ADULT BASKETBALL PROGRAM

RULES AND REGULATIONS

CITY OF HOUSTON
PARKS AND RECREATION DEPARTMENT

January 21, 2010

Dear Team Manager,

On behalf of the Houston Parks and Recreation Department, I would like to welcome you as a participant in our **2010 Adult Basketball Program**.

Our goal is to offer quality sports programming at affordable prices and see that each participant has an enjoyable leisure experience.

Please read the rulebook at your first opportunity to familiarize yourself with our league's rules and regulations. Also, you will find a listing of online registration dates for each season in 2010 on page 3.

We now have an online registration system. You can establish your online account at www.houstonparks.org (Adult Sports Section), but you will not be able to register for a league until the specified registration dates for a specific season. The online registration system was approved by the Mayor and City Council in 2009.

Separate flyers with upcoming registration information, fee changes and rule updates will be sent to you as they become available. You can also visit our department's web site at www.houstonparks.org for additional information as well. Please be sure to advise the Adult Sports Office with ample time if your contact information changes, including email address.

Again, welcome to our program. Wishing your team a successful and enjoyable season.

Sincerely,

Marshall Broadway, Assistant Superintendent
Recreation and Wellness Division

3. All players must meet residency requirements as set by the Texas Amateur Athletic Federation (TAAF).

G. **ROSTER LIMIT**

Team rosters must be turned in to the Adult Sports Office before players are eligible to participate. Maximum roster limits will be twelve (12) players for men's teams and thirteen (13) players for women's teams. All rosters are forwarded to the state TAAF office. Teams qualifying for state tournaments may use only those players whose names appear on their roster. **All rosters are to be turned in prior to the first league game.**

H. **ROSTER CHANGES**

If a person desires to transfer from one (1) team to another in the same league, a written release must be obtained from the team captain the player is leaving and the player must sit out one (1) league game. If a player desires to transfer from one (1) team to another in different leagues the player becomes eligible immediately provided he/she has not played in more than two (2) games that week in other city leagues. All roster changes must be made in person at the Adult Sports Office, 6200 Wheeler Street, Bldg. #3, Houston, TX 77023 or by sending an email to: adult.sports@cityofhouston.net. There will be NO TELEPHONE ROSTER CHANGES.

I. **SCHEDULES**

Schedules are posted one week prior to the season's start date at the online registration section of the Houston Parks and Recreation Department website. If you do not have Internet access, please contact the Adult Sports Office at (832) 395-7130 to request a schedule faxed or mailed to you.

J. **LENGTH OF PLAYING TIME**

All games will be played in twenty (20) minute running halves. Clock will stop for all timeouts throughout the game; clock will stop for all violations and time outs that occur during the last two (2) minutes of each half.

K. **OVERTIME PERIODS**

If the score is tied at the end of the second half, play will continue without change of baskets for one or more extra periods with a one-minute intermission before each extra period. Length of each extra period will be three (3) minutes.

L. **FORFEIT GAMES**

There will be a 10-minute grace period ONLY for the first game scheduled (6:30 pm game) for the evening. At 6:40 pm, any team not ready to play shall forfeit.

All other games scheduled for the evening (7:30 pm Game, 8:30 pm Game, etc.) will not have a grace period. Any team not ready to play at game time shall forfeit. Teams will notify all concerned by reporting to the Adult Sports Office as much as possible in advance, if they foresee they will be unable to field a team for scheduled play. Adult Sports staff will then contact the other team and possibly save unnecessary travel time. Officials do not have to work forfeited games. Teams that show may practice until ten (10) minutes before the start of the next game. Your cooperation will be greatly appreciated. Referees will not decide on player eligibility. If a team manager desires to protest the eligibility of a particular player, he must follow the procedures set forth in Section N.

In order to reduce the number of unjustified forfeits by teams, the following rules will be implemented during the 2010 - 2011 Seasons:

- If a team forfeits 2 or more scheduled dates of games during a 10-Week Single Game Season, the team would be disqualified from the City of Houston Parks and Recreation Playoffs Tournament.
- If a team forfeits 3 or more scheduled dates of games during a 10-Week Single Game Season, the team would not be eligible to register and participate in any upcoming seasons within a period of 90 days.
- If a new team is formed (within 90 days of becoming ineligible to register for another season), there cannot be 5 or more players on the roster from a team that was previously disqualified by forfeiting 3 or more scheduled dates of games in a season.

Of course, if a team experiences an uncontrollable circumstance that caused the team to have a forfeit (death in the family, car accident, etc.), the Adult Sports Office

will review any written appeals with documentation submitted within 5 business days after the scheduled game(s) to the Adult Sports Office.

M. **PLAYING RULES**

All games will be played under NCAA and TAAF rules and regulations, unless otherwise stated. All players must wear same colored jersey's numbered front and back or the team will be subject to a forfeit.

N. **PROTESTS**

To protest a ballgame, the game officials must be notified on the protest and told that the remainder of the ballgame is being played under protest. The protest must be in writing and turned in to the Adult Sports Office (6200 Wheeler Street) by 10:00 am the following business day. A fee of twenty dollars will be deposited into the City account. If you win your protest the fee will be refunded to you. Omission of any of the above-mentioned guidelines constitutes no protest.

Protests against ineligible players that are not listed on rosters in the Adult Sports Office will be automatically upheld. However, the protesting team must also have a roster on file with all of their players' names in order to file a protest. In the event both teams are declared ineligible, both teams will be credited with a loss. NO PROTEST WILL BE ACCEPTED ON THE QUESTION OF AN OFFICIALS JUDGEMENT. The decision of the protest committee will be considered final. Players must show identification if requested by the officials or the game is subject to being forfeited.

O. **PARTICIPANT BEHAVIOR**

Coaches are reminded that they are responsible for the behavior of their players and fans before, during and after all games. Conduct of participants deemed detrimental to the program will result in such person or persons being suspended from participation in the basketball program for a period of time as necessary due to the severity of the infraction. Officials are authorized to control the behavior of participants in the program from the time of arrival at the court until leaving community center premises. If you or anyone on your team has a problem with an official, do not approach the official; simply call the Adult Sports Office at (832) 395-7130 the next day, and we will monitor the situation to make changes, if necessary. FIGHTING WILL NOT BE TOLERATED. All persons involved in fighting will automatically be suspended for a period of time to be determined by the severity of the fight.

If a team is suspended for fighting or exhibits unruly conduct at any time during the league, NO REFUND WILL BE GIVEN, regardless of how many games remain. Proper behavior is required of players, coaches and managers at all times while on park/community center property. This applies to before and after games as well as during games.

Any player banished from the game by the officials will also be ineligible to participate in the next game. The player may remain on his team's bench, but may not direct any remarks towards the official or opposition during the remainder of the game. If a player is asked to leave the park/community center, he shall be

suspended for the remainder of the season. If a player does not comply, the team may be forced to forfeit the game and possibly be removed from the league without refund. If a player who was banished from a future game is found playing in that game, the team shall automatically forfeit the game. Officials shall report any actions of players banished from their game to an Adult Sports staff by the next business day.
