Matching Grant Program Guidelines and Frequently Asked Questions

Program Guidelines

Department of Neighborhood Matching Grant Program

The Neighborhood Matching Grant Program helps neighborhoods fund various beautification and improvement projects by providing a dollar-for-dollar matching grant reimbursement ranging from \$500 to \$5,000. The program is designed to cultivate the spirit of volunteerism to help neighborhood-based organizations learn the art of planning and community building through neighborhood projects.

How it works

The grant money represents a partnership between the City (through your Council Member's office) and an organization. The City will reimburse up to 50% (not to exceed \$5,000) of a project's total budget. The minimum project amount is \$1,000. The minimum matching grant award amount is \$500 and the maximum matching amount is \$5,000. The project must be completed by the project deadline and must be paid in full by the eligible organization in order to receive reimbursement. Original receipts/invoices and cancelled checks/credit card receipts must be submitted after project completion in order to receive your matching grant reimbursement on expenses incurred. Cash transactions or in-kind services (food, materials, volunteers or equipment) cannot be submitted for reimbursement.

Eligible participants

Eligible organizations must meet the following criteria:

- A neighborhood-based organization and/or civic club incorporated as a 501 (c) (3) or 501 (c) (4) non-profit organization through the State of Texas.
- If the applying neighborhood based organization is not 501 (c) (3) or 501 (c) (4), they must secure a 501 (c) (3) or 501 (c) (4) organization to partner with them for this project.
- Represent a specific geographic area located within the Houston city limits.
- Identify how the organization will fund and support the project in the future.

****Political organizations and individuals are not eligible****

Eligible projects

The program helps pay for physical improvements or projects that are accessible and beneficial to the community. The program will **not** pay for ongoing operation or maintenance such as upkeep of landscaping or a community garden. Funds received **through** this program may not be used to lobby or participate in political campaigns and/or elections. Completed projects or completed parts of a project are not eligible for reimbursement.

Proposed projects must meet the following requirements:

- Improve a neighborhood through a physical improvement.
- Involve neighborhood residents, have long-standing benefits.
- Accessible to the public.

- Letter of permission from property owners and/or government agencies of the proposed site at the time of submittal. The property owner may be a government agency, the owner of private property, or an association if the property is a common area.
- Proof of ownership of proposed site (Ex: Copy of Deed, HCAD record, etc.)
- Photo of proposed site.
- Three letters of support for your project (Ex: Neighborhood or area organizations, businesses, elected officials, schools, super neighborhood council, etc.)
- If the proposed projects require approval and/or permitting from a City of Houston department, pre-approval from the appropriate city department is required. (Ex: Pre-approvals must be issued by, Parks & Recreation Department for the Adopt-An-Esplanade Program, Public Works & Engineering Department for Subdivision Markers, etc.) The application is ineligible without the pre-approval from the appropriate city department (s).
- Examples of approved projects include, but are not limited to, street sign toppers, entryway signage, entryway columns, esplanade landscaping and irrigation, park benches, electrical signage, walk ways with pavers, murals, etc.

Once the project is completed, the eligible organization will pay for the project in full, and submit **original** receipts/invoices and cancelled checks/credit card receipts to the appropriate DON Grant Coordinator within 5 business days of the project completion. The project must be completed by the project deadline and must be paid in full by the organization in order to be eligible for reimbursement.

The DON Finance Office will process the reimbursement to the vendor within 30 business days of receipt in the approved grant amount from the Council member with DON funds. Checks will only be made payable to the organization listed on the Purchase Order, which must be the sponsoring 501 (c) (3) organization. Once the Purchase Order is complete, no changes can be made. Please verify that all information on the Purchase Order is correct (ex. Name, Address, etc.); checks will be mailed to the Name and Address listed on the Purchase Order only.

In the unlikely event of project failure, the organization will not receive a matching grant on expenses incurred.

