Greetings,

Houston is a city that embraces diversity and civic engagement. We are built on dreams powered by hard work, guided by common sense and inspired by creativity. We respect the rights and responsibilities of good citizenship.

During the week of November 13-19, the City of Houston will partner with community and faith-based organizations to celebrate the many social and economic contributions and accomplishments made by our vast, diverse population. Our Annual Citizenship Week intends to highlight the integration of culture with civic duty through a series of events and activities planned throughout our city.

My administration is proud to champion the celebration of Houston's diversity. I hope that as you receive more information from the Department of Neighborhoods and Citizenship Week Steering Committee members, you will help us celebrate the civic spirit by participating in Houston's Citizenship week.

Sincerely,

A handwritten signature in cursive script that reads "Annise D. Parker".
