## Permits and Facilities Services

Houston Parks and Recreation has many different venues available for rental. Whether you are planning a wedding, a family or neighborhood event, a company picnic or a sports tournament, we have a site for you!

An area within a park may be reserved for personal use for private events by obtaining a permit through the Permits section of the Houston Parks and Recreation Department for a fee and refundable deposit. This permit ensures the exclusive use of a designated space for a designated time frame.

Park space, including pavilions, picnic table clusters and open space may be reserved for picnics, birthday parties, family or religious gatherings, weddings and more. Reservations are also available for sports practice, leagues and tournaments at area sports fields (including softball, baseball, soccer, flag football, basketball, rugby and sand volleyball courts).

When planning your event, it is very important to contact the Permits Center as early as possible to receive the most current information on the park or facility of your choice. Staff can update you on everything from construction schedules and bathroom closures, to noise limitations and application deadlines. For information about permits for large public events, call the Mayor's Office of Special Events at (713) 437-6367.

Each summer, Houston artists and children at five HPARD sites turn house paint and plywood panels into works of public art inspired by the children's communities and lives, and by the art they see at the MFAH. Working together, the artists, children, MFAH, and HPARD beautifully demonstrate that art belongs everywhere.

Participants must be registered in the Summer Enrichment Program at one of the five selected parks and must live in the neighborhood where the mural is being painted. Greens Bayou comes into play on four holes, and creeks cross four others. Good scores can be found at Brock, provided you stay out of the trees!

A driving range is available for practice or for warming up. Additional practice areas include a putting green, chipping green, and practice bunker. The pro shop staff is available for lessons. Tee times are available on weekends and holidays.

## Memorial Park Golf Course

Memorial Park Golf Course began in 1923 as a 9-hole sand green course built near the hospital at Camp Logan for use by convalescent soldiers. When the hospital closed, the course was opened to the public. In an ambitious effort to enhance parks across the city, the Parks and Recreation Department began construction to turn the 9-hole course into an illustrious 18-hole golf course.

In July of the following year, the first ball was teed off on what architect John Bredemus called his "greatest golf course ever." Through the years, Memorial Park Golf Course hosted many famous golfers such as Babe Didrikson Zaharias, Jack Nicklaus, Arnold Palmer and Jimmy Demaret. It was also the home of the Houston Open from 1951 to 1963.

In 1995, the newly renovated 600-acre course opened with a lighted driving range, putting and chipping greens, a beautiful new clubhouse facility and a golf museum create from the original clubhouse structure. Today, the Memorial Park Golf Course is known as one of the best municipal courses in the nation and is visited by more than 60,000 patrons each year. Houston is proud to call Memorial Park Golf Course the crown jewel of Memorial Park.
