

## Jane Doe

**Jane Doe** has spent her entire career in the service of others. In three decades with United Way of Greater Houston, she has engaged hundreds of thousands of donors in United Way's work, built partnerships with Houston's leaders, elevated the United Way brand and helped develop a strategy to carry United Way into the future.

As vice president of Donor Relations, **Jane Doe** raised more than \$1.5 billion for the community. Under her leadership, Houston's Alexis de Tocqueville Society, Women's Initiative, Young Leaders and United Way LINC were launched and grown into successful donor groups providing tremendous support for United Way of Greater Houston. In the wake of Tropical Storm Allison and Hurricanes Katrina, Rita and Ike, she brought the community together and raised millions of dollars to help those affected rebuild their lives.

**Jane Doe** has been behind many of United Way's accomplishments over the last 32 years, including the world's largest human rainbow, the One Houston United Telethon and building the United Way Center for Philanthropy, Leadership and Volunteerism. She also spearheaded the merger between United Way of Greater Houston and Montgomery County United Way, creating one strong United Way to help more people in the region.

On January 11, 2017, **Jane Doe** will be honored for her work and tireless commitment to United Way and to our community. The City of Houston commends **Jane Doe** on her accomplishments and extends best wishes on all future endeavors.

Therefore, I, Sylvester Turner, Mayor of the City of Houston, hereby proclaim January 11, 2017, as
