## Petition of Support

We, the undersigned residents and occupants, have received the attached map indicating the proposed Residential Permit Parking area and have indicated if we **SUPPORT** or **DO NOT SUPPORT**. Some residents report a severe lack of adequate parking curbside for themselves or visitors due to non-resident parking. They request the City of Houston designate a Residential Permit Parking area as mapped. The residents in favor of the designation are requesting a Residential Permit Parking area that restricts parking along the \_\_\_\_\_ **block of** \_\_\_\_\_ **(street) on** \_\_\_\_\_ **side (s) of the street**, to residents and their visitors only by annual permit. If needed, the City will conduct a survey of on-street parking conditions. If approved by City Council, eligible occupants in the block will receive written notice of the permit area boundaries and parking restrictions.
