Proposal: Replace existing front door.

Street View:

Door to be replaced:

New Door:

* Both doors are 37.5-in x 81.5 in

The main issue with the door is that it no longer closes easily, and the weather stripping around it is insufficient, leaving gaps around the door when it is closed. I have attempted to replace the weather stripping, and the problem continues. This is incredibly inefficient and the door needs to be replaced.
