Policy and agree to rescind any individual policy of life insurance issued to You under the Conversion privilege. We will refund any premiums paid for such coverage. Insurance under the Policy will not go into effect until We approve your claim in writing.

ACCELERATED DEATH BENEFIT

What is the Accelerated Death Benefit?

The Accelerated Death Benefit is a percentage of Your group Basic and Supplemental term life insurance which is payable to You prior to Your death if We receive acceptable proof that You have a Terminal Condition. The Accelerated Death Benefit is limited to the maximum and minimum amounts shown on the Schedule of Benefits, and is payable only once to any one Insured.

The Accelerated Death Benefit is calculated on the group Basic and Supplemental term life insurance benefit amount in force under the Policy on the date You are diagnosed with a Terminal Condition.

Who is Eligible for an Accelerated Death Benefit?

This benefit only applies to Insureds with at least the Minimum Covered Life Insurance Benefit amounts set forth in the Schedule of Benefits. You must have been Actively at Work on or after the effective date of the Policy to be eligible for an Accelerated Death Benefit.

Terminal Condition means You have been examined and diagnosed by Your Doctor as having a non-correctable health condition that, with reasonable medical certainty, will result in Your death within 24 months from the date of the Doctor’s Statement.

Doctor’s Statement means a written medical opinion of a Doctor currently licensed to practice in the United States which:
1. is made at Your expense; and
2. indicates that You have a Terminal Condition; and
3. includes all medical test results, laboratory reports, and any other information on which the medical opinion is based; and
4. indicates Your expected remaining life span; and
5. is acceptable to Us.

The Accelerated Death Benefit Payment

We will pay the benefit during Your lifetime if You are diagnosed with a Terminal Condition if You or Your legal representative submits a claim for an Accelerated Death Benefit and provides satisfactory proof. The benefit will be paid in one sum to You. There is no cost for an Accelerated Death Benefit. At the time of the payment of the Accelerated Death Benefit, We will send a statement to the certificate holder specifying the amount of benefits paid, the effect of the Accelerated Death Benefit payment on the death benefit face amount, and the amount of benefits remaining available for acceleration.

Are there any exceptions to the payment of the Accelerated Death Benefit?

The Accelerated Death Benefit will not be payable:
1. for any amount of group term life insurance which is less than the Minimum ADB Payment as set forth in the Schedule of Benefits; or
2. if Your Terminal Condition is the result of:
   a. attempted suicide, while sane or insane; or
   b. intentionally self-inflicted injury; or
3. if Your group term life insurance benefit has been assigned; or
4. if Your group term life insurance benefit is payable to an irrevocable beneficiary, including notification to Us that such benefit or a portion of such benefit is to be paid to a former spouse as part of a divorce or separation agreement; or
Notice and Proof of Claim

You must elect the Accelerated Death Benefit in writing on a form that is acceptable to Us. You must furnish proof that You have a Terminal Condition, including a Doctor's Statement within 91 days of the notice of claim. If proof is not given within 91 days, the claim will not be reduced or denied if proof is given as soon as reasonably possible.

Effect on Insurance

The Accelerated Death Benefit is in lieu of the group term life insurance benefit that would have been paid upon Your death. When the Accelerated Death Benefit is paid:

1. the term life insurance benefit otherwise payable upon Your death will be reduced by the amount of the Accelerated Death Benefit. Any portion of the death benefit remaining after reduction of the death benefit due to payment of an Accelerated Death Benefit shall be paid upon the death of the Insured.

2. the amount of group term life insurance which could otherwise have been converted to an individual contract will be reduced by the amount of the Accelerated Death Benefit; and

3. the premium due for group term life insurance will be calculated on the amount of such insurance prior to deducting the Accelerated Death Benefit.

The payment of an Accelerated Death Benefit and the balance of the death benefit under the Policy shall constitute full settlement of the face amount of the Policy.
**ACCIDENTAL OCCUPATIONAL DEATH BENEFIT**

*What is the Accidental Occupational Death Benefit?*

*We will pay an Accidental Occupational Death Benefit if all of the following requirements are met:*

1. A Basic Life insurance benefit is payable because of *Your* death; and
2. Proof is provided that *Your* death is a *Covered Accidental Occupational Death*.