The Matching Grant Process

Phase I-Application Process

- Eligible organization completes application with all applicable signatures, city department approvals, and required documentation. The DON Grant Coordinator (DCL) for that district will assist council district office in identifying and contacting the appropriate city departments for approval.
- If the request involves using the CDSF funds to pay for **subdivision markers**, the Public Works and Engineering Department (PWE) has to approve the installation of subdivision markers in the City's right of way, via the application. In this instance, Council District Service Funds may be used for the reimbursement of costs for installing subdivision markers by the eligible organization.
- If the project is aimed at providing **playground equipment**, it is an eligible project if the equipment is accessible to the entire neighborhood. The organization will need to obtain approval from the Parks and Recreation Department, via the application, to ensure that the equipment meets Parks and Recreation Department standards. See the department's website for more information. <http://www.houstontx.gov/parks/adoptedparks.html>
- Once the application packet is complete with all required signatures and documentation, it is submitted to the DON Grant Coordinator to check the package and ensure it is correct and complete. The DON Grant Coordinator must sign and approve the package once ensuring all requirements are met. Thereafter completed package is sent to the Director of the Department of Neighborhoods for approval. Once approved by the Director of the Department of Neighborhoods, the application is forwarded to Vernita Jones, Administrative Office of City Council (AOCC) to forward to Deidre Penny in the Legal Department and the Mayor's office for approval.
- Once approved by the Legal Department and the Mayor's office, Vernita Jones will forward the approved application back to the Councilmember's office and the eligible organization may begin the procurement process to begin the project. **The organization MUST NOT begin work on their project prior to receipt of a purchase order.**

Phase II-Procurement Process for Reimbursement

- **If the eligible organization does not need assistance choosing vendors,** the vendors must **first** have a City vendor number in order to establish a purchase order for future payment. You must submit a Supplier Registration Form and an IRS W-9 form to the City of Houston Strategic Procurement Division by visiting https://purchasing.houstontx.gov/Bid_RegForm.aspx. If you have problems registering, please contact Sergio Escobedo at (832) 393-8711 (Phone), (832) 393-8758 (Fax), and/or email: sergio.escobedo@houstontx.gov. For further assistance you may contact the Supplier Assistance Desk at (832) 393-8800. Once your organization has received a vendor number you must then submit the completed application which includes a Scope of Work and associated cost to the DON Grant Coordinator (DCL), who will then submit to the DON Finance Office for purchase order processing. The purchase order process will take from 5 – 7 business days after receipt for request. After issuance, the purchase order will be forwarded to the eligible organization, via the DON Finance Office. Once the purchase order is received, the work on the project may begin. Once the project is completed, the eligible organization will pay for the project in full, and submit **original** receipts/invoices and cancelled checks/credit card receipts to the appropriate DON Grant Coordinator within 5 business days of the project completion. The project must be completed by the project deadline and must be paid in full by the organization in order to be eligible for reimbursement. **NO EXCEPTIONS!** The DON Finance Office will process the reimbursement to the vendor within 30 business days of receipt in the approved grant amount from the Council member with DON funds. Checks will only be made payable to the organization listed on the Purchase Order, which must be the sponsoring 501 (c) (3) organization. Once the Purchase Order is complete, no changes can be made. Please verify that all information on the Purchase Order is correct (ex. Name, Address, etc.); checks will be mailed to the Name and Address listed on the Purchase Order only.

- **If the eligible organization needs assistance choosing vendors for the work needed,** the council office will contact the DON Grant Coordinator to solicit bids for the work needed through the DON Finance Office. Once the vendors have been selected, a city vendor number will be assigned in order to establish a purchase order for future payment. The purchase order process will take from 5 – 7 business days after receipt for request. After issuance, the purchase order will be forwarded to the eligible organization, via the DON Finance Office. Once the purchase order is received, the work on the project may begin. Once the work is completed, the

eligible organization will pay for the project in full, and submit original receipts/invoices and cancelled checks/credit card receipts to the appropriate DON Grant Coordinator within 5 business days of the project completion. The project must be completed by the project deadline and must be paid in full by the organization in order to be eligible for reimbursement. NO EXCEPTIONS!
