

SOCCER FOR SUCCESS

Houston Parks and Recreation Department

Soccer for Success

The HPARD Soccer for Success program is an after-school, sports-based youth development program that aims to use soccer as a tool to combat childhood obesity by providing nutritional education and mentorship to children in at-risk communities. The program lasts for 24 weeks. The HPARD Soccer for Success program currently serves 1,000 children in 8 schools and 4 HPARD parks.

Location: See revers side for site listing
