

MTFP Amendment Request Blodgett Street

Walter P Moore
on behalf of
University of Houston

Blodgett Street

- Request – Remove curved segment connecting Wheeler and Blodgett
- Result of UH Transportation Management Plan
- Wheeler is a Transit Corridor and will ultimately be a 4-lane boulevard
- 0.35 mile segment
- First on MTFP in 1983
- Requested alignment matches MTFP prior to 1983