The amount of the *Accidental Occupational Death Benefit* is shown in the Schedule of Benefits.

*Covered Accidental Occupational Death* means:

1. Death caused by or resulting from an *Injury* sustained during working hours as an *Active Employee* of the *Policyholder*, or in the case of a required period of work not coinciding with regular work hours, while in transit to or from such work. Such a death, if it occurs more than five days after the *Accident*, will be a *Covered Accidental Occupational Death* only if the *Employee* receives treatment from a licensed *Doctor* as a result of the *Accident* within five days after the *Accident*.

2. Death resulting from any disease or infection which arises out of and in the scope of employment as an active *Employee* of the *Policyholder* and to which the *Employee* is not ordinarily subjected or exposed other than during working hours as an *Active Employee* of the *Policyholder*. Such a death will be a *Covered Accidental Occupational Death* only if the *Employee* receives treatment from a licensed *Doctor* within 42 days after the *Employee* was subjected or exposed to the condition which caused the disease or infection.

*Are there any exceptions to the payment of the Accidental Occupational Death Benefit?*

The *Accidental Occupational Death Benefit* will not be payable if *Your* death is caused or contributed to by any of the following:

1. war or act of war. War means declared or undeclared war, while in the military service; or
2. suicide or other intentionally self-inflicted injury, while sane or insane; or
3. *Your* committing or attempting to commit an assault or felony; or
4. the voluntary use or consumption of any poison, chemical compound or drug (including but not limited to prescribed medications), unless used or consumed in accordance with the directions of a *Doctor*.

*Notice and Proof of Claim*

Proof of occupational *Injury*, disease or infection must be provided within 365 days after the date of *Injury* or the date the *Employee* was subjected to or exposed to the condition which caused the disease or infection.

If proof of occupational *Injury*, disease or infection is filed outside these time limits, the claim will be denied. These limits will not apply while the *Employee* or beneficiary lacks legal capacity.

Proof, under the *Accidental Occupational Death Benefit*, shall mean evidence that loss occurred while occupation is being performed. In addition to a death certificate, it will include evidence supported by a completed police report, and/or Workers Compensation Insurance report (if applicable).
DEPENDENT LIFE INSURANCE

What is the Dependent Life Insurance Benefit?

We will pay You the amount of insurance set forth in the Schedule of Benefits on the life of Your Dependent(s) while Your insurance is in force. Payment will be in one lump sum.

If You are not living at the time Dependent life insurance benefits become payable, We will pay the benefit:

1. to Your Spouse, if living; if not,
2. in equal shares to Your then living natural or legally adopted children, if any; if none,
3. in equal shares to Your father and mother, if living; if not,
4. in equal shares to Your brothers and sisters, if living; otherwise
5. to Your estate.

Who is eligible for Dependent Life Insurance?

If You are insured for life insurance under the Policy and belong to a class listed in the Schedule of Benefits as eligible for Dependent Life Insurance benefits, You are eligible to enroll for this benefit. If You are enrolled for Dependent Life Insurance and subsequently acquire a new Eligible Dependent, that Dependent will automatically be covered.

Note: No eligible person may be covered more than once under the Policy. If a person is covered as an Employee or Retiree, he cannot be covered as a Spouse or Dependent Child of another Employee. If both parents are covered as insured Employees under the Policy, only one may enroll for life insurance coverage on Eligible Dependent Child(ren).

When does Dependent Life Insurance become effective?

Provided You:

1. have completed any required Employee Eligibility Waiting Period; and
2. apply for Dependent Life Insurance no later than 31 days after becoming eligible for this benefit; and
3. have paid or are obligated to pay any applicable premium,

Noncontributory Life insurance for Your Eligible Dependent(s) will become effective on the later of:

1. the date Your group insurance coverage becomes effective;
2. the effective date of the Dependent Life Insurance benefit; or

You must be Actively at Work for coverage under the Policy to become effective.

**When do changes in the Dependent Life Insurance benefit become effective?**

If no Evidence of Insurability is required, increases in the amount of Dependent Life Insurance will become effective immediately on the first or sixteenth of the month that falls on or next follows the date of the change.

