

FREE GOLF CLINICS

Houston Parks and Recreation Department Free Golf Clinics

Interested in improving your golf swing or putting abilities?
Then sign up today for a Free Golf Clinic at a
Houston Parks & Recreation Department golf course near you.

These clinics are designed to help novice or experienced golfers with their golf techniques. You'll get hands on advice to improve your game. If you've always wanted to try golf but were too embarrassed to go out to the range to hit, chip, or putt, this will help you learn the basic technique of the golf swing, putting stance and terminology. Experienced golfers can get pointers on how to improve their current game, as well.

Instructors are golf pros who are donating their time to provide you with free instruction and promote HPARD's courses and the game of golf.

Space is limited to the first 25 registered golfers. Registration is required. To reserve your space visit www.houstonparks.org and click on Memorial Park Golf Course to register online.
