New TASC Partnership

TASC has partnered with beneshop to make shopping for healthcare products easier and more affordable.

What is beneshop?

Beneshop gives participants the ability to purchase FSA/HSA eligible products from a wide variety of retailers and brands all in one location. Beneshop helps consumers find the lowest cost option for health-eligible products, ensuring participants maximize their pre-tax benefits.

HOW IT WORKS

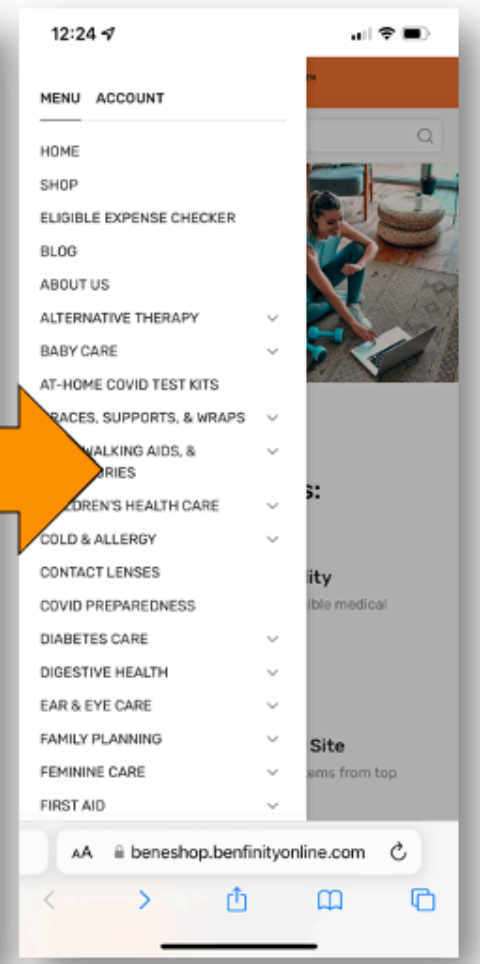

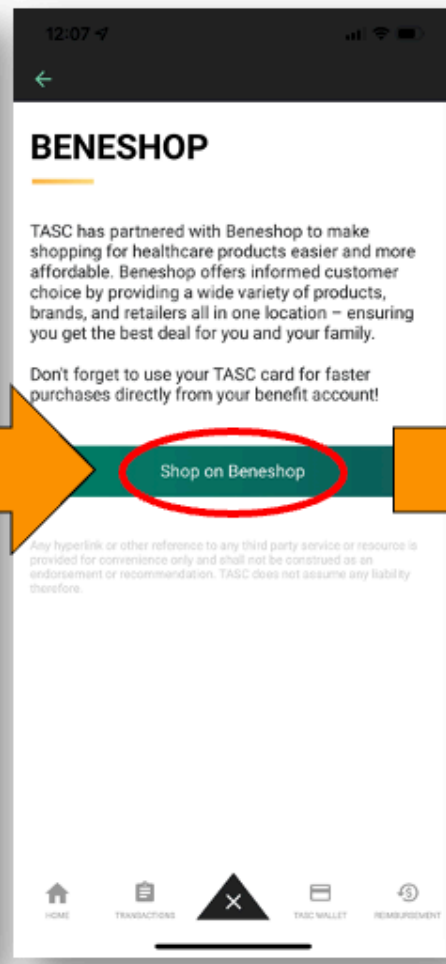

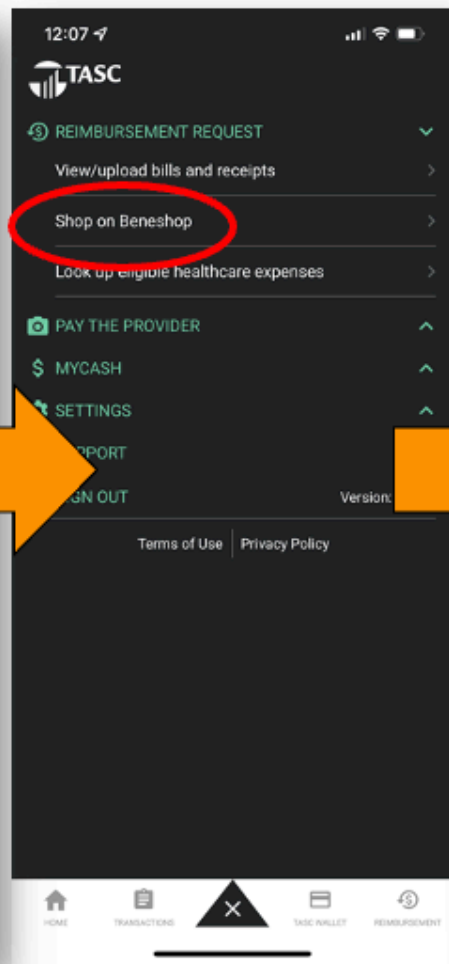

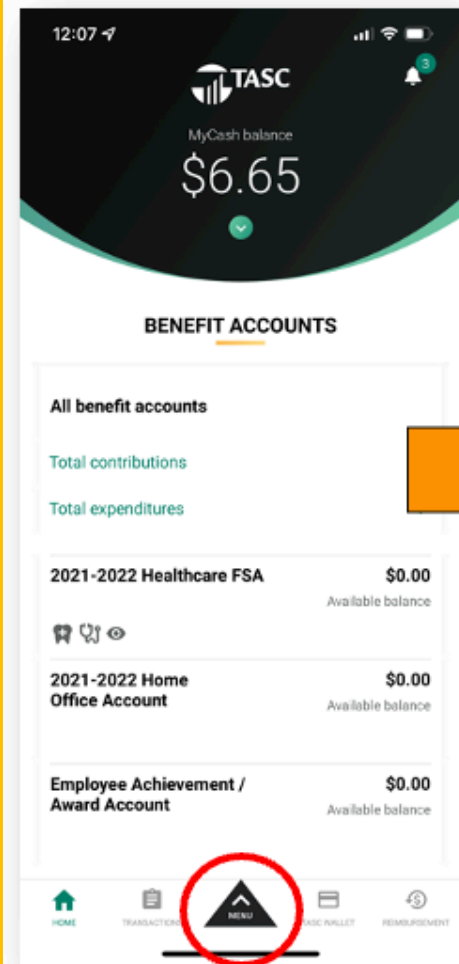

Log in to the TASC Mobile App where there is a link to shop.

Shop for eligible products by category or by looking up products on our eligible expense list.

Choose products to compare costs and purchase at the retailer that best fits.
