

Urban Outreach Nature Program

Houston Parks and Recreation Department

Urban Outreach Nature Program

2014 SUMMER SCHEDULE

The Urban Outreach Nature Program is made possible through a partnership provision with Texas State Parks Region Four to provide youth participants with an opportunity to experience on-site nature and outdoor recreation activities. Fun activities will include nature journaling, fun with fish, introduction to geocaching, junior angler skills, camping 101 and urban wildlife watching.

Ages: 6 - 13