For amounts on which Evidence of Insurability is required, increases in the amount of Dependent Life Insurance will be effective on the first or sixteenth of the month that falls on or next follows the date We determine that evidence is satisfactory and We provide notice of approval date.

   a. younger than 26 years of age; or
   b. over 26 years of age, physically or mentally disabled, unmarried, covered under the Policy before age 26 and under the parents' supervision; or

3. a natural or adopted grandchild of each individual eligible to be insured under the Policy if the child is:

**CONVERSION OF DEPENDENT LIFE INSURANCE**

**Can Dependent Life Insurance be converted if Eligibility Terminates?**

Yes, a Dependent may convert to an individual policy of life insurance if his life insurance, or any portion of it, ceases because:

1. You are no longer employed by the Policyholder; or
2. You are no longer in an class which is eligible for Dependent Life Insurance; or
3. You die; or
4. a Dependent Child reaches the limiting age under the Policy; or
5. a Dependent Spouse is no longer eligible as a result of divorce or dissolution of marriage; or
6. a Dependent is no longer eligible as defined in this provision.

In any of these situations, the Dependent may convert up to the amount which was in force on the date insurance was terminated.

**How much can Your covered Dependent convert if the Policy is terminated or amended?**

A Dependent may also convert to an individual policy of life insurance if his life insurance ceases because:

1. Dependent Life Insurance benefits under the Policy cease; or
2. the Policy is amended making the insured Dependent ineligible for Dependent Life Insurance; however,

he must have been insured under the Policy, or the policy it replaced, for at least five (5) years. The amount of insurance converted in either of these situations will be the lesser of:

1. the amount of life insurance in force, less any amount for which the Dependent becomes eligible
under this or any other group policy within 31 days after the date his life insurance ceased; or

2. $10,000.

**How to apply for conversion**

*We* must receive written application and the first premium for the individual life insurance policy within 31 days after life insurance under the Policy ceases. No *Evidence of Insurability* will be required.
The individual policy will be a policy of whole life insurance. It will not contain Accidental Death and Dismemberment benefits or any other supplementary benefits.

The minimum issue amount of an individual conversion policy is $2,000. The premium for the individual policy will be based on:

1. *Our* current rates based upon the applicant's attained age;
2. the class of risk to which the individual then belongs; and
3. the amount of the individual policy.

If the *Dependent* applies for an individual policy, the coverage under the individual policy will be effective on the day following the 31-day period during which he could apply for conversion.

If the *Dependent* dies during a period when he would have been entitled to have an individual policy issued to him and if he dies before such an individual policy became effective, *We* will pay the greatest amount of group term life insurance for which an individual policy could have been issued, provided:

1. the death occurred during the 31-day period during which he could have made application; and
2. *We* receive proof of death.

If life insurance benefits are paid under the Policy, payment will not be made under the converted policy, and *We* will refund any premiums paid for the converted policy.

   a. are no longer a member of a class eligible for this insurance,
   b. request termination of coverage under the Policy; or

8. five months after the date of Your death.

Note: Coverage will continue past the age limit for eligible unmarried Dependent Children who are primarily dependent upon You for support, reside with You and who cannot work to support themselves due to a physical or mental incapacity which began before the age limit was reached. Proof of such incapacity must be provided to Us upon request. We will not request proof of such incapacity more frequently than once per year.

STRIKE CONTINUATION

Insurance may be continued for up to 6 months while You are absent from Active Work because of a strike, lockout or other general work stoppage caused by a labor dispute. Rules 1 through 4 below will apply.

1. When Your compensation is suspended or terminated because of a work stoppage, the Policyholder will notify You in writing of Your rights under this provision. The Policyholder will mail the notice to You at Your address on record with the Policyholder.
2. *You* must pay the entire premium for *Your* insurance, including the *Policyholder’s* share, if any, to the *Policyholder* on or before each premium due date.

3. The premiums for *Your* insurance during the work stoppage will equal 120% of the premium rate in effect on the date the work stoppage began. *We* may change premium rates during the work stoppage according to the terms of the *Policy*.

4. Insurance continued under this provision will end on the earliest of:
   
   a. any premium due date if *You* fail to make the required premium contribution to the *Policyholder*

GENERAL PROVISIONS

Entire Contract; Changes
The Policy, the Policyholder’s Application, the Employee’s Certificate of coverage, and Your application, if any, and any other attached papers, form the entire contract between the parties. Coverage under the Policy can be amended by mutual consent between the Policyholder and Us. No change in the Policy is valid unless approved in writing by one of Our officers. No agent has the right to change the Policy or to waive any of its provisions.

Statements on the Application
In the absence of fraud, all statements made in any signed application are considered representations and not warranties (absolute guarantees). No representation by:
1. the Policyholder in applying for the Policy will make it void unless the representation is contained in his signed Application; or
2. any Employee in applying for insurance under the Policy will be used to reduce or deny a claim unless a copy of the application for insurance, signed by the Employee, is or has been given to the Employee.

Legal Actions
Unless otherwise provided by federal law, no legal action of any kind may be filed against Us:
1. until 60 days after proof of claim has been given; or
2. more than 3 years after proof of Loss must be filed, unless the law in the state where You live allows a longer period of time.

Clerical Error
Clerical error or omission by Us to the Policyholder will not:
1. Prevent You from receiving coverage, if You are entitled to coverage under the terms of the Policy; or
2. Cause coverage to begin or coverage to continue for You when the coverage would not otherwise be effective.

If the Policyholder gives Us information about You that is incorrect, We will:
1. Use the facts to decide whether You have coverage under the Policy and in what amounts; and
2. Make a fair adjustment of the premium.

Incontestability
The validity of the Policy shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. The validity of the Policy shall not be contested on the basis of a statement made relating to insurability by any person covered under the Policy after such insurance has been in force for two years during such person’s lifetime, and shall not be contested unless the statement is contained in a written instrument signed by the person making such statement and a copy of the instrument containing the statement is, or has been, furnished to the person or the person’s beneficiary.

Premium Provisions
Premiums are payable in United States dollars on or before their due dates. The Policyholder has agreed to deduct from Your pay any premiums payable for Your Supplemental coverage. The Policyholder agrees to remit such premiums for the entire time coverage under the Policy is in effect.

DNL1-604-913 HOU-TX EE 23
Premium charges for increases in insurance amounts becoming effective during a policy month will begin on the first or sixteenth of the month following the increase. Premium charges for insurance terminating during a policy month will cease on the first or sixteenth of the month following the termination. This method of charging premium is for accounting purposes only. It will not extend any insurance coverage beyond the date it would otherwise have terminated.

**Misstatement of Age**

If *You* have misstated *Your* age, the true age will be used to determine:

1. the effective date or termination date of insurance; and
2. the amount of insurance; and
3. any other rights or benefits.

Premiums will be adjusted to reflect the premiums that would have been paid if the true age had been known.

**Conformity with State Statutes and Regulations**

If any provision of the *Policy* conflicts with the statutes and regulations of the state in which the *Policy* was issued or delivered, it is automatically changed to meet the minimum requirements of the statute.

**Assignment**

*You* may assign any incident of ownership *You* may possess of the life insurance benefits provided under the *Policy* to anyone other than the *Policyholder*. *We* are not responsible for the validity or legal effect of any assignment. Collateral assignments, by whatever name called, are not permitted.

The claimant may send Us written comments or other items to support the claim. The claimant may review and receive copies of any non-privileged information that is relevant to the request for review. There will be no charge for such copies. Our review will include any written comments or other items the claimant submits to support the claim.

How you’re protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can’t pay its debts). This notice summarizes your protections.

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don’t live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person’s claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
  - Up to $500,000 for health benefit plans, with some exceptions.
  - Up to $300,000 for disability income benefits.
  - Up to $300,000 for long-term care insurance benefits.
  - Up to $200,000 for all other types of health insurance.

- **Life insurance:**
  - Up to $100,000 in net cash surrender or withdrawal value.
  - Up to $300,000 in death benefits.

**Individual annuities:** Up to $250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

**Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.

**Individual aggregate limit:** Up to $300,000 per person, regardless of the number of policies or contracts. A limit of $500,000 may apply for people with health benefit plans.

**Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn’t guarantee, such as some additions to the value of variable life or annuity policies.

**Note:** You’re receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). These protections apply to insolvencies that occur on or after September 1, 2019. There may be other exceptions that aren’t included in this notice. When choosing an insurance company, you should not rely on the Association’s coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage. Chapter 463 controls if there are differences between the law and this summary.
